

Karibu **Tanzania.**

INTRODUCTION

A herd of wildebeest is captured in motion, running through a dusty savanna landscape. The animals are in various stages of a gallop, kicking up a cloud of dust that partially obscures the background. The foreground shows the dark, shaggy coats and curved horns of the wildebeest. The background is a hazy, sunlit plain with sparse, dry vegetation.

Upcountry Adventure is a first-rate safari tour operator based in Arusha, Tanzania. We understand that when you travel a great distance to East Africa, you are embarking on a once-in-a-lifetime journey, and it is our goal to ensure that you return home with overwhelming appreciation of all that this country has to offer.

At Upcountry Adventure, we truly appreciate the value of quality customer service, and we strive to make every aspect of your trip as immaculate and unforgettable as possible. From tailoring the small details of your safari, to the seamless operations on the ground, Upcountry Safaris delivers a personalized and exceptional travel experience.

OUR VALUES

With integrity and understanding, we embrace our responsibility to co-create a world where each of us, our communities, and our planet can flourish. All the while, we celebrate the sheer love of travel and showing how travel, when done right, can break down barriers.

WHY CHOOSING US

Your safari journey crafted by safari specialists and delivered with a high level of knowledge and guiding is what continues to set Upcountry Safaris apart/unique. Driven by a unified love and passion for East Africa, Upcountry Safaris will turn your safari dreams and expectations into an entrancing reality.

OUR TEAM

Mr. Josephat Mshana
Founder and Managing Director

Mr. Josephat Mshana is the founder of Upcountry Adventure and now holds the pivotal position of Managing Director of the company. Mr. Mshana, a visionary and strategic planner, has over 10 years of hands-on experience in planning, establishing, directing, and evaluating social and community related projects. His areas of expertise include community services, social work and project management.

Behind the founding of this company is Mr Mshana's irresistible passion for tourism and incredible experience in the travel industry. He has worked for several years as a freelance guide, volunteer and visitor in different tourist destinations in Tanzania. His accomplishments include recruiting and training high performance teams in the community and Upcountry Adventure, under his stewardship, will surely grow leaps and bounds in the coming years.

Dr. Mansweat Masinda
Operational Manager

An Iraqw of mbulu, born in a village situated in the fringes of verdant Manyara, Dr. Masinda's love for flora and fauna is understandable. He teaches tourism at UDOM, he has a doctorate in tourism management, and is thorough with the landscape of Manyara-Ngorongoro regions.

Dr Masinda is an adorable academician, an insightful scholar with enormous vision and knowledge of tourism industry. His down-to-earth approach to people around him, his ability to get work done, done perfectly, appreciating all and appreciated by everybody, his experience in soft skills, is making day-to-day activities of upcountry Adventure adorable.

Mr. Bahati Kidiri
Expert Tour Guide/Driver

A young and energetic Masai, was born and raised in Ngorongoro Crater rim, the world well-known heritage site and most visited destination in Tanzania. He is an ardent adventure-seeker with outstanding navigational skills. Ngorongoro Conservation Area Authority mentored him, and his long experience in the wide and wild national parks has endowed Mr. Kidiri with a remarkable breadth of skills and he moves easily between different attractions that make him the perfect host and an expert

Mr. John Mollel
Ranger Guide

Born and raised in Masai land escarpment, Mr Mollel has 10 years of driving experience with bush to bush familiarity. Mr. Mollel is a mixture of tradition and modernity, who, after long years of herding cattle, joined formal education in which he majored tour guiding and gained a certificate and a fully fledged tour guiding license. Mr Mollel has an outgoing and friendly personality and treats all people with decency and dignity. He likes guiding travelers, helping them experience our Tanzanian resources and lifestyle.

Mr. Grayson Bryson
Multilingual Guide/Driver

He is fluent in French with more than 15 years of experience in guiding and driving. Mr Bryson is a knowledgeable and motivated person with experience in organizing and leading group tours in several areas. He can motivate with ease different sets of audience, communicate effectively with tourists, and possesses high degree of energy and enthusiasm. He has a great passion and ache for nature and environment. With him, visitors are ensured of utmost courtesy and care.

Mount Kilimanjaro

With a height of 5895 meters (19340 ft) Mt. Kilimanjaro is the highest mountain in Africa and the highest free-standing mountain in the world (i.e. it's standing there all by itself in a plain, it's not one peak of many in a mountain range.)

Cultural Tourism

(Community-based tourism)

This package involves visiting indigenous communities of Tanzania. With this you can experience the lifestyle of various communities like Maasai and Hadzabe.

The wildebeest migration

The endless plains of the Serengeti are the setting for one of the world's greatest wildlife events, the wildebeest migration. The Serengeti Migration Safari provides you the opportunity to experience this remarkable, unique event at the time of year when wildebeest are in transit from Tanzania into Kenya.

Northern & Southern Tanzania safaris

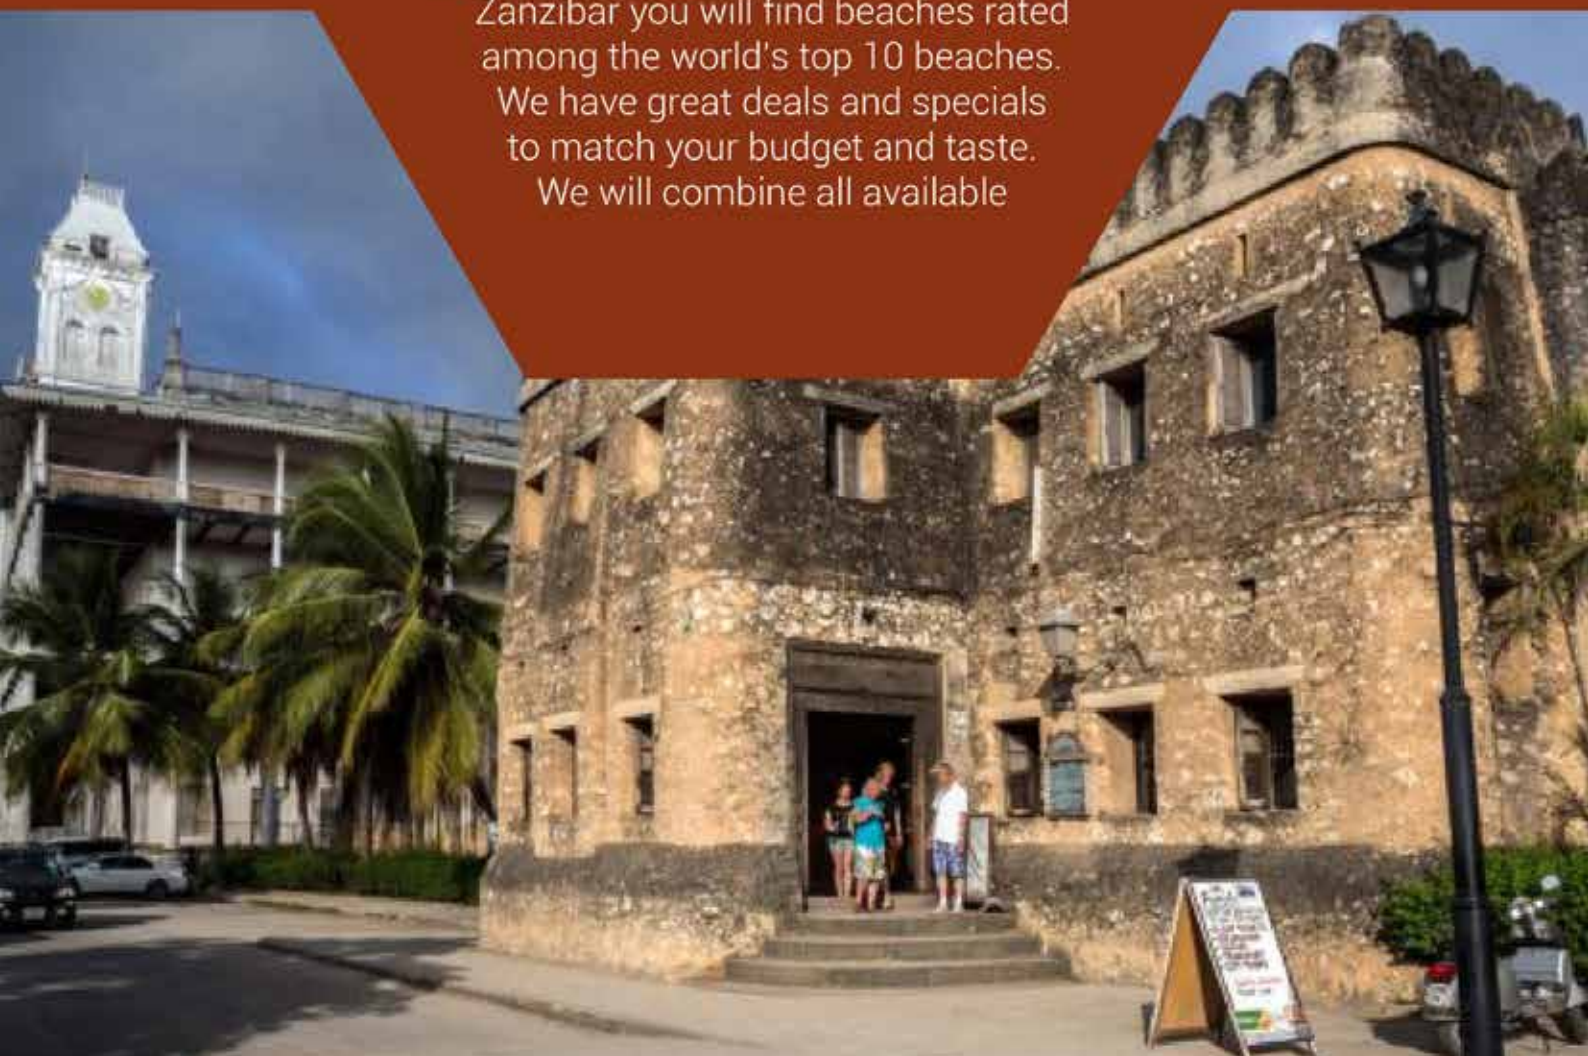

This safari is one of our most popular programs, offering a superb overview of the gems of Tanzania's Northern and Southern Circuit. Enjoy the wildlife and magnificent scenery the areas have to offer, and experience one of the local cultures.
