Common Law Grand Jury Rules

ENFORCED JUDICIAL ORDER: All current sheriffs will be removed from the proceeding (sgt., et. all) and replaced by Continental sheriffs only, returning plenary jurisdiction to the common united states. This is now ordered before any trial begins.

APPLICABLE LAW

The government must accept the Magna Carta as common law if pleaded as such.

Basic requirements and procedures for a common law grand jury:

Source: Magna Carta, Articles 52 & 61

www.1215.org/lawnotes/lawnotes/magna.htm#52 www.1215.org/lawnotes/lawnotes/magna.htm#61

HOW CONSTITUTED

Grand jury members must be elected by the [people](#) (not citizens) of the jurisdiction in which they are operating.

There are no rules defining a procedure for how they are elected. The people, without the influence of government, decide for themselves how the grand jury members are elected. There must be 25 members.

QUALIFICATIONS

The members must be "people" of the jurisdiction and not "citizens" of the jurisdiction.

For example, they must be "People of the United States," or "People of California," or "People of the State of California"; not "citizen of the United States," nor "citizen of California," nor "citizen of the State of California." www.1215.org/lawnotes/lawnotes/pvc.htm <http://www.1215.org/lawnotes/lawnotes/sovrein.htm>

Each member must be sworn in and promise to observe all of these rules and, so far as within his power, cause all the rules to be observed.

QUORUM

When the grand jury meets, if any are absent after being summoned, then those present constitute a quorum.

All decisions of grand jury are decided by majority vote of members present.

If any member dies or leaves the country, or in any other way is prevented from carrying out the grand jury's decisions, the remaining grand jurors shall choose another to fill his place and he shall likewise be sworn in.

FINALITY OF DECISIONS

No decision of a grand jury is reviewable in any court of the government.

JURISDICTION

Any government transgression against anyone in any respect

Any government breaking of articles of peace or security

Any dispute regarding anyone who has been diseased or removed, by the government without a legal sentence of his peers, from his lands, castles, liberties or lawful right.

PROCEDURE I

Dispute Settlement

If the grand jury is informed of any dispute regarding anyone who has been disseized or removed (by the government without a legal sentence of his peers) from his lands, castles, liberties or lawful right, then the dispute shall be settled by the grand jury.

PROCEDURE II

Enforcement

Four of the members must be shown that because of the government,

A. A transgression has occurred against any one in any respect, or

B. Some one of the articles of peace or security has been broken

The four members must show to the government the government's error.

The four members must ask the government to amend that error without delay.

If the government does not amend the error within 40 days after being shown the error, then the four members shall refer the matter to the remainder of the grand jury.

The grand jury may distrain and oppress the government in every way in their power, namely, by taking the homes, lands, possessions, and any way else they can until amends shall have been made according to the sole judgment of the grand jury.

LIMITATION OF POWERS

The grand jury may not imprison or execute any government personnel or their children.

PUBLIC SUPPORT

Anyone (people or citizen) who chooses to help enforce the grand jury decision must first swear that he will obey the mandates of the grand jury, and that with them to the extent of his power he will impose the grand jury's decisions upon the government.

The authority to support the grand jury is pre-authorized by the government.

If anyone refuses to support a grand jury decision, the government will force him to swear his support of the grand jury.

LIMITATIONS ON GOVERNMENT

The government is **prohibited** from doing anything to diminish the effect of the grand jury.

If the government does prohibit or diminish the effectiveness of the grand jury, it shall be vain and invalid and may not be used in any later proceeding by the government or anyone else.

TERMINATION OF ENFORCEMENT

When all issues are settled to the satisfaction of the grand jury, things shall return to normal as they were before. No grudges.

BACKGROUND

When the colonies separated from England, King John retaliated by revoking the charters. Technically, the colonies were without any legal authority to operate. However, civics (the branch of political philosophy concerned with individual rights) was generally taught and known by the people who asserted their rights and maintained order by applying the common law. The people united in the form of common law grand juries and continued the functioning of government.

As the legislatures matured they slowly increased governmental power while simultaneously reducing personal sovereign power. This was done through a combination of passing pro-government legislation and reducing or eliminating education about civics. Today, two and a quarter centuries later, hardly anyone even knows the meaning of the word, "civics."

The common law grand jury is now dormant only because of the public ignorance of its powers that supersede all other government entities, including the modern statutorily defined grand jury. Awakening the grand jury will not be graciously accepted by the government.

A strategy is needed to reintroduce this fundamental protection against tyranny and injustice.

STEP 1 - ESTABLISH LEGITIMACY

The first step is to get public acceptance. Every dictator in history understood the power of the people and cultivated their support either through enticements or threats. Reactivating the grand jury concept will go through four traditional stages: denial, ridicule, violent opposition, then self-evident acceptance.

Theoretically, the grand jury can meet anywhere, anytime. But that is hardly good image. One way to get public acceptance and minimize denial, ridicule, and violent opposition, is to hold the grand jury sessions in the public court house. The foreman could apply to a court administrator for use of one of the rooms in the public courthouse. If it is refused, then the court administrator should, under common law procedures, be sued for his dereliction of duty.

The grand jury should follow normal protocol. In other words, if the grand jury begins a process on its own, the resulting accusation is called a *presentment*. If a prosecutor originates a process, then the jury returns to the prosecutor an *indictment* (also called a "true bill") on acceptance, or a "no bill" on denial. [Note: be careful with your words. wrong words may result in inaction! If you call the presentment an indictment, the prosecutor may feel no obligation because he did not initiate the process!]

STEP 2 - GAIN PUBLIC ACCEPTANCE

The second step is to start small. The grand jury could take on issues which anyone can easily see should be prosecuted. As public acceptance increases, the grand jury can enlarge its field of inquiry. The grand jury should have a strong public relations program for this step.

STEP 3 - TAKE ON LARGER PROJECTS

The third step is to take on grander objectives. If the first two steps are well executed, then this step will be the easiest. With both legitimacy and acceptance established the grand jury can make itself felt.

See [United States v. Williams](#), 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352 (1992) for a discussion of separation of powers of government and grand jury.

INTERNATIONAL COMMERCIAL LIEN

(This is a verified plain statement of fact)

Date: OCTOBER 15, 2015

Maxims:

1. All men and women know that the foundation of law and commerce exists in the telling of the truth, and nothing but the truth.

2. Truth, as a valid statement of reality, is sovereign in commerce.

3. An un rebutted affidavit stands as truth in commerce.

4. An un rebutted affidavit is acted upon as the judgment in commerce.

5. Guaranteed- All men shall have a remedy by the due course of law. If a remedy does not exist, or if the remedy has been subverted, then one may create a remedy for themselves - and endow it with credibility by expressing it in their affidavit.

6. Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.

7. All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments cannot exercise the power to expunge commercial processes.

16. A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.

17. Governments cannot make unbounded rulings or statutes which control commerce, free-enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.

18. It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully, outside of or without the Court.

19. An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.

20. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor – and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.

21. It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a Commercial Lien.

22. Notice to agent is notice to principal; notice to principal is notice to agent.

23. **PUBLIC HAZARD BONDING OF CORPORATE AGENT:** All officials are required by Federal, State and Municipal Law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond and if required, a copy of the policy describing the bonding coverage of their specific job performance.

MEMORANDUM FOR ORDER ON THE FORMAL PROSECUTION OF RACKETEERING, MONEY
LAUNDERING AND THE TRAFFICKING OF MINORS IN REGARD TO HUMAN TRAFFICKING

Hon. John Dan Kemp,
September 9, 2018

The allegations in relation to premeditated R.I.C.O. acts taken under **18 U.S.C. §1961** by the accused defendant, are serious enough as to warrant another superseding indictment. These were as your honors must note, conducted by individuals known to be operating in concert with each other in a manner that is treacherous and insidious. These acts were committed in addition to the violations seen with **Uranium 1**. In the first instance, we charge that the accused defendant **KEVIN SPACEY**; in private as **Kevin Spacey** has violated specific R.I.C.O laws under **18 U.S.C. §1961** in a want on fashion that is beyond contempt. He has done so without regard to the consequences; or feelings toward the victims adversely affected by those same reckless actions. In point of fact, we can remark that his conduct has been so outrageous your honor that a new distinction has now been reached. The ways he has violated the public trust are beyond reprehensible: he has besmirched law.

As such, we are recommending stiff penalties against the defendant which will in some small form make up for the massive damages incurred by outside parties. Thousands of victims have been affected by this person's outrageous criminal acts, and under such loose guidelines we see little recourse except to push for harsher punishment. We are thus

recommending **KEVIN SPACEY** be charged with violating several national decency laws as a result of those actions. This shall include the crime of money laundering for both the public and private venues. As your honors will take note of, the more serious offense is human trafficking. We are charging that Kevin Spacey under the enterprise known as **KEVIN SPACEY**, knew full well the illegal acts he engaged in. In that respect, these actions stand even more egregious.

Count 1] We charge **KEVIN SPACEY** in his private capacity as **Kevin Spacey**, has broken **18 U.S.C §1956** more than 3 separate times. As your honors will note, the crime of money laundering is especially egregious for public officials. Someone the notoriety of **KEVIN SPACEY** who is always in a nation's spotlight, knew full well the hideous nature of his crimes given many roles he has played in films or politics. A leader in the public eye is required to set a better example for the people they share residency with. Kevin Spacey better known as **KEVIN SPACEY** did none of the above. Indeed your honors, the evidence will even suggest he proudly broke this law to spite his followers. Instead of acting with a higher form of candor, he did the precise opposite and as a result defiled many victims in the process.

Specifically, we point out for your honors that the accused party did operate in a manner that is unlawful, shameful and despicable in his office or the public at large. He did engage in a quid-quo pro agreement with the aid of the prior existing **KEVIN SPACEY FOUNDATION** and one individual named **DAVID SIDOO** of the **SIDOO** linked charities and non-profit run by **David** and **Manji Sidoo** in private. **David Sidoo** is now named on legal record as an unindicted co-conspirator in the first instance, with a second superseding indictment which will cover each deliberate act. In so doing, the acting sergeant is ordered to take special note of his deliberate hiding of the money laundering, by personally escorting the suspect to the foyer to answer each charge. He will do so whether under duress or not, and it will be understood with notes taken that additional charges are being levied right now.

Count 2] We charge **Kevin Spacey** with breaking **18 U.S.C §1961** of the RICO Racketeering act. This act is specifically held for serial offenders and those who demonstrate a wanton disregard for the "rule of law" in the carrying out of their duties. The UCMJ regards such actions with

insipid disdain. We concur your honors, with the uniform statements of a Grand Jury that all actions these individuals took do cross that threshold. They exceed those limits by factor of one million to one.

Kevin Spacey, The Clinton Foundation

There are only two days left to take advantage of President Clinton's generous offer to match every dollar you give with one of his own – so please, don't miss this opportunity.

You can give people, families, and even entire communities the ability to change their lives and build a more promising future. I urge you, make your gift today.

Having seen the Foundation's impact firsthand, I promise you this is an investment you will never regret. I know I haven't.

Kevin Spacey in private capacity under the public identity **KEVIN SPACEY**, is to be ushered to the podium in front of the Grand Jury under duress to face the second charge before those who hold these mobsters in contempt. As the **RICO** act is announced, additional charges will then be placed onto the record against both **Spacey** as well as his acting co-conspirators for the crime of racketeering and money laundering through private enterprise. Those involved in bringing him in for sentencing, will assure that he admits to open felonies. In effect your honors, we agree that **SPACEY** will not only not film anymore movies. At the end of the day, he also shall lose his freedom being sent to a max security prison of the public's choice by force.

In addition to those charges, he will have possessions seized and be forced to announce his crimes before the general audience once again to duly enforce a warning to all future habitual offenders. This time it will be to assess the full damages he has wrought upon no fewer than ten thousand donors, private citizens, veterans, fans and affiliates of the same entity who put their trust in him.

It is no longer in dispute your honor that **Kevin Spacey's** relationship with **David Sidoo**, and their separate charities goes back a long ways. For many years, **Sidoo** at his discretion personally sought to plot out the direction of the official dig sites. He would visit various locales and hot spots, especially in one particular case of Nevada state. He did so without consent of those living there, and with no apologies to residents of the very state he held such visitations for.

"David Sidoo was honoured in London, England this past week for his philanthropy work in England by the Indian High Commissioner to the United Kingdom and UK House of Lords Minister Baroness Sandip Verma with the Global Punjabi Excellence Award. (Was it for the mining colony that was built by Sidoo in violation of more than 7 anti-trust laws, or a different private advocacy?)

Sidoo has been a big supporter with Hollywood actor Kevin Spacey of the Old Vic theatre in and Sidoo has been a longstanding advocate of his friend former US President Bill Clinton's initiative in fighting world poverty.

"I am very humbled by this honour, and am just a simple guy who grew up in New West. I was fortunate enough to be able to play football in the CFL and then launch into a business career." Sidoo told the LINK.

"At that time when I was first starting off in business my wife Manjy and I decided if we were ever able to be in a position to give to back to the community and make a difference we would.

"We have some **excellent partners that we have teamed up with over the years from Frank Giustra and former US president Bill Clinton with the Clinton Giustra Initiative to fight world poverty, to NBA basketball player Steve Nash working with under-served children in the east side, former BC Lion Bobby Singh with the Down Set Hut football program, to the Surrey RCMP with their It's a Girl Thing Program** that works with female Indo-Canadian teenagers. These are some great programs and people that we have successfully partnered with to make a difference, and that difference is slowly but surely occurring. These awards and honours are always very much appreciated by me and my family but the true honour I get is when I run into a child that was a part of one of our programs and you can see with your own eyes the difference and success that program has made in the life of that child."

<http://thelinkpaper.ca/?p=11654>

It is known and proven on the record now your honor, that the location for the **Silver Peak Mines** which **David Sidoo** was visiting is open range land. Likewise, your honors should note this took place on more than seventeen occasions with the objective being to move settlers out. One such rancher's operation which got in the way of **Mr. Sidoo** and his associates at **Kevin Spacey Foundation**, was the Bundy Ranch. There were also several other well known families in this area who were threatened by contractors for **BARRICK GOLD** and **Sunrise Gold**. Bundy in this instance is only the oldest and most established. Indeed, Bunkerville just happens to be right near the border of Clayton County, NV which is a known hot-spot for volatile mineral extractions.

Not only does it house several mines that stand nearby **Cortez Mine** of Nevada, it also bears **Sunrise Gold Nevada** which owns **Silver Peak**.

Your honor, we concur that **Kevin Spacey** does not have a single right to even speak of honor. He is nothing except beneath contempt, and far lower than the respect rightfully handed only to those who aren't impostors. As a one hundred percent dyed in the wool Trotsky adherent with dreams of "globalist utopias," there is nothing honorable one may convey here in the same breath.

In order to prove the crime of conspiracy to commit money laundering, we note to your honors that we only need prove that the accused "**conducts or attempts to conduct such a transaction**" and it was "**reasonable to presume**" that the activities they were engaged in, took place during commerce and/or for the purpose of subversion.

18 U.S.C. §1956 <https://www.law.cornell.edu/uscode/text/18/1956>

Hyde v. United States, "two best cases in which (money launderers) can best be prosecuted at the place where the funds they handled were generated." <https://supreme.justia.com/cases/federal/us/524/1/case.pdf>

And your honors will note, we do concur with those findings. Except pay special attention to this caveat; the money laundering charges here are being sought under the R.I.C.O act with particular emphasis on racketeering. Each charge is separate, as by the combined totality of the evidence it will more than smash that threshold.

"racketeering investigation" means any inquiry conducted by any **racketeering** investigator for the purpose of ascertaining whether any person has been involved in any violation of this chapter or of any final order, judgment, or decree of any court"
www.danfingerman.com/law/statutes/Fed_RICO.html

Your honors should take special note, this states "for the purpose of ascertaining whether **any person has been involved{caught} in violation** of the chapter" 18 U.S.C. Chapter 96, which has more than been surpassed by the preponderance of evidence against the accused defendant. Your honor, **David Sidoo** and **Kevin Spacey** worked together in concert in a way that isn't unlike described herein. And in so doing, they indeed violated not just one provision- they also ran afoul of **every** provision and did so with full knowledge and illicit consent.

Mr. David Sidoo had intended to "monetize" the only sustainable lithium mining source in North America, which happens to be a partner of **Sunrise Gold Corporation** of Nevada. That is to say the extraction resource has officially been found in **Northeast Nevada, the only known producing mine in North America.** That **Sidoo** and the **Spacey Foundation** would want this exact zone that lines up perfectly across the Arizona border, is a curious and highly criminal act your honors.

Mr. Sidoo after signing his private contract with **Kevin Spacey**, had intended on covering this fact up. That **Spacey** had been involved in

not just **Barrick Gold** and **Sunrise Gold's** mine is little surprise, yet the fact that he's now been caught in a Lithium mine based quid-quo pro certainly is your honors. We surmise **Spacey's** deal with **David Sidoo** to complete the **Clayton Northeast Lithium mining project**, is one of the most brazen "quid-quo pro" schemes and money laundering acts we've ever witnessed across this desk. It falls under R.I.C.O law, as your honors will note, and we intend to air all of it in the courts.

"Advantage Lithium Corp. (the "Company" or "Advantage Lithium") (TSX Venture: AAL) (OTCQX: AVLIF) – **Mr. David Sidoo**, President and CEO, announces that the Company and its exploration partner **Nevada Sunrise Gold Corporation** (TSXV: NEV) ("Nevada Sunrise") (together, the "Vendors") have signed an asset purchase agreement (the "Agreement") to effect the sale of the Clayton Northeast Project ("Clayton NE") to Pure Energy Minerals Limited of Vancouver, B.C., Canada (TSXV: PE) ("Pure Energy"). Clayton NE is located adjacent to the **Silver Peak lithium brine mine** in Esmeralda County, Nevada, the only producing lithium mine in North America.

Said Mr. Sidoo, "*I have complete faith in the ability of the Pure Energy team to bring further value to the Clayton NE Project and the other properties currently held by Pure Energy in the Clayton Valley. I have a lot of respect for Patrick Highsmith and Paul Matysek of Lithium X based on their previous success together at Lithium One. By agreeing to combine all of our projects into the new consolidated Clayton Valley Project we look forward to Pure Energy delivering even more shareholder value in the near future to all of the combined Clayton Valley assets.*"

The purchase price for Clayton NE is 7 million common shares of Pure Energy (the "PE Shares"). The PE Shares will be issued to the Vendors by Pure Energy on closing of the transaction (the "Closing"), which is expected to occur on or before November 30, 2017. The Company will receive 4.9 million PE shares. Prior to Closing the Company intends to fully exercise its option to earn a 70% participating interest in Clayton NE.

The Vendors have agreed to voluntary restrictions on the trading of the PE Shares for a period of 27 months with partial quarterly releases commencing after 18 months. In addition, the Vendors have agreed that for a period of 24 months following Closing, they will vote their respective PE Shares at meetings of shareholders of Pure Energy in favour of all matters proposed by Pure Energy's management.

Closing of the transaction is subject to normal conditions precedent for a transaction of this nature including receipt by Pure Energy acceptance of the transaction by TSX Venture Exchange.

Astonishingly, **Mr. David Sidoo** [as well as **Kevin Spacey**; private capacity] had intended to divide this region up; by transmitting exactly 7 million shares of Pure Energy stock to be held by the owners of the Trust in **Advantage Lithium**. And they were not about to tell anyone else about this quid-quo pro agreement, especially not the ranchers and farmers residing in Nevada for the past 150 years. We now have proof your honors, even actual **PDF documents** of the scheme going on here and the money laundering laws broken.

"Nevada Sunrise Gold Corp., are pleased to announce that a drill program has begun at their Clayton NE property, which borders Albemarle's Silver Peak lithium brine production operation in Clayton Valley, Nevada. O'Keefe Drilling, of Butte Montana, has been retained to drill by reverse circulation (RC) equipment approximately 4,500 ft (~1,500m) in three holes that will focus on high-priority lithium brine targets close to the Silver Peak mine in proximity to several of Albemarle's production wells" <https://www.azomining.com/News.aspx?newsID=13516>

"Kevin Spacey opened the gala dinner and auction with a special pre-recorded video message to gala goers. Spacey, the Artistic Director of London's Old Vic Theatre, urged arts supporters and wine enthusiasts to bid early and bid often which they did, raising a record \$447,000 for Glynis Leyshon's Playhouse Theatre in the offset.

Gala chairs Manjy Sidoo, Doris Bradstreet, Paviz Cordwell and Rona Radler welcomed a hundred deep-pocketed guests to the Vancouver Opera's mid-season benefit Springtime in Paris at Lumiere and Feenie's." <http://www.virani.ca/images/vlImags/vListMagazineSummer07Web.pdf>

This sort of outcome aptly fits with one of Spacey's final movies; which provides a poetic expose on why "**Artificial Intelligence**" should take over and smart cities are the wave of the future. In fact, if any member of the jury doubts such a dream is personally to be manifest..they need only read what Spacey believes. The evidence is overwhelming it is what goes on in their mind as it concerns machines.

"In his early 20s, Paes-Braga transitioned from a stockbroker's assistant to vice-president and partner with an independent brokerage house to, most recently, managing director of a venture capital focused investment bank. He has climbed the ranks swiftly while maintaining a reputation as a client-focused professional with strong relationship-building skills.

One such relationship Paes-Braga fostered **was with mining magnate Frank Giustra, whom he met at a party last summer and “clicked” with. Giustra**, a Tesla fan, and Paes-Braga began to look at opportunities and that led to a partnership in the lithium exploration business.

With the beginnings of a lithium bull market emerging in recent months, Paes-Braga resolved to get a handle on the soft metal's fundamentals. **Shares of Nevada lithium play Pure Energy Minerals had appreciated 4X**, Tesla was announcing plans for the Gigafactory, and Benchmark Mineral Intelligence had made a stop in town.

After a global search, Royce settled on a 1,540-acre lithium brine property in the northern Clayton Valley. Royce is acquiring **an option to earn a 100% interest in the NSP Lithium Claims Group properties in Nevada, one of the top-ranked mining jurisdictions in the world**. The claims are north of and adjacent to properties held by Albemarle, which operates the **nearby Silver Peak mine**, the only producing lithium brine operation in North America. Albemarle shares are listed on the NYSE (ALB)."

"David Sidoo,

Co-Founder and CEO

Founder and largest shareholder of American Oil & Gas, which sold for \$630 million! An award-winning executive, he sits on the board of British Columbia University and is well **known for his philanthropy, even partnering with the Kevin Spacey Foundation this summer**.

Advantage Lithium has a project that borders the only producing lithium mine in North America. **And in the Clayton Valley, where every lithium company desires to have their projects, Advantage Lithium is the ONLY one with water rights**.

This happens to be a key factor in delivering production, since all mines need a significant amount of water. Phenomenal and extraordinary returns is the reputation of **David Sidoo**. Including the geology team, this group has won every award in business and mining you can think of." <https://www.futuremoneytrends.com/win>

- 1) Your honors will note, we personally hold each defendant in high disdain. For their egregious violations which broke *15 U.S.C. §§ 2-7* of our anti-trust laws, also involved the following un-named and named defendants: **Kevin Spacey, David Sidoo, David Brock, George Soros**, [charged in a scathing separate indictment], **John Podesta** and **Frank Giustra** as they collaborated together to frame officials on the Mining commission. [Giustra is charged yet again
- 2) in a second superseding indictment] In addition, their brazen breeches of the law had the effect of framing several members of the **Department of Justice**, the **Department of the Interior** and other un-indicted news agencies who became unwitting accomplices to their same crime. It is established on the record your honors,

to record this for each offense. The accused parties did engage in a pattern of racketeering based behavior and conspiracy; on behalf of the **CLINTON FOUNDATION** and their benefactors—to defraud, defame and destroy their opponents in every conceivable fashion. They did so by defrauding and deceiving investors, engaging in an illegal back room deal based quid-quo pro arrangement and also paying off members of the Justice Department to join their “mob only” pattern of rule both in and outside these localities nationwide.

- 3) The **Bureau of Land Management** is today not held by much of the public; as an official national entity given their rampant usurpations and abuses of power. This group known as **BLM** did accept and reciprocate; the likelihood of bribes and kickbacks. Each of these kickbacks your honor will note, had the egregious effect of destroying the rule of law, destroying the integrity of the Mining commission and putting hundreds of innocent men in padded prison cells up to and including the Ranchers at Bunkerville in eastern Nevada. That **David Sidoo** was a part of this incredibly treacherous behavior, with the aid of no less than **David Brock, Kevin Spacey** and **Correct The Record** is utterly beyond contempt. That in addition to this, they also enlisted the support of the **CLINTON FOUNDATION** personally only makes it worse.
- 4) In spite of every attempt to curtail this behavior, the **BLM** enabled a massive flurry of bribes to public officials which made the whole outcome much worse. Each are named as unindicted co-conspirators in only this indictment. In addition to all of these crimes, they also enlisted **George Bush Senior** in his private capacity to assist with pulling off the scheme by changing the mining act. That, as well as the litany of laws which were violated is covered in the other indictment. On the record in this instance, we are officially charging **Kevin Spacey** in his private capacity with the crime of 18 U.S.C. §1961 R.I.C.O racketeering on behalf of pious and insidious activities. In absolutely no other instance, do the facts meet the outcome of this crime faster than what has been uncovered here. Spacey with the aid of several other offenders, did conspire to defraud more than six state legislatures as well as Nevada state.
- 5) In another instance, we likewise direct the Grand Juries to recognize the gravity of the crimes being committed here. It is stated that in lieu of such corrupt acts being conducted, nothing less than the highest penalties can be afforded in ensuring such grave abuses never repeat. In fact, we specially request the

grand solicitor general will measure the weight of these crimes and act prudently in respect to those guidelines. Public confidence has been lost, and a time for restoration of that trust has come due. If the public loses confidence in the laws of justice, then America itself is in peril. Thankfully, we have been afforded the opportunity to clean this up once and for all. Let us act swiftly and with heightened resolve, see justice meted out upon all involved in this blight on the nation.

- 6) We are a nation of laws, not men. **KEVIN SPACEY**; as private agent **Kevin Spacey** has not only tossed that aside- he has disparaged the very foundation on which law is built. He and his co-conspirators are guilty on record your honor, of collaborating with the enemies of this nation. **Kevin Spacey** and his co-partners are guilty of nothing less than treason. We will hold their conduct to that same bar of which they claim to hold everyone. In so doing, all who committed such crimes are now held accountable.

"He's currently been nominated for CEO of the year for 2016 for his work on Fission Energy.

On the geology side, Advantage Lithium has Ross McElroy, winner for the PDAC 2014 Bill Dennis Award (this is the most important award in the world for any geologist).

On either of David's or Dev's previous deals, investors could have made gains of 1,273% to 28,025%!

Now, they are joining forces to build **Advantage Lithium. It has a project that borders the only producing lithium mine in North America.** And in the Clayton Valley, where every lithium company desires to have their projects, Advantage Lithium is the ONLY one with water rights."

Your honor, the evidence is undeniable. **David Sidoo** and **Kevin Spacey** are no heroes to students or disabled children. Rather, they are highly charged villains masquerading as "heroes" while the camera is rolling and some of the most despicable people anyone has ever envisaged in this modern era. They are impostors your honors and the preponderance of evidence will utterly prove out the same. Our intention here is to display the severity and heavy weight of the crimes. The second intention is inconsequential yet important; that is we are viciously bent on ensuring such offenses never repeat.

As such, the weight of the evidence will be beyond comprehension when it concerns the perpetrators involved. Rather, we have never witnessed

corruption on such a scale before except when it came to the 2008 case against Citibank. And even under that light the crimes committed here are far worse, to also include the impersonation of public officials especially police officers who are held with one sworn duty: to protect the public trust. To do anything less makes them impostors. In every instance we witness here and before the Grand Jury, the public trust was not only violated- rather it was in fact eviscerated.

*"Spacey, who currently stars on Netflix House of Cards, entertained the D.C. audience, which included **Second Lady Dr. Jill Biden, MSNBC anchors Chris Matthews and Andrea Mitchell, along with business leaders, Congressmen, and fans who were more than happy to support Spacey's cause.***

Spacey spent the evening backed by a 40-piece orchestra, singing a range of songs, including "Luck Be A Lady" from Guys n Dolls, Billy Joel's "Piano Man", "Lionel Ritchie's "All Night Long," and more! Rounding out the evening of song were stories, impressions, as well as poking some fun at both sides of the aisle. He also brought out a few surprises as well, including actor Jeff Goldblum who joined him a rendition of "Me And My Shadow", and Grammy Winner Patti Austin who performed a solo of "How High Is The Moon". The evening concluded with a post concert celebration at Poste Moderne Brasserie."

"Times are tough, **Kevin Spacey!** Not all of us have money from The Usual Suspects to fall back on.

Peter Turner, a waiter in Newport, Rhode Island, lost his job after Kevin yelled at him!

Apparently, Kevin's dinner party thought it would be fine if they lit up some cigarettes at their table at the Clarke Cooke House where Peter worked. As it turns out, that is illegal in the state of Rhode Island, and Peter was instructed by his boss to kindly ask them to stop. Peter did what he was told, but tried to keep things light as to not offend Kevin and his guests.

Peter approached the table and tried to make a joke, **saying "You're not allowed to smoke in here unless you're on fire," but that just sent Kevin into a rage. He called Peter an "aggressive prick" and told to "get the f away" from his table.**

When Peter went back to his boss to inform him about the incident, his boss explained "if the owner knew you pissed off Kevin Spacey, he'd have me fire you." Peter was laid off three days later."

Count 3] We charge **KEVIN SPACEY** in private as **Kevin Spacey**; with breaking **15 U.S.C §36** on more than 4 instances. By assisting investors such as **David Sidoo** with short-selling/divesting most of their stock Into partner companies such as the cited **Pure Energy**, he has proven open duplicity with respect to all financial dealings. Unlike in the Enron fiasco the accused is a habitual offender. This means for each charge, we will weigh his unabashed breeches against all damages incurred and double the penalties on 3 of those offenses to surpass mandatory minimums. He has broken anti-trust laws that are long standing in this nation. As your honors will note, the **Grand Juries**

find this type of violation significantly egregious. They will demand even stiffer penalties be applied on each offense, and rightly so given the seriousness of those affected by his reckless behavior.

As stated in **15 U.S.C §36**, the "**recovery of damages**" is fully due as compensation anywhere there is an "**unlawful restraint on trade**" in public discourse. Even in the instance where companies feel they are unfairly targeted, as seen in *United States v. Enron* since it is always "reasonable" to expect that competitors are bestowed a level playing field. In the instance of **Advantage Lithium** and **Sidoo's** efforts to hide their monopoly games from the National Mining Commission, the U.S. Army and the Ranchers Association; it easily surpasses this threshold your honors by a factor of a thousand to one. It is likewise untrue, that any company is granted "special privileges" to a specific area - regardless of permits - as those would not overrule existing precedent in the case of title land deeds.

See *States v. Socony Vacuum Oil Co* and *United States v. Enron Energy* {abridged}

<http://scholarship.law.berkeley.edu/cgi/viewcontent.cgi?article=3704&context=californialawreview>
<https://www.nytimes.com/2015/02/20/business/american-express-violated-antitrust-laws-us-judge-rules.html>

Likewise, offenders may not attempt to ask judges, the Grand Jury or officers of the court for pre-trial offense conditions under united states law. They are required to accept the recommendations given verbatim, as declared in *United States v. Booker* which often includes a sentence of up to thirty-five years for the most serious pre-meditated crimes and abuses. We are asking for a stiffened sentence; no waiver.

It is very simple to "**reasonably expect**" that under U.S. law, the free trade of commerce in not just Nevada state- but most certainly in states nationwide- was "unlawfully restrained" by a company's cavalier attitude towards anti-trust law. Your honors, this is always especially true in national anti-trust cases- of which companies like the mentioned **Sunrise Gold** and **Advantage Lithium** meet the definition.

[https://www.ussc.gov/sites/default/files/pdf/about/commissioners/selected-articles/Howell Review of Antitrust Sentencing Data.pdf](https://www.ussc.gov/sites/default/files/pdf/about/commissioners/selected-articles/Howell%20Review%20of%20Antitrust%20Sentencing%20Data.pdf)

Accordingly we do direct the Grand Jury to seek a sentence of twenty years for this offense of four anti-trust violations. [15 U.S.C §36] combined with the habitual offense of **18 U.S.C. §1591(a)** and proven human trafficking, Kevin Spacey will be placed in prison for quite a long duration. He will be required to not make any further movies while paying back the offenses he committed against the people which does include conspiracy to break national anti-trust law. Treble damages of twice the value of his estate are sought, to amount to well over one billion dollars. {National judges are required to notify if that means

the property will be confiscated: every aspect must be transparent to Americans.} [Military will be tasked to explore options including possible housing in Guantanamo Bay, or stiffer penalties in a maximum security prison for up to 20 years following national and state sentencing guidelines. That will also include exploration of the death penalty, though a stiff prison sentence is preferred and entirely at discretion of the high provost marshal and solicitor general.]

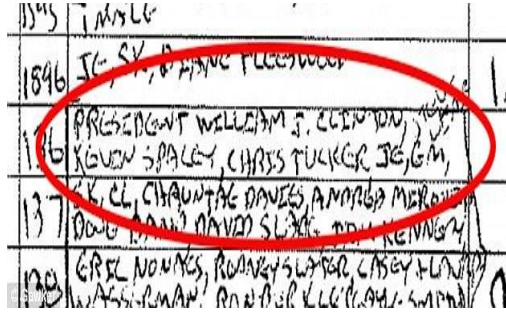

Count 4] As referenced above; we charge **Kevin Spacey** in private capacity and in public domain as **KEVIN SPACEY** - with the insipid offense of human trafficking under **18 U.S.C. §1591(a)**. In order to do so, we again stipulate to your honors that we must only show it is "reasonably certain" that the defendant engaged in human-trafficking by evidence presented. See *Roe V. Howard et. all* "While true that the complaint alleged conspiracy both in violation of the TVRPA provisions and common law civil conspiracy (Compl. at 17), the [Grand] Jury found Ms. Howard liable under TVPRA conspiracy, subject to the 10 year statute of limitations discussed *supra*." <https://docs.justia.com/cases/federal/district-courts/virginia/vaedce/1:2016cv00562/343913/125>

Virginia and Alabama are far from the only courts to hold this opinion your honor, as similar stricter sentencing guidelines are passed in at least twenty-five states. The referenced crime in this instance more than exceeds that threshold your honor, as there is eye witness statements and roadmaps which make it abundantly clear that the crime declared here is indeed human trafficking. In lieu of this, a further charge has been added for child trafficking under the assumption that investigations will uncover actual children trafficked in due course.

See *U.S. v. Vasquez-Valenzuela; United States v. Jones; United States v. Uiagalelei* for more examples. <http://www.pollyklaas.org/safe/pdf/2016/federal-sex-trafficking-cases-2000-2008.pdf>

The expectation in cases of human-trafficking is that the accused defendant will prove on record they are innocent of the charge, versus the notion that one must prove the parties guilty. In this respect, it is highly reasonable given overwhelming evidence to require a Grand Jury to make final determinations on what shall constitute a crime such as human trafficking. In addition we must note it will be decided exactly what level of child trafficking charges shall be made as well.

Kevin Spacey in private capacity and under public law as **KEVIN SPACEY**; traveled on the *Lolita Express* with **Jeffrey Epstein** and **Bill Clinton** (public capacity: **BILL CLINTON**) more than twenty-six times. We would surmise that is more than enough to charge him in both instances; for human trafficking as well as child trafficking of minors under **§1591(a)**.

<http://www.thesleuthjournal.com/kevin-spacey-lolita-express-bill-clinton/>
<https://westvirginia.forums.rivals.com/threads/hollywood-liberal-kevin-spacey-is-a-pedophile.158122/>

Kevin Spacey was directly involved with **John Podesta**; in public as **JOHN PODESTA** on more than 3 separate occasions through his lobbyist work for **BHP Billiton**. This national mining conglomerate is well known and more evidence is released about that same issue, in the separate indictment brought against **John Podesta** and his official **PODESTA GROUP** clearing house.

Given the veracity of offenses, he is not availed a defense with the statute of limitations except in certain express instances. We will also show on record your honors, the totality of evidence makes it explicitly clear for each set of laws that were violated.

"Kevin Spacey arrives at the movie premiere of Casino Jack at Planet Hollywood Resort and Casino on December 8, 2010 in Las Vegas, Nevada (Pictured above: Kevin Spacey with Peepshow star Holly Madison – Photo by Denise Truscello/WireImage) ." <https://www.vegasnews.com/tag/kevin-spacey>

In order to hold Kevin Spacey criminally liable for all of his trespasses, it is necessary we take a short trip down memory lane. As you may now be ostensibly aware, **THOMAS GEOFFREY FOWLER** is Spacey's paternal father and is related by blood to **RALPH RICHARDSON**. The **RICHARDSON** family is regarded as one of Britain's oldest and most ruthless mafias. As we will note to your honors, once a **RICHARDSON** you are a part of the **RICHARDSON** gang for life. **SPACEY** is of course a full heir to the **RICHARDSON** family fortune across the United Kingdom.

THOMAS G. FOWLER married into the **RICHARDSON** bloodline even earlier than typical **ROTHSCHILD**s would marry their own. Partly for more fame and partly because of shared commercial interests which is detailed in other filings. At least two of the **RICHARDSON**s were cross-bone Nazis like **THOMAS FOWLER**. Similarly, they would hold jest on the topic of **RANDY FOWLER**, who was stated to be at the scene when **JOHN F. KENNEDY** was assassinated. The **RICHARDSON** family were notorious murderers who even killed each other, in celebration of new silver screen films like "Natural Born Killers."

THOMAS GEOFFREY FOWLER was directly related to the **RICHARDSON** syndicate, both Ralph as well as Eddie who are second-hand relatives to **KEVIN SPACEY** himself. This cemented in place at the time **THOMAS FOWLER** married his wife **KATHLEEN ANN** who belongs to the **POWELL** family; daughters of **RICHARDSON SR.** **FOWLER** was in bed with the **RICHARDSON** circuit in a literal, paternal sense. **SPACEY's** grandmother on his mother's side is the daughter of **LULU C. RICHARDSON**, linked by blood to **RALPH RICHARDSON** and notorious British gangster **EDDIE RICHARDSON**.

Of course as your honors note, a special mafia sign is used by clan members. This kept local authorities in check by chasing false leads.

Kevin's maternal grandmother was Harriet Elizabeth Powell (the daughter of Judson/Jedediah Scott Powell and **Lulu C. Richardson**). Harriet was born in Indiana, as were both of her parents. Judson was the son of Hiram F. Powell and Sarah E. Boardman. Lulu was the daughter of **Robert Harrison Richardson** and Louisa Carr Ann Dean." http://ethnicelebs.com/tag/swedish/page/91?mobile_switch=mobile

<https://www.revolvy.com/main/index.php?s=List%20of%20British%20gangsters>

Suddenly the numerous high-rollers such as **Bill Clinton**; being tied to obvious underage trafficking with **SPACEY** make sense. The crime scene fits together quite well. <https://www.nytimes.com/interactive/2017/11/10/us/men-accused-sexual-misconduct-weinstein.html>

The **RICHARDSONS** ran the Old Vic Theater for six decades and we proved it. That's correct they ran the whole company for years with **RALPH RICHARDSON** named the head guild director in charge of all roles. The same **RALPH RICHARDSON** tied to serial murderer and alleged pedophile **EDDIE**, who trafficked in drugs for three families over a transitory forty year period.

"Eddie Richardson Eddie Richardson is the younger sibling of crime boss Charlie Richardson. Charlie, 76, invested in scrap metal while Eddie, 74, operated fruit machines. These businesses were fronts for underworld activities, which included fraud, protection racket, usury, theft and stolen goods. Eddie was sentenced to 25 years for drug dealing in 1990.

Eddie Richardson and Frankie Fraser were both taken to hospital with serious wounds. Ronnie Kray killed George Cornell in revenge at The Blind Beggar pub, Whitechapel but fierce intimidation prevented witnesses from cooperating with police."

<https://www.pinterest.com.au/pin/318981586086167868/>

"**Ralph Richardson** was Co-director of the Old Vic from the 1940s to the 1950's. He and Olivier led the company to Europe and Broadway in 1945 and 1946, before their success provoked resentment among the governing board of the Old Vic, leading to their dismissal from the company in 1947. In the 1950s, in the West End and occasionally on tour, Richardson played in modern and classic works including The Heiress, Home at Seven, and Three Sisters. He continued on stage and in films until shortly before his sudden death at the age of eighty."(with heavy influence sustained through the 1990's for the company's direction.) http://everything.explained.today/Ralph_Richardson/

RALPH RICHARDSON bragged about Old Vic being tied to pharmaceuticals and the Opium trade, when it was acquired by a Canadian mobster named **MIRVISH** three decades ago. These men never showed any true pressing interest in the arts your honors must observe, they only desired a base of operations.

"Two decades after acquiring the Royal Alex, Mr. Mirvish bought the Old Vic Theatre in London. Although he had never been in one of England's most famous theatres and had never even been to London, Mr. Mirvish had heard tales of the Old Vic from touring actors including Sir Ralph Richardson, Sir John Gielgud and Peter O'Toole."

<https://www.theglobeandmail.com/arts/mr-toronto-dies-at-92/article20399085/>

RICHARDSON Sr. employed **CORNELL's** family to run trafficking operations to include child sex trafficking, which adds an irony given Chris Cornell's murder is alleged now as linked to **SPACEY**. In fact, during the period in which these issues were made public the **Getty Museum** also burned down.

"George Cornell was also involved in pornography and may have been associated with Jimmy Humphreys, who was responsible for the exposure of corrupt police officials in 1971, including Commander Ken Drury of the Flying Squad. Humphreys was under investigation by another squad, and Drury refused to acknowledge his association with Humphreys even after Drury reportedly received a "Wish you were here" holiday postcard from him."

Old Vic House of Vans "constantly" plays Sweet Bird of Youth all year

"Williams describes sex in interesting terms - **as connected to illness, as being threatening and as a commodity to be bought and sold**. Even Boss is not exempt from concerns about sex when he hears that there is gossip in the town about his decline in prowess as he grows older. Williams himself ""There are no sympathetic characters in this play. **The leads rely on drugs and alcohol to cope with their inadequacy. Boss's interest in purity is a sham**. All of the characters use each other in different ways. Director Marianne Elliott and designer Rae Smith have created an atmosphere at the Old Vic that transport the audience back to the period in which the play is set. "

Chris Cornell found murdered- mistakenly ruled a suicide. Kevin Spacey is alleged as seen twice on the premises during the run-up to Cornell's death. (Allegations resurface that Kevin Spacey directly raped famed singer Justin Bieber.)

"During his charitable work, Mr. Cornell had discovered a "black book" of names for an Elite pedophile ring that was part of a global child abuse network. Sources close to Cornell revealed that he was planning on going public with the names shortly before he was found dead."

The Actual "Real Character" of Kevin Spacey

1/15. When he was younger, Kevin Spacey burnt down his little sister's treehouse. His parents then sent him to military school, but he was expelled for throwing a tire at another student.

2/15. Spacey is very secretive about his personal life because he doesn't want it to interfere with his acting. He once said, "the less you know about me, the easier it is to convince you that I am that character on screen. It allows an audience to come into a movie theatre and believe I am that person".

3/15. Kevin Spacey's claim to stardom came in the mid-1990s with his memorable performances in The Usual Suspects (1995), and Se7en (1995). Spacey won an Oscar for Best Actor In A Supporting Role for The Usual Suspects.

13/15. **Spacey is known for his incredible ability to impersonate people, and has said that he is particularly fond of mimicking Bill Clinton**. Not only that, but this gift seems to run in the family; his brother makes his living as a Rod Stewart impersonator.

14/15. Spacey wrote, directed, and starred in "Beyond The Sea" (2004), a biopic on American jazz singer Bobby Darin. **As part of his research for the role, Spacey watched several of Canadian jazz singer Michael Buble's performances.**

15/15. Not only is Spacey an incredible actor, but he is a true patron of the performing arts. He set up the Kevin Spacey Foundation in the UK in 2010 and in the US in 2013. The fund is meant to support aspiring actors through workshops, education, grants, and scholarships." <http://www.wiggld.com/things-about-kevin-spacey/>

Your honors, we suggest this isn't the makings of a man who is of sound mind. Here, it is proven again by the fact he registered the domain kevinpacey.com several times -- then shortly before the **Getty Museum** fires hit he somehow lost every case.

In fact the rebuke was scathing, re-iterating that Spacey should not ever re-enter the case instead of just turning the offer down.

https://www.theregister.co.uk/2001/11/26/kevin_spacey_loses_pivotal_cybersquatting/

Your honors will note, they call this "cybersquatting" and it provides another valid reason why we institute a protective injunction to assure no evidence is removed from the case. Further case files for Nevada are being entered for record, to assure all relevant case-loads are kept away from the accused verbatim. Both here, elsewhere; these factual details involve **Kevin Spacey's** personal dealings with the **Getty Museum**, **BILL CLINTON** in private as **Bill Clinton** and his hand-picked attorney. An injunction against **David Sidoo** is instituted to keep all evidence intact pro-forma on each level of this case, given involvement with kevinpacey.com and the purchase agreement.

Did **David Sidoo** under the moniker **DAVID SIDOO** sign, or not sign a full agreement with the **KEVIN SPACEY FOUNDATION**? By all accounts of the evidence, such an agreement was signed. Is it true, or untrue that **KEVIN SPACEY FOUNDATION** is the #1 authorized partner of the **CLINTON FOUNDATION**? If true, that makes the deal cut truly run afoul of more than 4 anti-trust laws. We thus see no recourse except to order not just a re-opening of all investigations, but to also re-open the unsolved murder case involving **Getty Museum**.

And your honors, need these facts be any surprise? Or should we ask about his participation in the Lolita Express with **Bill Clinton**, who ventured there on more than 20 trips in private capacity.

<https://www.breitbart.com/big-hollywood/2017/06/11/kevin-spacey-cracks-joke-hillary-clintons-emails-tony-awards-video/>

KEVIN SPACEY in private capacity as Kevin Spacey knew what he did broke the law. And joking about the cover-up your honors, which includes the e-mails themselves, will not help him now. He needs to answer for every single one of these acts, on the record.

<http://go.speedbit.com/Search.aspx?q=Kevin%20Spacey&related=1>

Kevin Spacey is one of those special types of people. We contend your honors, he is one of these special types of people who wants only this for society. An Android based City built with artificial intelligence.

<http://hughbonn.tic.dev.co.uk/media/about-hugh/stars-praise-kevin-spaceys-old-vic-reign>

Such a thing would seem to be a work of fiction or a joke. However your honors, we contend that once you examine the available evidence this is exactly his desire. A city being run by androids or robotics while fanciful, is exactly how these powerbrokers work. Humanity can be removed from the equation. **KEVIN SPACEY** in private capacity as **Kevin Spacey**, wants to cut these deals. While doing so, he wants a smart city that's run entirely by robotics and running afoul of a few laws is no issue at all.

Only the people of this town are saying no more. We are saying with one loud voice, your crimes are on the record and the alleged child trafficking is no joking matter. You are going to answer for every single thing you have done, and you will do so without delay.

"It is time to arrest Kevin Spacey"

"But this is not the first hint of trouble, Flight logs show that Spacey, along with former President Bill Clinton, flew on the private jet of former Wall Street mogul and convicted sex offender Jeffrey Epstein from New York to the Azores on the way to Africa in 2008. Epstein's jet has been dubbed the 'Lolita Express.'

Bill Clinton took at least 26 trips on the **Lolita Express**, a luxury jet fitted out with beds where prominent elitists allegedly had sex with young girls, ditching his Secret Service detail for 5 of those trips. [flight logs show visits spanned 7 day trips]

Over the years, **Epstein'** was said to log more than 600 flying hours a year, has been linked with Bill Clinton, Kevin Spacey, Chris Tucker and Manhattan-London society figure **Ghislaine Maxwell**, daughter of the late media titan Robert Maxwell."

<https://www.businessinsider.in/KEVIN-SPACEY-Bill-Clinton-says-House-of-Cards-is-99-percent-real/articleshow/46751987.cms>

Your honor, it is now beyond dispute that **Spacey's** name was a headline feature within **Jeffrey Epstein's** blackbook and several other books. It was used to facilitate political and global blackmail on behalf of their clients. This is no longer argued nor contested.

"Other high-profile names in Epstein's book include Special Envoy for Middle East Peace George Mitchell, New York City Mayor Michael Bloomberg, New York Gov. Andrew Cuomo, Barbara Walters, **Alec Baldwin, Ralph Fiennes, George Hamilton, Dustin Hoffman, Kevin Spacey,** Liz Hurley, Lauren Hutton, Janice Dickinson, Naomi Campbell, Christy Turlington, Henry Kissinger, Joan Rivers, Courtney Love, Mick Jagger, Cornelia Guest, Phil Collins, Itzhak Perlman, Simon LeBon, Charlie Rose, Richard Branson, playwright Candace Bushnell, designers Tom Ford and Vera Wang, soap opera actress Nadia Bjorlin and erotic film star Koo Stark, who once dated Prince Andrew."

<http://seeker401.wordpress.com/2015/01/06/jeffrey-epsteins-address-book-is-the-holy-grail-of-famous-names/>

As your honors will note again, this wasn't Spacey's first running afoul of the law. Old Vic Theater goes back seven decades; since the photo is self explanatory as are its victims.

We can openly prove that **David Sidoo** and his Lithium mining contract, was privately financed in a bid "quid-quo pro" preferential agreement between the **KEVIN SPACEY FOUNDATION** and **Sidoo Foundation** during the times these mines were bought out. At minimum, that's a violation of four anti-trust laws. On top of that however, treble damages to property and people are now established with at least allegedly 10 or more victims of untimely deaths.

In addition your honors ought to note the clear-cut evidence of child trafficking is now public, with a slate of more than ten accusers stepping forward. We charge here the offense of human trafficking and are adding on punitive liabilities for possible child trafficking. That is now a separate charge recited below, as often it is a challenge to differentiate between these two offenses. Frequently your honors, human trafficking will also overlap with child trafficking.

Andrew Getty, the young grandson of **J. Paul Getty** of **Getty Museum** fame was possibly murdered in a cover-up orchestrated mainly by **Kevin Spacey** and **George Soros**. There is very good reason to seek an immediate **Grand Jury** investigation of this incident your honors, as Kevin Spacey knew the victim **Andrew Getty** quite well.

<https://www.smh.com.au/entertainment/movies/kevin-spacey-faces-three-new-sex-assault-claims-20180704-p4zpc1.html>

The truth is your honors we do not yet have enough details as to conclude whether **Kevin Spacey** is a murderer of his victims. We suspect however that he is based on recent suspicion, and so are demanding a full **Grand Jury** inquiry into the matter given the enormous smoke stemming from the **Getty Museum** incident and the alleged trafficking taking place where **Andrew Getty** was killed in gruesome fashion.

Normally a hunch of this sort is not often wrong. **Kevin Spacey** knew **Andrew Getty** quite well, while attending **SOROS** backed fundraisers. There is also more than sufficient cause to believe that the way **Getty** was killed is highly unusual, and not too unlike **Chris Cornell** given **Spacey's** acquired taste for young boys and sodomy based particulars.

Danny Masterson has been one of **Kevin Spacey's** best friends. While **Spacey** wields considerably higher influence, **Mr. Masterson** wields an awful lot of power in the Church. **Masterson** belongs to the **Church of Scientology**, and as the **Grand Jury** will note, the most serious charges brought against **Masterson** were dropped directly after **Netflix** intervened in the case. Pay close attention right here. **Mr. Masterson** has allegedly murdered more than four victims, each one taken out in a similar fashion to some of actor **Bill Cosby's** accusers.

"For me, what Netflix has done, feels like a continuation of how the Church of Scientology made me feel when I reported my rape to them, as well as how Danny Masterson made me feel when I would beg him for an apology, an explanation, anything. I was made to feel unimportant. I was made to feel like I didn't matter. Like what Danny Masterson did to me didn't matter. My body doesn't matter, because it doesn't belong to me. The trauma and emotional pain doesn't matter, because I just don't matter. 'Danny Masterson is a celebrity. He flourishes and prospers in life. You protect that and reward that.' -direct quote from the Church of Scientology. I don't matter. The other women don't matter. Our pain means nothing, and we should be good little girls and shut our mouths. No! I'm going to be an amazing woman who will NOT shut my mouth when I find out my rapist raped countless other women. I will NOT shut my mouth when Netflix tries to make us feel like we don't matter. We DO matter. We ARE important. We will see justice for what was done to us, and is continuing to be done to us ... and for all those who knew/know and are either actively helping this serial rapist or are choosing to stay silent ... YOU don't matter.

"Victims are taking back the power that was stolen from us, and things are going to change. Netflix should write that down." <https://www.hollywoodreporter.com/news/danny-masterson-rape-accuser-blasts-netflix-continuing-ranch-1059601>
<https://deadline.com/2017/12/paul-haggis-denies-rape-allegation-lawsuit-1202228350/>

Victims frequently allege that **Masterson** has silenced his accusers. He would quote "make them beg to be discarded like piles of trash." Up to, and including the application of murder which is a charge we are directing the **Grand Jury** to explore in depth.

<https://etcanada.com/news/277480/the-ranch-star-danny-masterson-fired-by-netflix-over-rape-allegations/>

"I would call him a pedophile and a sexual predator. When I turned 25, I looked at every 14-year-old boy I could see, to try to understand what those men had seen, because I still on some level thought I had been a tiny adult...

He is a pedophile. When you look at his statement, you realize also he's profoundly narcissistic. He thinks this is about being caught that he's gay. And then he is spinning it, right? "Oh, people like gays now. So I'll throw them that. I'll say I'm gay and I will betray my whole community and do something else that conflates pedophilia with male homosexuality." That's great. Thank you for that. And that was probably the thing that made me want to talk more than anything else. How repulsive that was." <http://careandwashingofthebrain.blogspot.com/2017/11/im-going-to-rape-you-like-i-rape-my.html>

Count 5] We will hereby charge **Kevin Spacey** in private with **18 U.S. Code §1591**, the obvious offense of child sex trafficking. In addition, we will accuse this individual of alleged conspiracy to enact homicide or manslaughter. This must be done with immediate effect while evidence pours in. Conspiracy to commit manslaughter is a serious offense your honors, yet seeing how it seems very likely he has trafficked underage children this is not unheard of to conclude manslaughter occurred.

Count 6] We charge **Kevin Spacey** here-in with **18 U.S. C § 2332b**, which is conspiracy to commit manslaughter or an "*act of terrorism transcending boundaries*." Our reason for choosing the distinction is it is easier to prove, by showcasing the defendant may have conspired with one or more parties to commit manslaughter or acts of violence. The crime relates to alleged involvement with **J. Paul Getty, Andrew Getty** and the **Getty Museum** via an engineered cover up. The museum was burned down your honors shall note, during the same time London Police began an in-depth investigation of the situation.

It has been declared that **Getty Museum** was hiding possible tunnels and links to the **Church of Scientology**, and given the weight of the evidence we see no reason to doubt the same. **Kevin Spacey** is a member.

“CONNECTED: Pedogate, Kevin Spacey, the LA Fires, the Getty Museum and the Violent Death of J Paul Getty's Grandson {Andrew Getty}

Why did **Andrew Getty**, son of **Gordon Getty**, the 54th richest man in the United States at the time, die in the manner that he did, from blunt force rectal trauma? And how was death from anal rape classified as "natural causes" by the LAPD after very little investigation?

Why is the film All The Money In The World being made to be released for Christmas, 2017? What is happening underground at the Getty Museum in Brentwood, California, while LA burns? Are we about to be indoctrinated with

J Paul Getty's tragic yet sentimentalized life story spun by the CIA-run Hollywood machine in order to hide a much more serious and sinister reality-- the global elite child trafficking and harvesting industry and the breakaway civilization's literal feeding on the flesh and blood and sexualized terror of human children?

The autopsy on Andrew Getty, performed on April 2, 2015, included a toxicology report showing that methamphetamine and prescription drugs were present in Getty's blood at the time of his death and that duodenal ulcers could have caused gastrointestinal bleeding. Drug paraphernalia were also found in the home. However, the issue of "severe blunt trauma to the rectum" has yet to be explained or properly investigated by authorities.

What about the British Crown and Getty family's involvement in it? Just as the sacrifice of Harvey Weinstein was an attempt to take the focus off of Pizzagate, the film All The Money In The World is meant to implant our minds with a programmed message from the deep state elite.

Humanity is no longer powerless against institutionalized evil. We are revealing the identities of those attempting to recreate hell on Earth, putting an end to the Luciferian agenda, and ending 5,000 years of magick-based mind-control.

Thank you for taking the time to view this entire post. Did **Kevin Spacey** instigate or take part in the fires which destroyed part of the **Getty Museum** your honors, not to mention much of the surrounding areas? While we cannot say with a hundred percent certainty, it does appear that the actor is involved in the incident. If proven to have been done deliberately, this may hold the key to unraveling what went on in the basements of those museums. This deserves to have answers on record issued before the **Grand Jury**.

We assert it is highly probable victims are down there. The conditions for these basements leave many open doors for trafficking as well as very likely other operations. We accuse **Getty** of a cover-up to save face. Once viewed from a lens of prior events, the amount of damage to the properties that neighbor the **Getty museum** is hardly a coincidence.

The life and story of **J. Paul Getty** may also hold other key details for the rest of the case. Specifically, **Paul Getty** was kidnapped by Italian mobsters via Vatican ratlines in 1973, yet the billionaire refused to pay a single dime in ransom. This is because **Getty** accused his captors including those alleged linked to **George Soros** of aiding in a high level cover up that involved pedophilia and heads of state. We can also state he accused them of covering for **Majestic 12**, whether they did or did not hide the true demonic purpose of their engagements with sorcerers or unidentified aircrafts. **Kevin Spacey**; {in private} was aware of **Getty's** explosive allegations against the government.

"This shockingly sordid tale of 1970s greed and misfortune, which played out in newspapers, was recently revisited in the film *All the Money in the World*, starring Christopher Plummer as J. Paul Getty and Charlie Plummer (no relation) as his grandson. Christopher Plummer, who was a last-minute replacement for the disgraced Kevin Spacey, received an Academy Award nomination, becoming at age 88 the oldest ever acting Oscar nominee.

In 1973, John Paul Getty III was a 16-year-old living in Rome, having been expelled from a private high school. The long-haired Paul, as he {often} was called, led the free-wheeling life of an untethered and privileged youth. He frequented nightclubs, participated in left-wing demonstrations, and sold paintings and hand-made jewelry to generate cash. The locals knew he was a Getty, and referred to him as "the golden hippie."

When Gail told the kidnapers that she didn't have that kind of money, they reportedly said, "***Get it from London.***" Not only did J. Paul Getty refuse to pay the ransom, he believed at first, as did the local police, that it was all a hoax. They thought young Paul had staged his kidnapping as a way to extort money from the famously frugal billionaire.

As the days turned into months, Paul's disbelieving captors grew frustrated. "Who is this so-called grandfather?" one of them said to Gail, according to *Painfully Rich: John Paul Getty and His Heirs*, by John Pearson. "How can he leave his own flesh and blood in the plight that your poor son is in?"

After three months, the impatient thugs sliced off Paul's ear and sent it, along with a lock of hair, to a Rome newspaper.

At that point, the American government became involved, and an ex-FBI agent negotiated the ransom down to \$3 million. Gail turned to her father, a judge, for help securing the funds. Her father persuaded Getty to pay \$2.2 million, an amount his lawyers assured him was tax deductible. Getty lent the balance, about \$1 million, to his son at an annual interest rate of 4 percent.

Paul was released on December 15, malnourished, bruised, and missing an ear, according to the *New York Times*, which reported that nine men were arrested for the crime, but only two went to prison, acquitted for lack of evidence.

John Paul Getty III married a German photographer two years later, when he was 18. The couple moved to California, where they had a son, Balthazar, who would later become an actor. They then moved to New York, where they hung out with Andy Warhol's crowd.

When J. Paul Getty died in 1976, he left his grandson nothing." <https://www.thevintagenews.com/2018/01/26/j-paul-getty-grandson-kidnapped/>
<https://www.townandcountrymag.com/leisure/arts-and-culture/a9173861/john-paul-getty-kidnapping/>

"The Gettys are the 54th richest American family, with an estimated worth of \$5 billion. Andrew Getty's grandfather J Paul Getty founded the company .

The Scotch-Irish family struck liquid gold after immigrating to the U.S. from County Londonderry in Northern Ireland. However, money has brought an equal amount of problems for the Getty family and the family tree is scattered with scandal and tragedy.

J Paul Getty had five children from five marriages, and one of his daughters-in-law died of a heroin overdose.

When his grandson J Paul Getty III was kidnapped in 1973, his grandfather only agreed to pay the \$3.2 million ransom for his release after the captors cut off one of the then 16-year-old's ears. After paying about \$1 billion in capital gains for the deal, Gordon split the proceeds of the sale into four equal parts of \$750 million.

Gordon and brother J Paul Getty Jr each received \$750 million cuts. The three daughters of eldest son George F Getty II split a \$750 million portion and the final portion was given to the descendants of disfavored son Jean Ronald Getty (Jean Ronald only received \$3,000 a year in income from the deal). Andrew Getty is the second of four sons Gordon Getty had with wife Ann.

In 1999, Gordon Getty made headlines when it was revealed he had a secret family with girlfriend Cynthia Beck, fathering three daughters now aged 23, 25 and 29. He is worth \$2 billion, according to Forbes.

Andrew Getty purchased his 70-year-old home in the Hollywood Hills in 1996 following the death of previous owner Miklos Rozsa, a three-time Academy Award-winning film composer known for his work on Ben-Hur." <http://www.dailymail.co.uk/news/article-3020687/Oil-heir-Andrew-Getty-dead-bathroom-47-year-old-s-troubled-ex-girlfriend-detained.html>

“Kelley developed the ability to perform “remote viewing,” which is the psychic ability to see people, places or things from a different place and time. [Kelley says](#) that his (and others’) remote viewing has revealed a very deep and dark secret. What you are about to read is his summary to a question posed on Facebook. If his shocking claims are true, he is risking his life by exposing details of New World Order conquest:

“The Getty Center in Los Angeles is a multi billion dollar structure built to house the art collection of the Getty Foundation. J. P. Getty was given a knighthood by Queen Elizabeth when it was completed.

“The reality is that it is a front for a fortress protecting an elevator that goes down into a deep underground sanctuary, intended to house the royal family in the future.

“The entire structure, and the complete system of underground structures is also home to a Satanic empire that provides massive amounts of children to the caver’s that live there, for pedophilia, ritual abuse, and sacrifice, with consumption.

“If you want to end this corruption on every level of our society, you must root out the evil heart of the monster, that we can get to if we force the FBI – Federal Bureau of Investigation to investigate, and arrest those people, and free the 100,000 child sex slaves held below.”

The above is quite an accusation and call to action indeed, Mr. Kelley. It will be interesting to see if other whistleblowers come forward to offer more tangible proof that the J. Paul Getty Center is, in fact, the opening of a rabbit hole down into the secret, subterranean world of the New World Order.”

We task each of your honors to note, whether **Steven Kelley** or **J. Paul Getty’s** claims about the Museum are correct or not; that area was confirmed to be a hotbed for Vatican pet projects and nefarious activities regardless. The reality of child abuse concerning the Vatican **is** now confirmed fact. That is bad enough in itself, also not leaving out the fact the current pope made seasonal visits there.

Getty Museum Threatened By California Fires – December 6, 2017

Of all the “metropolitans”, the one below the Getty is the most luxurious. (Think solid gold commodes to get the general idea.) It was built by the J. Paul Getty Foundation for Queen Elizabeth and now houses much of the loot once hoarded under the Vatican. Prince Andrew paid a visit in 2000, perhaps arriving from Edwards AFB via tube transit: Interesting it is also that J. Paul Getty Jr. was [knighted by Queen Liz in 1998](#), the year after the museum’s completion.”

We attest on the record therefore, that a team of investigators needs to be dispatched here regardless. There are too many coincidences to ignore. The American people deserve to know what operations occurred at the **Getty Museum**, and only they can blow this wide open. We request as this case is filed that all Americans will begin reporting the **Getty Museum** to the authorities and forcing this evidence into public.

Already, Getty Has a Full Agenda

"We have to think every day how we work against that," Mr. Munitz said of the aloofness of the setting. "There is a set of conditions against which we have to push back. It won't happen naturally."

Until now, despite its great wealth and creative talents, this city has traditionally made a far greater impression in movies and on television than in arts circles. In fact, when wealthy arts patrons here are interested in high art, they often fly to New York. And the city's many ethnic communities have traditionally had little involvement in the museums here.

David Geffen, {*alleged pedophile*} one of the founders of Dreamworks SKG and a major collector and arts donor, observed: "People here go to New York all the time, for culture and theater. People don't expect to do that here to the same extent. In Los Angeles you have smaller goals, you have smaller institutions."

““We got into cop cars and headed for Rome. At the beginning there were about 30 cars behind us. *Every time we stopped at a toll station, a photographer would try to get inside the door or on top of the car. By the time we got to Rome, we had a motorcycle escort.* By the time we were a real caravan – there were about a hundred cars behind us – mostly photographers and the curious.

The police have privately told him they are “seeking at least 20 and perhaps as many as a hundred men”; all members or *amici* of the group they call the “Mainland” or “Calabrian mafia.” He knows, too, that only a few thousand of the \$2.9 million ransom has been recovered. “I made some people a lot of money,” he says. In a more sardonic mood: “It was a high-priced ear.” He doesn’t think the rest of the money will ever be recovered. “I think it’s buried up there in one of those {many} mountain caves somewhere; and with those people, I’m sure nobody’s going to talk.” <https://www.rollingstone.com/culture/culture-features/j-paul-getty-iii-exclusive-1974-interview-with-kidnapped-oil-heir-120637/>

Count 7] Finally your honors, we charge **Kevin Spacey** with **18 U.S.C. §371**, offense which is conspiracy to defraud the United States {and betray the united states}. This is a form of treason and is applied anytime investigators wish to corner a suspect before instituting harsher charges. In this respect, we attest that Kevin Spacey knew that each of his actions in relation to money laundering were felonies and he conspired to hide the same. In addition this in turn applies to his failure to register as an offender given more than seventeen reported allegations of rape. <https://supreme.justia.com/cases/federal/us/353/391/> <https://www.law.cornell.edu/uscode/text/18/371> “the punishment for such conspiracy shall not exceed the maximum punishment provided for such misdemeanor.”

We can of course absolutely prove that **Kevin Spacey** did know about **David Sidoo’s** private mining reserve in Nevada state. Not only that, we can also attest he knew what they were doing is money laundering under **18 U.S.C. §1961** and chose to willingly violate the provision. In spite of this, he continued unabated. See **Grunewald v. United States** and **United States v. Rowland** {[a grand] jury found Defendant John G. Rowland guilty on all seven counts of the indictment charging falsification of records, 18 U.S.C. § 1519 (Counts One and Three); conspiracy to commit an offense against or to defraud the United States} https://www.gpo.gov/fdsys/pkg/USCOURTS-ctd-3_14-cr-00079/pdf/USCOURTS-ctd-3_14-cr-00079-7.pdf

Off the record your honors, we will also allege that **Kevin Spacey** directly knew that his actions would damage the livelihood of those living at the **Bundy Ranch**. We include in that charge **Ammon** and **Ryan Bundy**, both whom witnessed federal impostors point loaded sniper rifles at them on private property during an armed ranch standoff.

During the described altercation, they were openly accused to have broken federal law. It was also claimed they had discharged their weapons and pointed the barrels at **BLM** officials standing one hundred feet away. Even though videotaped footage shows no such rifles were ever pointed at anyone, and the **Bureau of Land Management's Daniel P. Love** made the entire story up with the aid of two news stations.

We allege that **Kevin Spacey** knew about the whole ordeal and has made regular trips to that exact zoning land reserve more than ten separate times. In addition, he has been witnessed on site speaking to **MGM** Hotels and **Mandalay Bay** owner Jim Murren while discussing the **Advantage Lithium** mine residing at **Silver Peak** in *Clayton County, NV*.

Then of course we point out to your honors that **Kevin Spacey** {under D.B.A. **KEVIN SPACEY**} also was awarded at several ceremonies that involved the **CLINTON FOUNDATION**. These private events were often linked to the largest mining magnates including **Frank Giustra**.

"Canada's prime minister attended a private reception Wednesday hosted by Chinese business magnate

and philanthropist Jack Ma. The roughly 40 guests included celebrity A-listers, such as U2 frontman Sonny Bono, and actors Leonardo DiCaprio and **Kevin Spacey**, all attending the WEF.

Sources tell CBC News that Trudeau had the chance to chat with Bono, whose advocacy work on a variety of issues has made him a **regular at the annual Davos summit, as well as House of Cards star Spacey**, who plays the president of the United States in the popular Netflix series, and is speaking at the summit Thursday about the "theatricality of American politics in this election year."

"Need an actor to portray a psychopath? Hire Kevin Spacey. I'm not just thinking of SEVEN or THE USUAL SUSPECTS. His career-defining performance as studio boss Buddy Ackerman in SWIMMING WITH SHARKS is still one of Spacey's finest performances. When you watch our movie moment, you may agree that it contains the seed of ENTOURAGE's Ari Gold, as well as Spacey's own Dave Harken in HORRIBLE BOSSES."

<http://www.movieoutline.com/articles/swimming-with-sharks-sweet-talk.html>

"Kevin Spacey claims he feels like 'an adopted son' after being awarded an honorary knighthood for his services to culture and British theatre."

<http://www.dailymail.co.uk/news/article-3122370/I-feel-like-adopted-son-says-Kevin-Spacey-knighted-Queen-services-theatre-thanks-Brits-support.html>

"ABC News described the nature of the "gala celebration," hosted by actors Sharon Stone and **Kevin Spacey**, aptly stating that the "movie stars, singers and politicians" who turned out for the show, "underlined the celebrity status Mr. Gorbachev enjoys in the West, where he is widely perceived as the man who freed Eastern Europe from Soviet rule and ended the Cold War."[3]

Spacey opined that Gorbachev's actions in helping to dismantle the Soviet block. continue to reverberate, the latest manifestation being the "velvet revolutions" in the Near and Middle East. **The analogy is apt, considering that the revolts that helped topple the Soviet regimes were encouraged, funded, and otherwise assisted by the same NGOs** – with US Governmental backing – that are behind the present tumult in the Muslim states.[4]" <https://www.scribd.com/document/54021506/Mikhail-Gorbachev>

For this very reason your honors, the last charge we enact against **Kevin Spacey** will be breach of the Logan Act. It is illegal for any public official, regardless of status, to celebrate with foreign agents of influence such as **Mikhail Gorbachev** and carry out any personal favors for the dignitaries as a result. In this case, **Kevin Spacey** has exposed his true soviet colors by openly collaborating with the nation's enemies. Ukrainian gangsters he frequently rubbed elbows with broke the **Logan act** more than 4 times as has **SPACEY** himself.

"The Canadian birthday party was held on September 9 in Toronto. It was a smaller affair, raising only \$20 million. Tables sold for \$200,000 and less. The event featured Kevin Spacey, Paul Shaffer, Billy Crystal, Sarah McLachlan, Tim McGraw, and James Taylor (liberals lurve James Taylor). Diners ate beef tenderloin and lobster tails and sipped on Veuve Clicquot."

"We've been discussing the Clinton Giustra Enterprise Partnership (Canada) recently because that group, which funds the very similarly-named Clinton Giustra Enterprise Partnership, had been concealing foreign donors and claiming Canadian law forced them to. This was not true. {yet they donated to this charity more than eight times, in spite of official warning}"

Count 8] **Kevin Spacey** is hereby finally charged with **18 U.S.C.A. § 953**, for breaking the 'united states' Logan act which is a form of treason. It is now perfectly shown that he conspired with foreign heads of state, to include several person(s) known to be traitors to this nation - in various instances where personal favors are obtained. Things of "*high value and import*" were either received or offered in exchange for special legislation passed nationwide. He has no defense for more than eight violations of the Logan act under **18 U.S.C.A. § 953** and the **Grand Jury** is directed to charge him as a felon. [Sentencing is up to ten years, he shall be summoned to the Grand Jury as military explores options.]

The statewide **Grand Juries** are to note for the record your honor, that **Kevin Spacey** is not honorable. He is a national disgrace and as the cases in Nevada continue to compile evidence we implore victims to step to forward. It is high time this circus end once and for all, and the many incidents **SPACEY** is either directly or indirectly responsible for shall be reviewed and examined by national **Grand Juries supra**.

Your honor, we do now hold it firmly to be true that **Kevin Spacey** was heavily involved in the **Uranium 1** conspiracy on several fronts. We also hold it to be self-evident that as all the files continue to build up this case will cross national boundaries. There is now absolutely no excuse for **Spacey** to have been involved in related projects across **Nevada** state and **Montana** state. His involvement in those affairs paints a sinister picture of more nefarious motives at play, specifically in regard to confiscation of land and land deeds.
