Good evening to you all.

From The
Chairman

Chairman Olly.

Well Christmas and New Year has come and gone, I hope everybody had a fabulous time with friends and family. It was really good to see how many people came to the Christmas bash and we raised a good amount for our charity the Air Ambulance.

The off – road event at Elham Valley was well attended with about 20 vehicles having a go in the slippery conditions, thank you Charlie for organizing it for the Club.

Well let's look forward to 2016, the shows will come before we know it.

Vol 8. Issue 1 January 16.

Hello fellow Landy people.

It's that time of year again, yep turkey, stuffing and spending money! Some of our members are taking on projects that will see them in cold damp garages laying on concrete floors and doing their piles no good at all! It just goes to show you how we love our Landy's.

I don't have the luxury of a garage so when the lovely Irene noticed the oil stains on the drive I was soon underneath with cloth in hand wiping things (the car I mean, not the lovely Irene!) as we all know if a Landy ain't leaking it's empty!

Our Charlie Thorn has very kindly organised an off road day at Elham on the Sunday after Christmas and those that are going are sure to have lots of fun, he also regularly organises the trips to Salisbury Plain and I can highly recommend these it's lots of fun with great company and very reasonable for a good weekend so why not give it a go. We need to "tread lightly" around our Charlie as he is wired for sound, yep a hearing aid (so no whistling sounds please!)

Myself and chairman Olly will be organising a driving challenge in the New Year which will be on a Sunday so as soon as we have a date we will let you know.

We also have another member with a Disco 2 so if you see him at the side of the road please pull up and give him a tow he he! I'm sure he will soon be a fountain of knowledge with all things Disco 2 so will come in very handy (you know who you are!)

The Christmas buffet was nice this year but we are contemplating a different venue next year, so if anybody has any ideas please let a member of the committee know.

We are all relieved that our friends in Cumbria weathered the awful weather just recently and our thoughts go out to those that had so much damage to their homes, they are such nice people but at least they are tuff uuuppp noortthh!

We look forward to another report from our roving reporter Tonto, he must have loads to tell us about his Robin Hood like heroics in Cumbria, that's if he can find some dry paper!

I smell something nice wafting up from the kitchen, my nose is twitching so I'll bid you a fond farewell have a wonderful festive season watch out for the wild turkey.

Happy and safe Roving OTTO TWANKER.

Hi Everyone.

Hope you all had an enjoyable Christmas and New Year, 2016 is now here!
The raffle at the Christmas Bash raised the most fantastic amount of £75.00 with great prizes obtained by Ollie from Barrett's Landrover, we could not make it due to other commitments which was a shame because it sounded like a good time was had, especially by Russell who won the free years membership prize.

It sounds like everybody had a fantastic time at Elham Valley too so a very big thanks to Charlie for sorting this out for us.

See you all out there soon Jules.

To fill spaces like this in your magazine.

Your Reports.

Please let us have your reports of what you have been doing to your trucks, photos and comments so that we can include them in your magazine for others to enjoy.

It's doesn't take a lot of time to do a report, type it, write it or just give Jules your scribbling's and let us do the rest, go on you can do it.

If anybody has any items that they would like to be considered for next month's magazine or anything shop related please see me (Jules) after tonight's meeting, or email / phone Phil on phil.letley@sky.com / 07702 960644.

Thanks as always to Mark, Ryan & Ted for their help.
