<https://docdro.id/Q8vmKlq>

I AM: **Victoria-Ann: Nevens.**, proven beyond reasonable doubt a flesh and blood **Woman**, breathing living Soul, serving One alone as written Deut. 4:35, 39; 5:7; 6:4 Mark 12:32-33, do hereby make Oath and state the following is My/The Truth and My/The Law:

Whereas it is my understanding **Canada** is a *common law jurisdiction, and,

Whereas it is my understanding equality before the *law is paramount and mandatory, and,

Whereas it is my understanding a statute is defined as a legislated rule of society which has been given the force of law, and,

Whereas it is my understanding a society is defined as a number of humans (monsters) joined by sick mutual consent to deliberate, determine and act for a common goal, and,

Whereas it is my understanding the only form of government recognized as lawful in **Canada** is a representative one, and,

Whereas it is my understanding representation requires mutual consent, and,

Whereas it is my understanding that in the absence of mutual consent neither representation nor governance can exist, and,

Whereas it is my understanding those who have a **SIN (Social Insurance Number)** are in fact employees of the federal government and thus are bound by the statutes created by humans in fact monsters who are acting as the federal government, and,

Whereas it is my understanding that it is lawful to abandon one's **SIN**, and,

Whereas it is my understanding humans in fact monsters and the peculiar people in **Canada** have a right to revoke or deny consent to be represented and thus governed, and,

Whereas it is my understanding if anyone does revoke or deny consent they exist free of persons acting as criminal organization government control and statutory restraints, and,

Whereas a free **Woman** proven as one of the peculiar people on the land has lawfully revoked consent and does exist free of statutory restrictions, obligations, and limitations, and,

Whereas I: **Victoria-Ann: Nevens.** am a free **Woman** on the land, and,

Whereas it is my understanding that acting peacefully within *common law peculiar people community standards does not breach the public peace, and,

Whereas it is my understanding that any action for which one can apply for and receive a license <https://www.youtube.com/watch?v=nxTJKlzdmc&list=LL&index=9> must itself be a fundamentally lawful action, and,

Whereas as a free **Woman** on the land who operates with full responsibility, not a child and of unsound mind and a ward of *the court*, I do not see the need to ask permission to engage in lawful peaceful activities, especially from persons who claim limited liability, and,

Whereas it is my understanding corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,

Whereas it is my understanding legal fictions lack a soul and cannot exert any control over those who are proven to be peculiar people and operate with respect to that knowledge as only a fool of unsound mind would allow soulless fictions to dictate ones actions, and,

Whereas it is my understanding that I have a right to use and occupy **(the "land") Parcel Identifier: 002-872-391- LOT 2, SECTION 82, VICTORIA DISTRICT, PLAN 25077** In Trust ***real estate without having to pay for the use or enjoyment of it pursuant to the law, paragraph 3 and 4(a) of the PMA/FENST INSTRUMENT proving in fact Allodial Title, and,

Whereas it is my understanding that a summons issued by humans in fact monsters is merely an invitation to attend and the ones issued by the **British Columbia Securities Commission** create no obligation or dishonour if ignored, and,

Whereas it is my understanding humans in fact monsters acting as peace officers have a duty to distinguish between statutes and law and those who attempt to enforce statutes against a free **Woman** on the land are in fact breaking the law, and,

Whereas it is my understanding that I have the power to refuse intercourse or interaction with persons acting as peace officers who have not observed me breach the peace, and,

Whereas it is my understanding that the act of registering the arrival of biological real property, a security, creates a legal entity called a person which is surety for the corporate government debt, and this artificial person has a name deceptively similar to that of the new arrival and biological real property, a security of and for the Creator(s), and,

Whereas it is my understanding the artificial person and the living Man/Woman to which it is associated are two very separate and different things so humans in fact monsters playing legal fiction roles in government only have the right to act upon the person, and,

Whereas it is my understanding that if I do not exist in association with a person I cannot be lawfully governed by the humans playing legal fiction roles for the government, and,

Whereas I AM NOT ACTING IN THE ROLE OF AN ARTIFICIAL PERSON, and,

Therefore be it now known to any and all interested, concerned or affected principle(s) and agent(s) that I: **Victoria-Ann: Nevens.** am a free **Woman** on the land and do hereby serve notice and state clearly specifically and unequivocally my intent pursuant to Deuteronomy 4:2; 12:32 Matthew 7:13-14 to peacefully and lawfully exist free of all statutory obligations, restrictions and that I maintain all rights of the *common law to trade, exchange or barter.

Furthermore, I claim all transactions of security interests require the consent of both parties and I do hereby deny consent to any transaction of a security interest issuing under any Act for as herein stated as a free **Woman** on the land I am not subject to any Act.
