

To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, residents, of the Province of British Columbia, states that: the criteria for issuance of an Amber Alert be expanded to include people of all ages who are missing but would otherwise meet the RCMP criteria for the issuance of an Amber Alert for adolescents. Your petitioners respectfully request that the Honourable House urge the government to effect this change and take such action as may be deemed appropriate.
