For more information, please contact the elementary school principal at [es.principal@asu.edu.mn](mailto:es.principal@asu.edu.mn) or Student Services at [es.studentservices@asu.edu.mn](mailto:es.studentservices@asu.edu.mn).

### **English as a Second Language (ESL)**

ASU Elementary has an ESL program for grades 1-5. We prepare students for living and learning in English-speaking environments. Students are provided with opportunities throughout their program to apply their learning to real-life situations. All ASU teachers work together to support ESL students and to help them integrate successfully into the academic and social life of the school.

The purpose of the English as a Second Language Program (ESL) is to provide students with language learning opportunities to ensure that they develop the level of proficiency in English required for success.

### **Resource Program**

ASU also provides a Resource teacher who conducts assessments and provides intervention, working with individual students or small groups to help students build skills and address difficulties in the areas of academics and behavior.

## After School Activities (ASAs)

A rich collection of activities provides opportunities for students to develop leadership skills, build a sense of community, recognize and respect differences, pursue specific interests and have fun.

The school offers a wide range of physical, recreational and artistic activities ensuring students can discover their potential, explore their interests and develop their sportsmanship, teamwork and fair play. The program offers a variety of interests, to ensure that all students have the opportunity to participate.

- Activities occur after school every Monday and Wednesday
- Activities take place in September-December for the 1<sup>st</sup> term and in February-May for the 2<sup>nd</sup> term.
- Activities vary each year
- For more information, please contact Student Services.
- ASU offerings may include:
