Y'all don't understand how challenging this was for me. I had to figure out a routine and be consistent. Not only did I get results, but I feel better. I feel great actually. I have more energy, my face cleared up with my acne, and I can fit into a size Large top and bottoms!!! I lost a total of 3 inches off of my waist, 5 inches off hips, and 4 inches off my thighs. I haven't felt this good in a long time.
