

Oxydrol oxymetholone 50 mg

→ [VISIT OUR SHOP](#) ←

Oxydrol (Oxymetholone) 50mg 100tabs, British Dragon — is recognized as an effective medication that promotes appetite, strength gain, weight gain, & increases the number of red blood cells in the body

Variante très intéressante de l'overhead press. En unilatéral debout avec une haltère (avec une pause en bas). Je compte l'instaurer dans mon programme après le confinement. J'insiste sur le fait d'être debout durant l'exécution de l'exercice. Comme son grand frère OHP cette exercice est terrible pour les deltoïdes

Long run! 14k
