Cooper Pharma Limited is a part of the Cooper Pharma Group, which was founded in 1959, by a renowned and visionary pharmacist Dr O.S. Bhargava, in Delhi. As a leading pharmaceutical manufacturing company in India, Cooper has gradually but vastly spread it's reach both internationally & domestically.

□□ Track your progress - there are various ways you can track your progress from taking pictures, measuring yourself, weigh-ins, recording weights lifted as well as how you feel both mentally and physically. Doing this allows you to look back and acknowledge how far you have come, what you've achieved and whether there's anything you'd like to change.
