### NOTES (Please Read):

The leftmost columns show the most recent information I have about the division (if any) of NCAA sponsorship. (Lafayette is the only fencing school with co-ed classification.)

The above summary does not differentiate between varsity and club programs (or schools with no fencing program at all).

The nationalities of foreign students is shown when known to help in the location of their competitive records.

The information shown is based on what people (often NOT the fencers themselves) have posted on the web or have told me and so may have no basis on reality.

**College ACCEPTANCES do not necessarily indicate the college that the fencer will actually be ATTENDING or even fencing at.**

**College coaches or others who take action based on the information shown here without verifying it do so at their own peril.**

**Any fencers who do NOT want to appear on this report should send me a private message with their names.**

**Any fencers who want their names removed from this report should send me a private message with their names.**

**\* - Will or may defer attending**
