Christine Blasey Ford's connections to the CIA are deep and irrefutable.

KEY POINT: Since when does a responsible person ever lodge such a serious accusation with such grave consequences when none of the most vital facts have even been established or proven? **Blasey Ford's story is so full of holes that only the all-powerful C.I.A. could provide cover for the swiss cheese that it is.** [Christine Blasey Ford's connections to the CIA are deep and irrefutable. You would never know it from her testimony.](#)

She's made comments both in class and in e-mails, if you cross her, you will be on her bad side. I fear to think of the poor clients that had to deal with her while she got her MSW and her LCSW. Absolutely the worst teacher I ever had.</p>

This is an interesting exchange between David Wilcock and Corey Goode on the Event. It is relatively short. I would not get hung up on timelines, as they are always subject to change. Anyway, some of the other stuff is kind of interesting. This is not posted by David Wilcock but appears to be a short excerpt from an Interview David had with Corey. The excerpt might have been taken from GaiaTV which is not free. --MrT.
