HOZIER

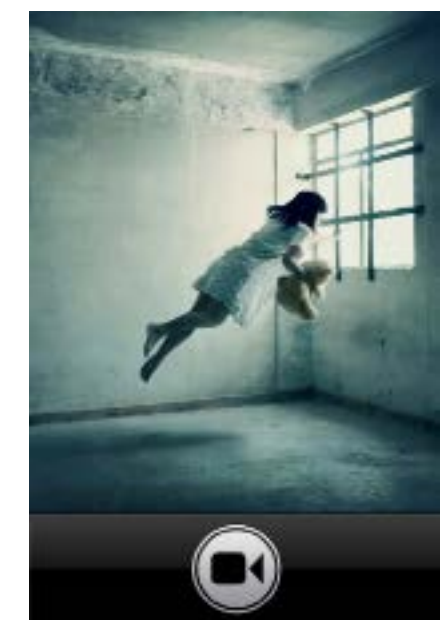

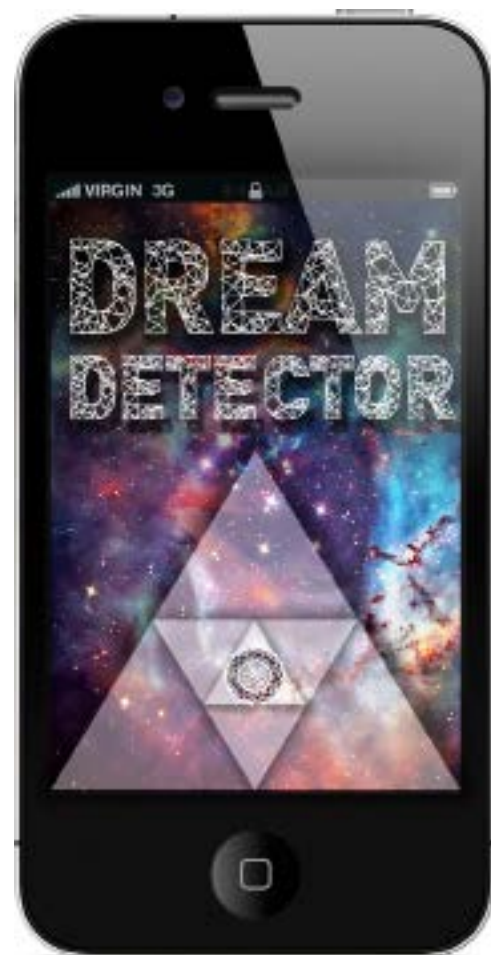

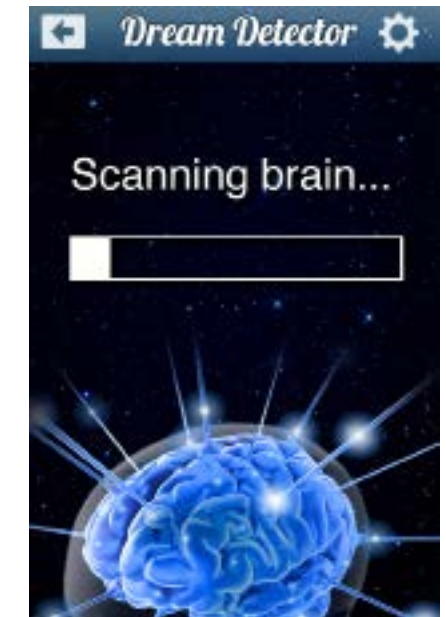

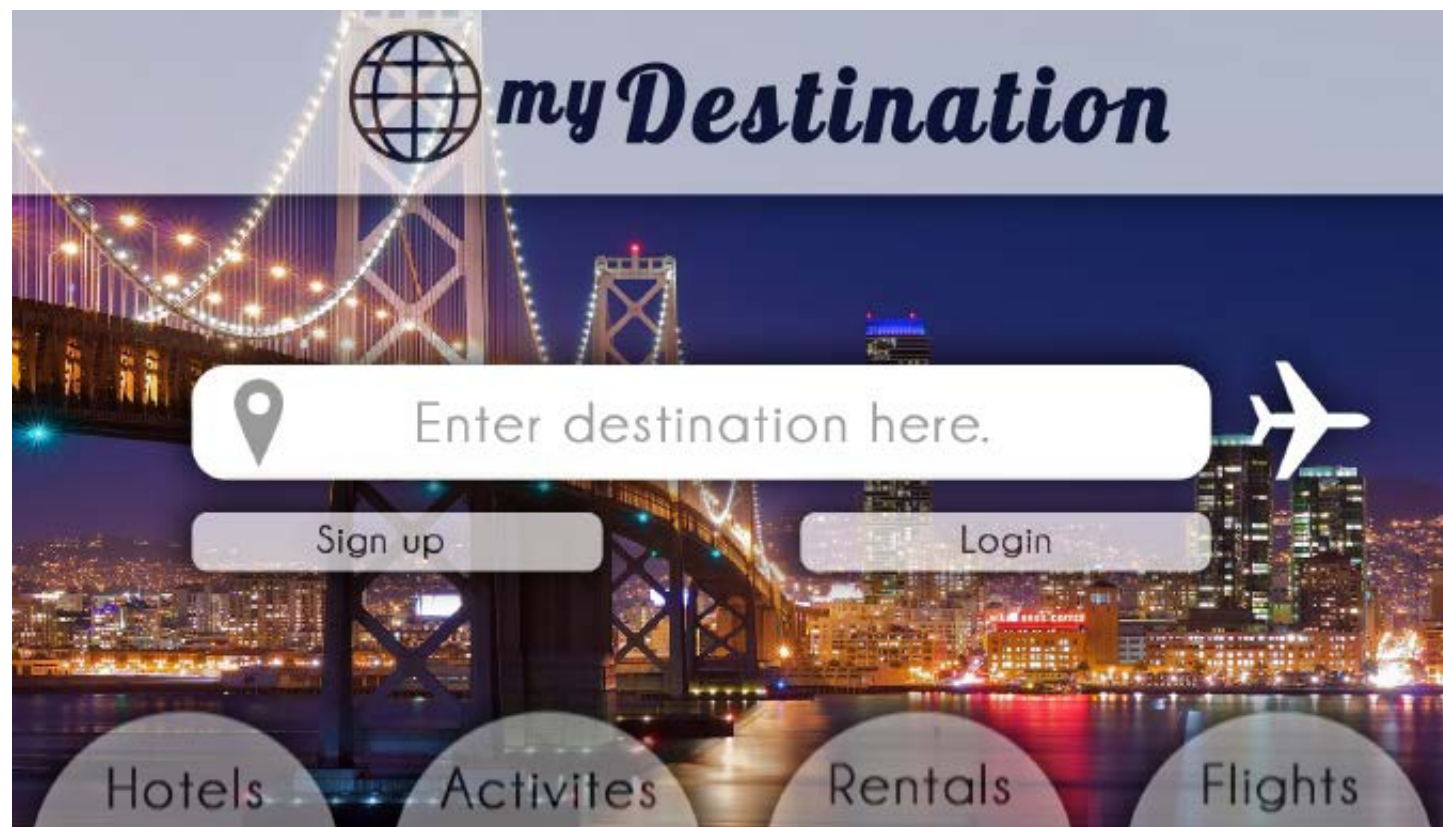

*A story about a*  
**GIRL**  
who found her way.

"We are born to love as we are born to die,  
and between the heartbeats of those two  
great mysteries lies all the tangled  
undergrowth of our tiny lives.  
There is nowhere to go but through.  
And so we walk on, lost, and lost again  
in the mapless wilderness of love."
