- There is only one **COSMIC CENTRAL SUN**. On the other hand, there are an infinite number of **GALACTIC CENTRAL SUNS**, with each galaxy in the universe having its own at its centre.

Visual aids

These visual aids follow the different stages of meditation.

They have been created as a starting point to nourish the imagination

and multiply the power of visualisation and intention.

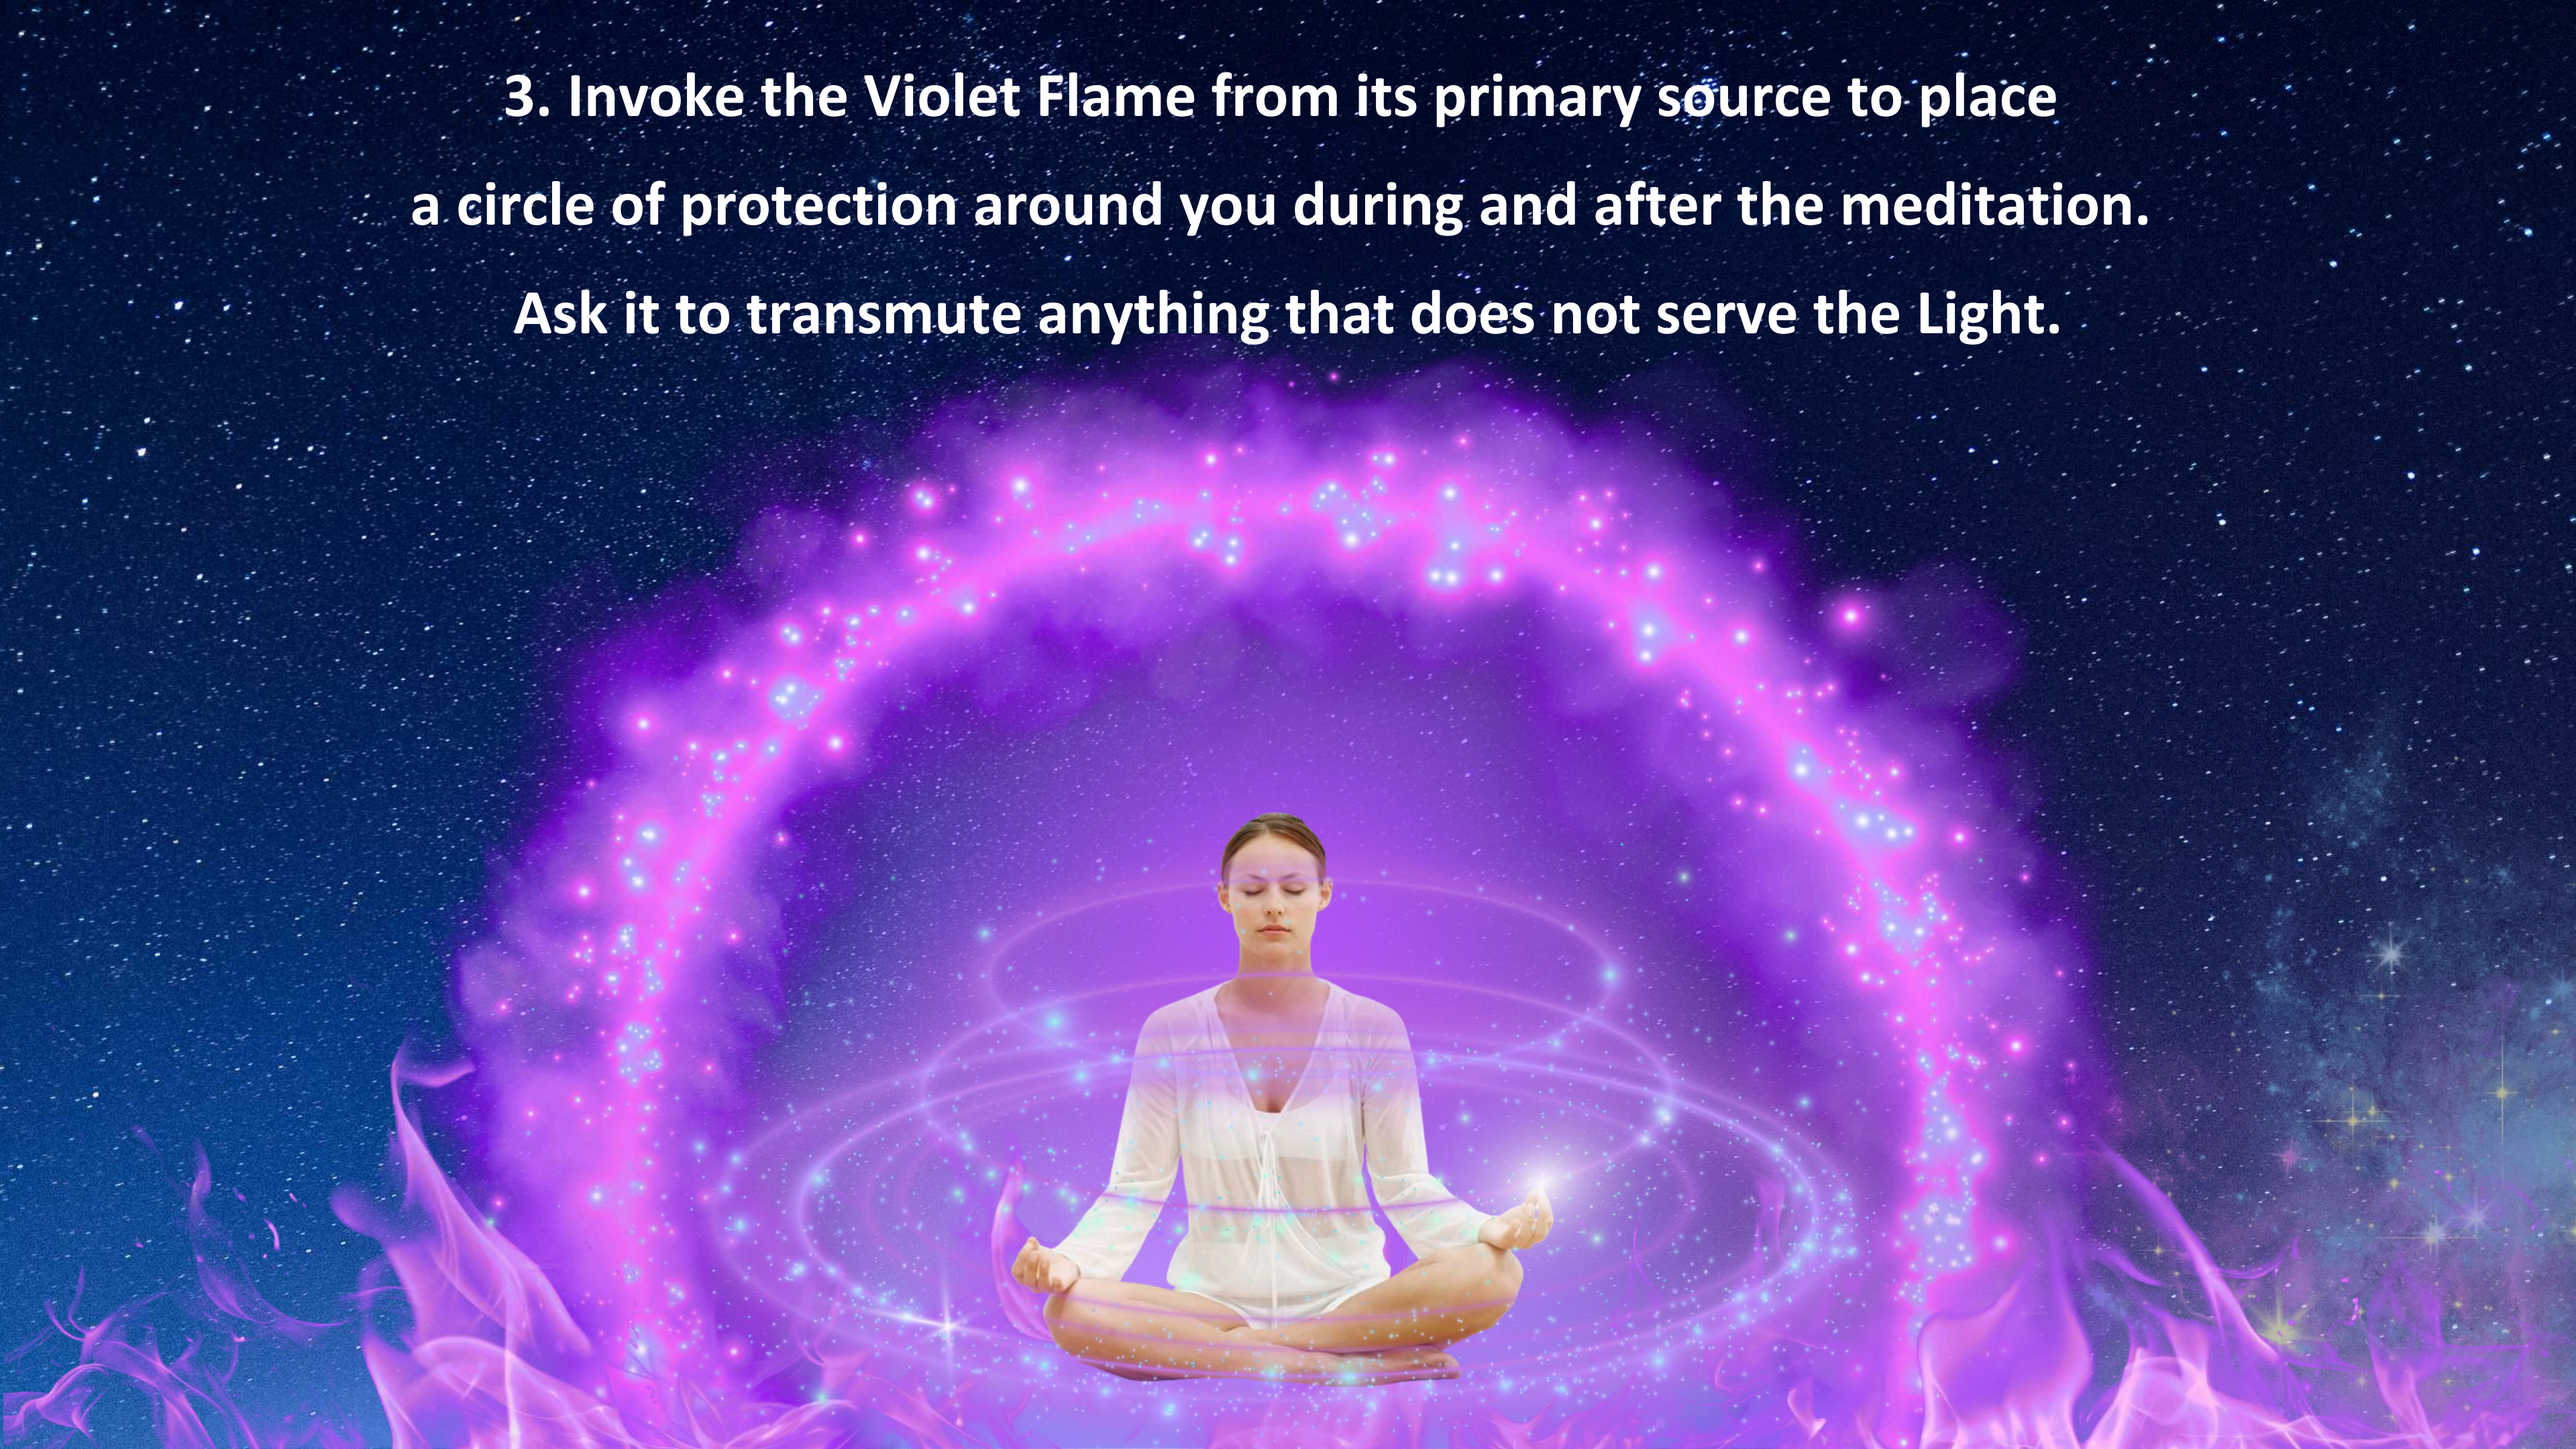

1. Use your own technique to bring you to a relaxed state of consciousness.

2. State your intent to use this meditation as a tool to assist in the 12:21 Ascension Portal activation.

3. Invoke the Violet Flame from its primary source to place a circle of protection around you during and after the meditation. Ask it to transmute anything that does not serve the Light.

4. Visualize a wave of white, pink, blue and golden Light and Love
emanating from the Cosmic Central Sun...

4. ...then being distributed to Central Suns of all galaxies in this universe,

activating M 87 galaxy and its field of cosmic Love.

4. ...Then visualize this Light and Love entering through the Galactic Central Sun, then going through our Galaxy through all star systems...

4. ...especially the Pleiades, activating its field of galactic Love...

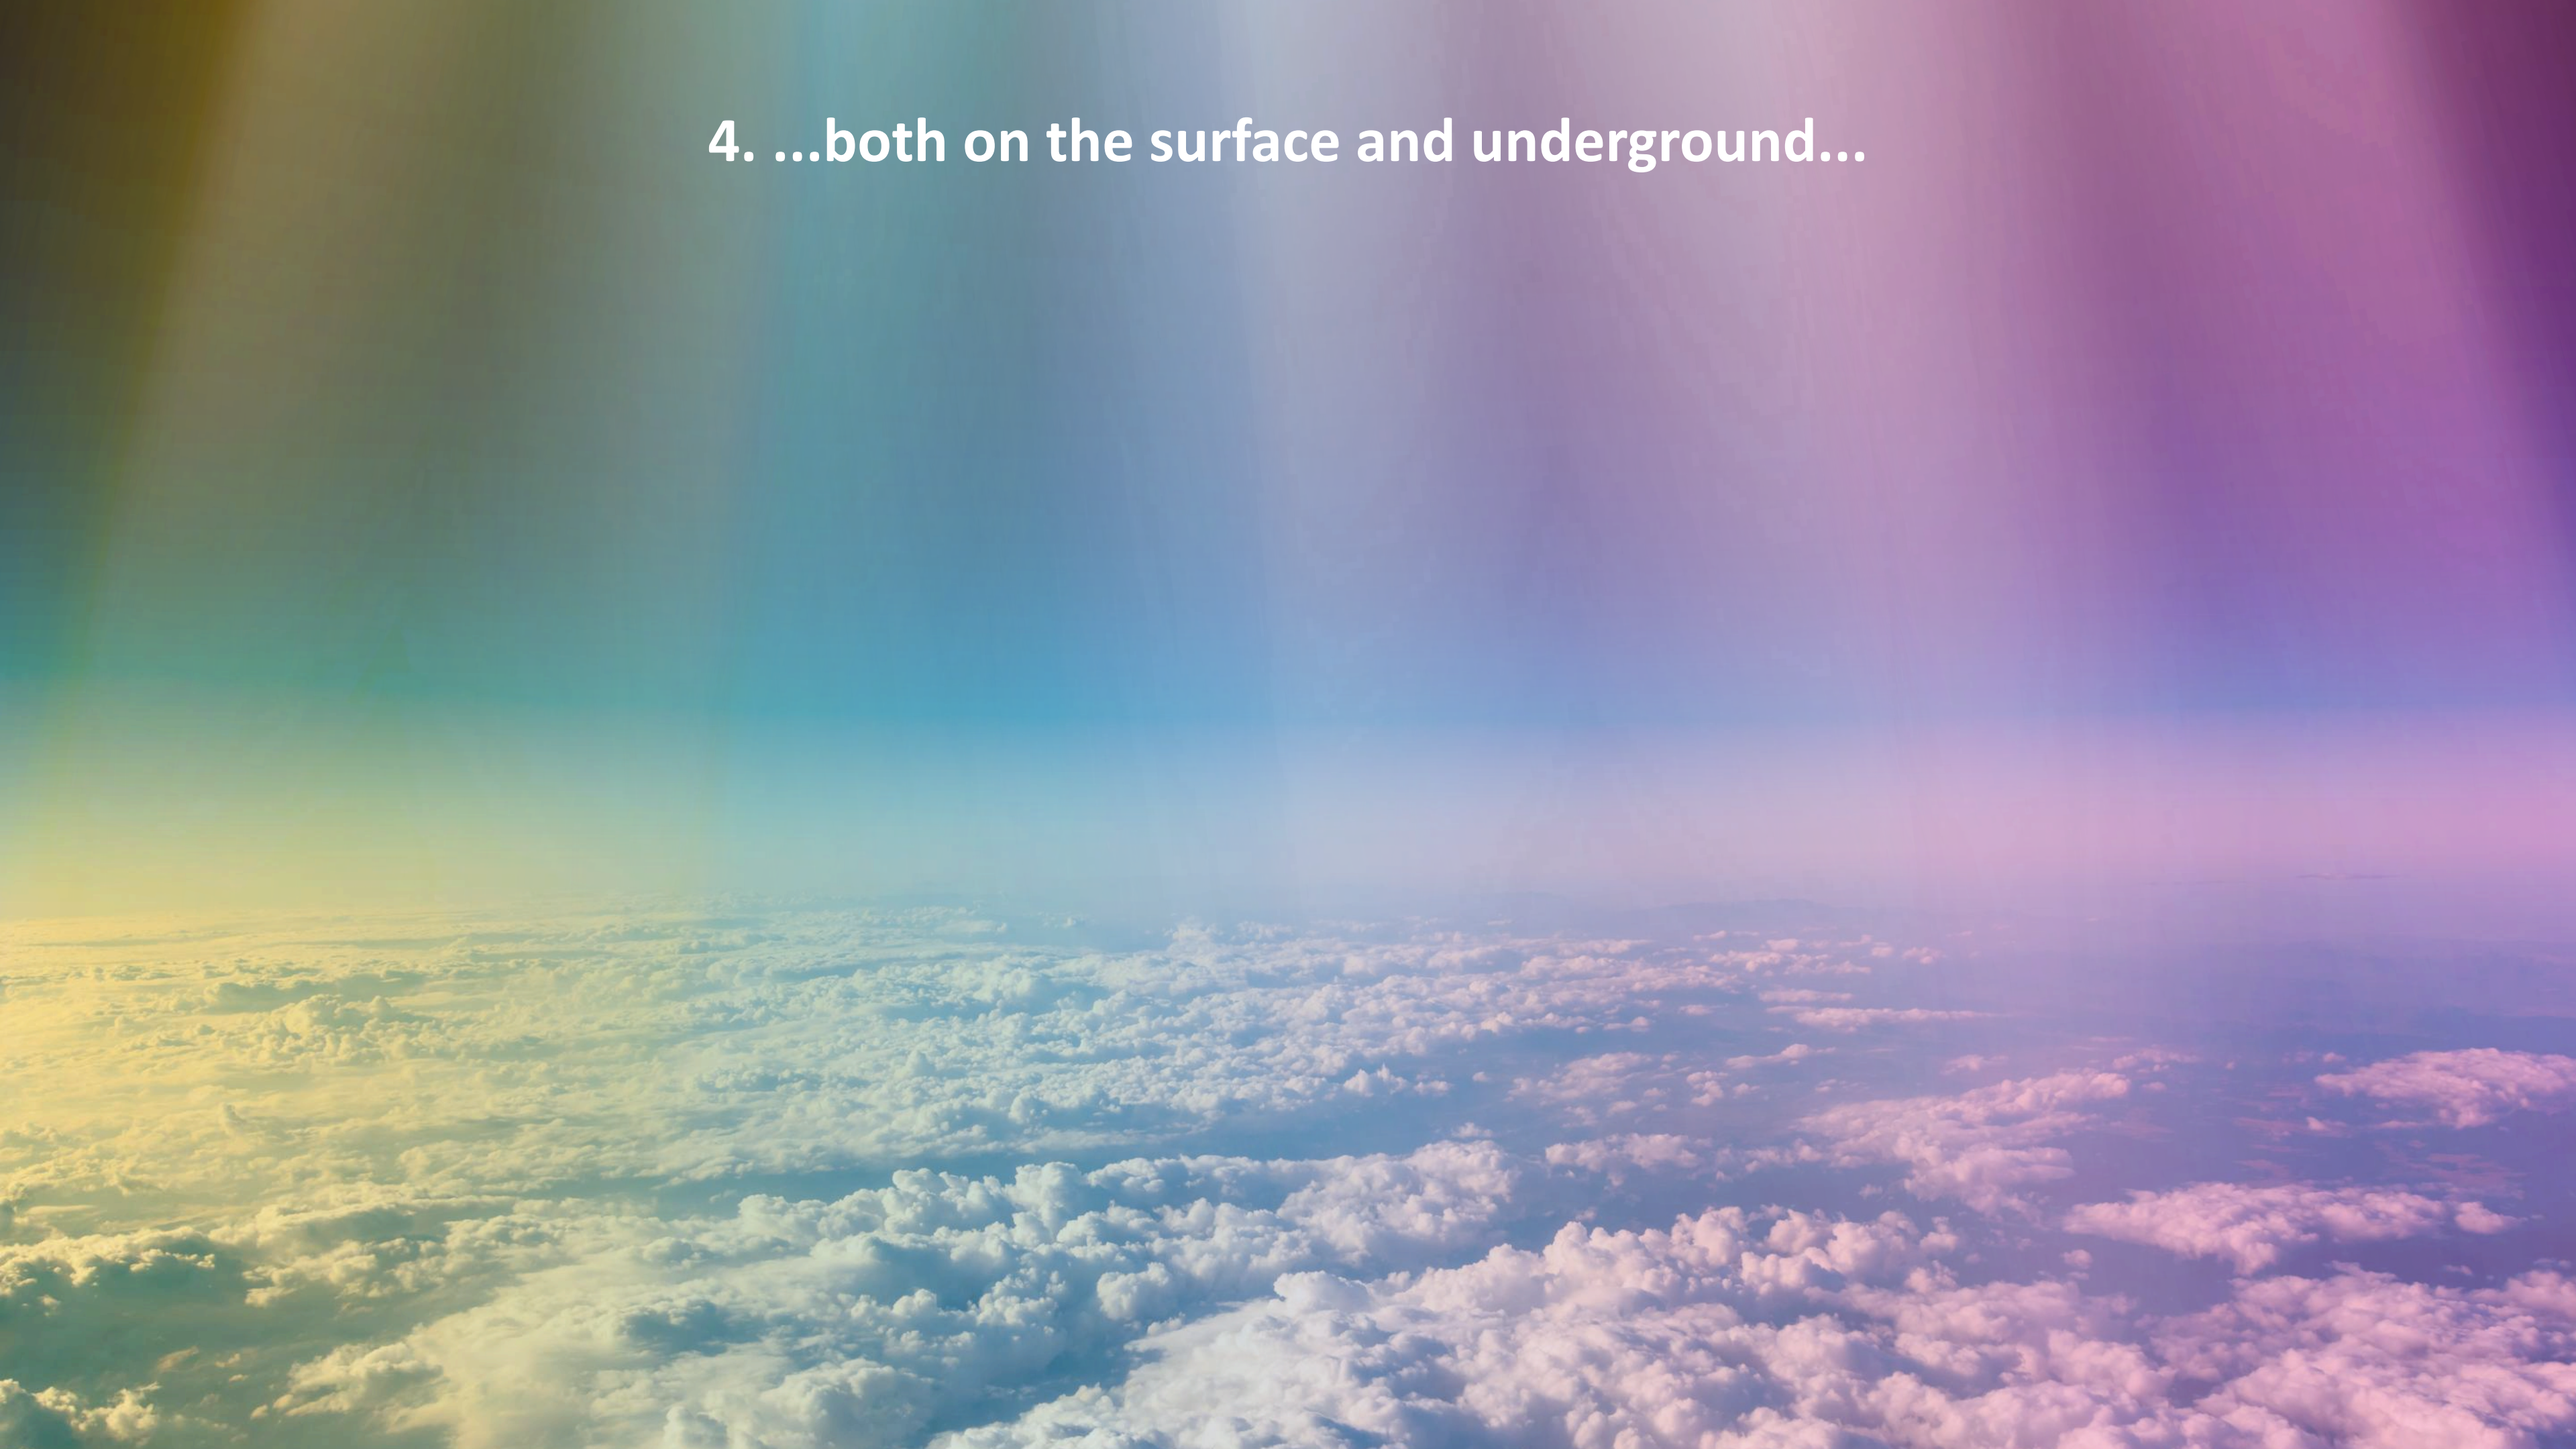

4. ...then entering our Solar System through Sedna, Pluto, Neptune and Uranus and going through all beings of Light inside our Solar System...

4. ...and then through all beings on planet Earth...

4. ...both on the surface and underground...

4. ...and also through your body

to the center of the Earth.

5. Visualize the course of events on planet Earth shifting into the most positive timeline possible, shifting away from all suffering, away from all wars, away from all global domination.

5. ...Visualize white, pink, blue and golden Light and Love healing all inequalities, erasing all poverty and bringing abundance to all humanity.

5. ...Visualize a grand spiritual awakening of humanity and birth of a New Renaissance.

Visualize a new grand cosmic cycle of the Age of Aquarius beginning,

bringing pure Light, Love and Happiness to all beings on Earth.
