What Are the Photo History Choices?

There are numerous background options to select from, simply go to the Backdrops web page to see what is readily available. The image backdrop is the curtain that hangs behind the visitors. We have one of the best photo booth backdrop selections in all of Los Los Angeles and Orange County.

How does the photo booth work?

Get in the cubicle with a prop, touch the display and after that choose color or black & white photos.

The system will certainly take a collection of shots, as well as count down for each and every picture, enabling sufficient time for a fast outfit change.

What comes consisted of in each plan?

Every plan comes with:

Unrestricted kip down the cubicle

A touch display interface, option of creative filters

Studio Equipment for even as well as intense lighting, despite having larger teams

A personalized 4 x 6 theme or dual 2x6 picture strips

Free distribution as well as set up

A wide range of props and outfits.

An option of curtains as well as image backgrounds

A custom web galley with all the pictures uploaded after the event

A friendly assistant with two decades of technological experience

The amount of prints comes included in each bundle?

It is limitless turns, and each turn will produce one 4 x 6 print copy or dual 2 x 6 strips.

To have even more prints, a lot of large occasions opt for dual 2 x 6 strips as well as in that instance there would certainly be dual duplicates for each and every turn

If guests desire an additional duplicate of the print, or a reprint, we sell those for \$3 throughout the event.

Visitors can email and text their photos after each turn.

After the occasion visitors can download the original image from a site gallery.

Just how do you book a picture cubicle?

Complete your details on the reservation web page or email us luckyfrogphotos@gmail.com

You will certainly be emailed a billing.

The amount of days do you require before booking?

At-least a few days would certainly be optimal for the best outcomes.

Is there a down payment required?

There is no down payment required to book, simply click booking to fill out the type.

Suppose my venue requires proof of obligation insurance policy.

Not a problem, we can send you a duplicate of our responsibility insurance policy to please the venue demand.

What is a still hour as well as how is billed?

Most occasions have a period of down time, and also in the image booth organisation this is described as an "still hour"

An idle hr is [luckyfrogphotos](http://luckyfrogphotos.com) billed at \$75 for that hr.

Example: you have a four hr occasion with a one hour break in the center.

You would certainly reserve for 3 hours as well as add an addition "idle hour" at a lower price of \$75.

Does the cubicle demand electric outlets?

We do need one electric 110v, power electrical outlet.

Just how much room do you require?

For the open air plan, leave a 10 foot square area to arrangement.

What makes our cubicle special?

A sleek touch screen user interface with custom-made designs offers even more options for your visitors.
