Good Day member states of The Council of Europe

My name is King Gottwald Peter, reprezent of the Imperium of Diamond's government.

Following the serious events of European organized crime at the level of Most forms of internationally applicable rules of the United Nations, European Union law principles, and national jurisdiction European and foreign countries, this leads to the law to enable resolution of the application process safety strategy, the fight against crime and his punishment, securing justice in accordance with international law related to the United Nations, and in accordance with the UN Charter.

European states as members of the European Union are under international law designation as an illegitimate entity, without the right to use his own political values and sovereignty.

European governments have a duty to cooperate with this document. Governments of countries that will not cooperate with this document must therefore respect international law which is not changeable.

The Council of Europe gains the obligation to create a democratic choice, and communication, to ensure awareness of all members of the Council of Europe Member States, and formations of the Council of Europe. It will be informed Each representative of the European Union Member States and the State Parliament and European Parliament, and national choirs, next awareness is the essence of the obligations of the attached documents in the Interior of the entire document. enclosed documents are created and, for collaborative security and establishing a just act of the process, in accordance with the obligations in the interests of international rules.

Communication document is subsequently submitted to the UN Secretary General.

Thank You for your understanding and good luck in the beginning of your responsibilities in our every day new political relations. I King Peter Gottwald, Reprezent federal government Imperium of Diamonds and simultaneously with this act of representing the association reign as World Diamond International Alliance, form of a composite law common to all subjects sovereignty of governments and states countries around the world. Today, I as king Gottwald Peter, due to a claim of debt values and bankruptcy legitimacy of European states last Acter legal value, remaining therefore be this, as head of states, claiming sovereignty with confirmation of such status under international law, meaning more important a legitimate identity than the rights the constitution of European terrorist state and European Union, into International and State level.

Good Day member states of The Council of Europe

My name is King Gottwald Peter, reprezent of the Imperium of Diamond's government.

Following the serious events of European organized crime at the level of Most forms of internationally applicable rules of the United Nations, European Union law principles, and national jurisdiction European and foreign countries, this leads to the law to enable resolution of the application process safety strategy, the fight against crime and his punishment, securing justice in accordance with international law related to the United Nations, and in accordance with the UN Charter.

European states as members of the European Union are under international law designation as an illegitimate entity, without the right to use his own political values and sovereignty.

European governments have a duty to cooperate with this document. Governments of countries that will not cooperate with this document must therefore respect international law which is not changeable.

The Council of Europe gains the obligation to create a democratic choice, and communication, to ensure awareness of all members of the Council of Europe Member States, and formations of the Council of Europe. It will be informed Each representative of the European Union Member States and the State Parliament and European Parliament, and national choirs, next awareness is the essence of the obligations of the attached documents in the Interior of the entire document. enclosed documents are created and, for collaborative security and establishing a just act of the process, in accordance with the obligations in the interests of international rules.

Communication document is subsequently submitted to the UN Secretary General.

Thank You for your understanding and good luck in the beginning of your responsibilities in our every day new political relations. I King Peter Gottwald, Reprezent federal government Imperium of Diamonds and simultaneously with this act of representing the association reign as World Diamond International Alliance, form of a composite law common to all subjects sovereignty of governments and states countries around the world. Today, I as king Gottwald Peter, due to a claim of debt values and bankruptcy legitimacy of European states last Acter legal value, remaining therefore be this, as head of states, claiming sovereignty with confirmation of such status under international law, meaning more important a legitimate identity than the rights the constitution of European terrorist state and European Union, into International and State level.
