Welcome to the Bar-Lynn Stables Annual Fall Production Sale!

This is our 9th production sale at HLS and we are very excited to bring another great group of horses to town. We have a strong foal crop this year that offers strong conformation, dispositions and pedigrees. We also have a small offering of older prospects with varying levels of training. We are welcoming back Flying S Ranch, CnD Ranch and Shane Jensen with guest consignments as well. The contact information for each of the consignors can be found with their horse information. Please feel free to contact any of our sellers if you would like more information or pictures on any of their horses!

The sale will be held at Heartland Livestock Sales in Yorkton, SK. and will begin at 5pm (SK time). If you are interested in our horses, but are unable to attend the sale—please contact us in advance. We do our best to have the horses to the stockyards early to allow you to view them and we hope you will stop by to say hello!

Once again, thank-you for taking interest in our horses. We are proud of the high quality horses that we raise. If you have any further questions, please contact Lynn or Katie-Jo with Bar-Lynn Stables.
