By the way. If your department or your agents make any reference about me, including my name on Facebook or so much as say my name, I'll sue. If you think I'm one of those that makes idle threats, New York Times, July 12th 2003 you can read about me on the front page there.

If you want. I'm interested in the data. So I would guess that you can FWD this on to the records custodian. If the Sheriff want's to ready it, nothing stopping him from that.

Mr. Sheehan,

I just need to clarify if you are making a request or you just wanted your email forwarded to Sheriff Benedict?

Dear Sheriff,

---Please make available upon inspection any and all documents that will show all of the licensed pets in Clallam County, including license numbers, owner information, and all other pertinent information.---

A plain reading of your Facebook postings, it seems extremely easy to get you to stop requiring persons to have to license their pets, this is an excellent plan.

Sincerely

Bill Sheehan
