

At a half-an-inch hair length our doctors **guarantee** nobody will see a hair transplantation scar. The only instance where someone would be able to detect a hair transplant scar even if your head is shaved. Talk with a hair transplant surgery doctor FREE of charge: Natural Transplants, Hair Restoration Clinic Toll Free 844-327-4247 or visit <https://naturaltransplants.com/>

Our Hair Doctors do NOT recommend or even perform FUE Hair Transplants at our hair clinics. Learn why by calling us on (844) 327-HAIR and speak with a hair transplant specialist. You will be happy to hear that we are not into high pressure sales techniques. We don't need high pressure sales people as our work speaks for us and the before and after hair transplant results are outstanding. You'd probably like to know what the cost of a hair transplant?

Here at Natural Transplants, you'll find the reason we have such happy patients is because of our patient-focused hair transplant surgery philosophy. Not only do we [Florida Hairline Restoration](#) believe in building honest relationships, we approach hair transplant surgery by focusing on three specific factors: our implant techniques, patient care during hair loss treatment and competitive hair transplant costs. We believe that the process of hair loss treatment should be simple and easy-to-conceptualize while yielding world-class hair transplant surgery results with our High-Yield Unit Extraction® Method limiting the hair transplantation scar.

If you are looking for a fuller, natural looking head of hair that will make you look and feel better, don't be concerned about the hair transplant costs. If you are considering a permanent hair loss solution and are worried about the cost of a hair transplant then relax as Natural Transplants has convenient and affordable hair transplant payment options.

On our website you will see many results photos of actual patients them before and after hair transplants by Dr. Huebner. You can also watch our many YouTube Videos including comments from patients, interviews, doctors procedures, what to expect before and after your hair transplant. You'll like the results that Dr. Huebner will create for you - a great hair transplant!

How Much Does A Great Hair Transplant Cost? When factoring in the cost of a hair restoration procedure, you should recognize that the number of hairs transplanted by our doctors in one session might take other doctors multiple sessions to achieve.

Our pricing is patient-specific but generally ranges from \$6,000 to \$15,000. All costs are fully disclosed in advance and will never change. There are never any added costs or hidden costs. No surprises. There is never a charge for follow-up visits or prescriptions, and we encourage our patients to stop by at any time or if they happen to be close to one of our clinics.

Visit <https://naturaltransplants.com/> or schedule a free consultation with a hair transplant surgeon by calling 305-521-8663 today!

Here is a video with our Dr. Rose addressing traction alopecia hair transplant procedures, results with an actual hair restoration patient of ours. Call us on **(844) 327-4247** to learn how we can restore a natural looking hairline using your own hair!
