STEP 1

Fill in the enquiry form

STEP 2

Professional Assistance

STEP 3

Booking Confirmation

Our representative will give you a call to understand your requirement & share the complete information of the property like: latest availability, Floor plans Detailed pricing, Payment Schedule, etc. & help you in knowing the property better.

We will schedule the site visits for inspection & help you in choosing the right unit based on your requirement. We also assist you in booking formalities & make sure we negotiate & get you the best deal from the developer.

You will be receiving a email confirmation regarding your booking from the Builder, followed by Allotment letter. There after CRM team will take it forward to keep you informed on project status and property registrations.
