Free shuttle buses (from two hours before kick-off until one hour after full-time) will take you in five minutes from the DOC to the stadium and back again after the match. Your entrance ticket at the car park is valid as a free exit ticket.

During public transport operating times, there is also a good connection to Salzburg City Centre (public bus lines 10 or 2).

Public transport

A match ticket is also a valid ticket on Salzburg-Verkehr public transport services in the entire region of Salzburg and Freilassing (S3 line / Salzburg Taxham Europark stop) as well as for all city buses (bus line 1 / Red Bull Arena stop). Valid from six hours before kick-off until the final service of the day. All bus and train connections are included.
