Please have a look at our Terms and Conditions.

TERMS AND CONDITIONS

1. INTRODUCTION

- 1.1. The MoneyGram® money transfer service ("Service") is provided by MoneyGram Payment Systems, Inc. ("MoneyGram", "we" or "us") acting through a network of agents, authorised delegates or other permitted entities ("Agents"). These Terms and Conditions along with the Documentation (defined in condition 1.2) used in connection with the Service to which the Terms and Conditions may be included or attached, constitute the entire agreement ("Agreement") between MoneyGram and you, the individual user of the Service ("you").
- 1.2. You must review, fully complete and sign any and all documentation (which may be in paper or electronic form) related to the transfer, including all forms, receipts and acknowledgements (collectively the "Documentation"), in order to confirm that the information contained in the Documentation is full and accurate and in order to be able to use the Service. If you do not, we may not be able to send or allow you to receive the money ("Transfer"). If you are sending a transfer, you must call us if any of the information you provide changes before the recipient ("Receiver") collects the money.
- 1.3. By using or attempting to use the Service in any capacity you are acknowledging that you (i) accept the terms of this Agreement, (ii) have read the Documentation relating to the Transfer and that the information described in the Documentation relating to the Transfer is accurate, and, if you are the Receiver, you additionally acknowledge that (iii) you have received from the Agent the currency and amount described in this Agreement and/or the Documentation. To the extent you desire to exchange the Transfer into a currency other than the currency as described in this Agreement, you further acknowledge and agree that any subsequent exchange of the Transfer is a separate transaction from the Service and is subject to the provisions of condition 7 of this Agreement.

Got it

For your protection... MoneyGram is working to protect you and your family from fraud.

BEFORE YOU SEND MONEY, CONSIDER:
Someone may be trying to steal your money.

If any of the below apply, **DO NOT SEND** the money transfer. Once the money is picked up – which can happen fast – you cannot get a refund, even if someone stole your money through fraud.

- #1** Never transfer money to a stranger.
- #2** Never transfer money for:
 - Internet purchase
 - Online dating
 - Lottery or sweepstakes
 - Employment offer
- #3** Never send money without fully checking out the story.
- #4** Never send money to receive money.
- #5** If it sounds too good to be true, it's probably not.

If a recipient has photo identification and knows information about the transaction and the sender, a reference number or the answer to a test question may not be required to pick up the transaction.
