

Learn about The Best Pizza Toppings

Pizza is a preparation which is loved by almost every single human being. At the same time, this is the perfect dish for mix and matching. Pizza comes in different sizes, and of course with different toppings. And toppings are the thing which can literally change the whole taste of this. There are a lot of toppings available with **Capri's pizza restaurant**, to match almost everyone's taste. Though you'll get two choices, one is to make a customized pizza of your choice and the other one is you can choose something in general but if you're planning to eat something according to your mood, customization is the only way out then. Here, let's discuss the popular toppings which will go with every mood.

- **Pepperoni:** pepperoni is a very popular garnishing item; you can use it on the pizza. Pepperoni is basically thin pieces of meat tastes heavenly along with cheese and sauce. You will get a vibe of Italian

trio of meat, cheese and bread. You can have these thin pieces of meat of pork, beef and mix it with chili pepper.

- **Onions:** onions offer the best kind of spice flavor to your pizza. **Capri's pizza restaurant** uses a spicy sort of onion for the pizza toppings. Most of the foodies love the crunch of the onion tripping. If you do not love the spice thing, you can try sweet onion as your pizza topping. Onions are a great thing to your pizza and mix it with herbs and sauce.
- **Black Olives:** Black olives have a salty flavor which is perfect as your pizza topping. For garnishing purpose you can cut a few elongated pieces of Olive and have it as your pizza topping along with cheese and sauce. **Capri's pizza restaurant** has a variety of options for pizza toppings and black olive is one of them.
- **Ham:** all of you have probably heard of Hawaiian pizza, where they use pineapple as pizza toppings, well most of us are not really found of a pineapple pizza. But if you still want to try that, you can just use ham with your pineapple pizza because it will bring a fancier feel on your pizza.

Capri to Go Pizza is popular around the world because of the flavor that comes from toppings. So, choosing the right topping is very important otherwise you might not find pizza as your go-to dish.
