Message Title: Removing Barriers to
Practical Faith - James 1:19-27

Questions:

- 1) What is the first barrier of practical faith that James addresses in this passage?

- 2) Define how James views our anger. How is this different from the way we often view our own anger?

- 3) Discuss the illustration of the mirror. How does this relate to the second barrier?

- 4) What is the final barrier and why is it so dangerous?

- 5) Application: How are you going to practice “pure religion” after hearing James’ message to the dispersed, persecuted church?
