Equipment required :

- **Printer**

- **Pair of scissors**

- **Sharp sharpened pencil**

- **Split pins**

Instructions :

- 1- Print the frame and the circle of the Houdini Puzzle 2016 (in black and white or in color).
- 2- Carefully cut the circle.
- 3- Place the cut circle in the center of the frame, align key "A" with key "M" and assure that the details of drawings are well aligned.
- 4- Use the sharp sharpened pencil to drill the center of the circle and the frame.
- 5- Insert the split pin into the hole and open fins to hold the assembly in place.

Once the assembly is finished, you are now ready for the presentation of « Houdini Puzzle 2016 ».
