Profile

Journalist and gambling expert with 15 years of experience. Worked in 3 casinos: croupier, administrator and SMM-manager. Currently writing for the website aviator-games.org. Kalyan Sawhney is an avid player of the popular

game Aviator. He is also fond of betting on sports and cryptocurrency.

If you are looking for a place to play Aviator, then pay your attention only to certified casinos, such as SportyBet. There users can be sure of the honesty and reliability of the casino. SportyBet provides some of the most favorable conditions for playing Aviator Spribe. This casino is popular all over the world, especially in Ghana, Nigeria, Kenya, Zambia and other African countries. The company operates under an official license, complies with internal rules and state laws. You can play Aviator slot machine on the website or in the app and still count on generous and fast payouts. To start playing, you need to register and make a deposit. Then just enjoy the game.

How to play Aviator on SportyBet?

Once you have created your SportyBet account and deposited your funds you will be able to play Aviator. Aviator is a crash game, where the winning depends on how long the plane flies. The longer the plane flies the more you win. It is very exciting and interesting, because the rules are very simple and winnings can be much larger than in conventional slot machines. Over the past year several hundred thousand people have joined the game
