LELO Luna Smart Bead

LELO Smart Bean is a so-called personal sex pleasure trainer. How does it work?

- There are five vibration-guided levels to fulfill woman's orgasm potential, for longer and stronger orgasms.

It is made of luxurious silicone. One constant vibration mode as well, as an innovative training mode to strengthen and tone woman's Kegel muscles.

It's also 100% waterproof and should be used with a high-quality water-based lubricant. Unlike regular Kegel exercises, this innovative little toy uses vibrations to train and strengthen a woman's pelvic floor.

After the egg-shaped toy is inserted, there will be vibrations.

- It comes with batteries included so you don't need to worry about buying those separately. You need to unscrew the base and pop the battery in.

The body of these toys is made from silky smooth silicone; it feels lovely to the touch. There is

a retrieval loop for safety.

The widest part of LELO toys is where the touch sensors are.

What this means is the amazing little toy will memorize and track your progress as you progress.

When you clinch your Kegel muscles around the Smart Bean it will know exactly how well you are doing. In another hand, you may use these toys for external stimulation.

Pros

- Silky smooth silicone
- Lelo Luna Smart Bead can be used as a vibrator for erogenous zone stimulation
- 100% waterproof

- Tracks your progress
- Makes pelvic floor muscles stronger
- Excellent trainer for vaginal muscles
- Great quality product
- Helps with a bladder control

Cons

- Light and poor vibration
- A bit pricey
- There is a tiny gap between two pieces of bean, it makes cleaning difficult
- Not strong battery
- Switching modes automatically, hard to change modes manually

Characteristics

- Materials: Silicone/ABS, matt coating
- Size and weight: 31x34x82mm, 50 gr
- Battery: standard, AAA

- Standby time: 30 days
- Max. noise level: less than 50dB
- Interface: single-button
