

<https://www.brooklynkolacheco.com/> is a scratchmade bakery specializing in small-batch Texas style kolaches; hand filled and baked fresh daily. We use all natural, often organic, and locally sourced ingredients. Our fillings are handmade without the use of preservatives or artificial sweeteners. Our dough is made with King Arthur flour, local cage-free eggs and fresh Battenkill Valley milk. In addition to kolaches we make cinnamon rolls, orange rolls and vegan/gluten-free energy cookies.

We offer a full espresso and coffee menu featuring Brooklyn roaster, Kitten Coffee, a wide selection of Harney & Sons tea and house-made syrups including ube, chai, salted caramel and ganache.
