What is WP Commission Machine?

Amazon, Ebay and AliExpress are the 3 BIGGEST Ecommerce sites in the world. More than 70% online buyers end up buying something from one of these 3 sources.

WP Commission Machine sets up instant affiliate stores that you can launch in under 60 seconds and earn passive commissions from all 3 sites.

The software can auto import 1000s of products in ONE CLICK and make product keywords rank easily with long tail keywords for easy organic SEO traffic. It will automatically fetch all images, videos related to the products and create affiliate links across all products for you.
