HUI-A-IWI

Having won our legal case in the Courts, we are preparing to return to the Waitangi Tribunal. To that end, two hui-a-iwi are being held in May to update our people on our land claims, to strengthen our unity and to reconfirm the mandate of Te Rūnanga-ā-Iwi o Ngāti Kahu to progress our claims as follows:

1. To support and progress the application for Binding Recommendations via the Waitangi Tribunal for the compulsory return of all State-owned Enterprise (SoE) and Crown Forest License (CFL) lands, plus compensation for the full value of the trees on all CFL lands;
2. To confirm that Te Rūnanga-ā-Iwi o Ngāti Kahu is the representative body for the whānau, hapū and iwi of Ngāti Kahu.
