Winstrol 50 MG is one of the most popular steroid preparations. This drug is produced by the well-known company Dragon Pharmaceuticals. It is based on the active substance - Stanozolol. As a rule, Winstrol is recommended for athletes to increase strength and endurance, so this drug is in great demand among powerlifters and athletes. Winstrol tablets - classic anabolic steroid with Stanozolol as the active substance. The drug became popular among athletes due to a significant increase in lean body muscle mass without fat, and improving bone calcium supply.

known as stanozolol) is an artificial anabolic steroid. It is used to treat hereditary angioedema, which
causes swelling of the face, extremities, bowel wall, genitals and throat. It has also been demonstrated to
effectively treat anaemia due to its ability to increase the body's production of red blood cells.
