I never thought Dragon Pharma was any good-figured it was mainstream and underdosed. They have a half off sale right now and I went ham on it haha test, mast, tren, tbol, Anavar, Anadrol.... I'll have a 100% dp cycle so we'll def see if it works. My thought process was, even if the dose is off by 10-25% I can just take more of it. #beyou #aesthetic #photooftheday #belive #stronger #faster #better #getbig #gethuge #nevergiveup #gymtime #arms #biceps #triceps #back #checking #smile #killingit #chest 1350
