SUMMER FORECAST

This season of fashion is one of the prettiest and most inspiring we've seen in a while. And with a global crisis at hand, it's comforting to know we can still create lovely, covetable edits that make us feel happy and uplifted while still being affordable. Vintage floral prints and bold prints take pride of place, in the form of cropped pants and elegant dresses. Colour continues to shine brightly through, with summery corals, yellows, dusky pinks and whites that are flattering for so many ages and skin tones. And if shoes are your thing, we have a new range of stylish, buttery soft leather shoes in natural hues from Bueno. We hope you enjoy. Stay safe out there.
