XIX. INTERNATIONAL FOOTBALL TOURNAMENT

GNK DINAMO  
ZAGREB, 04.-07.08.2022.

## POVIJEST TURNIRA

Dinamo je još od svojih početaka imao formirane mlađe dobne kategorije, ali nogometna je škola, pod nazivom Hitrec-Kacian, formalno **osnovana 27. prosinca 1967. godine** na inicijativu Zorislava Srebrića, i to nepuna četiri mjeseca nakon što je Dinamo osvojio Kup velesajamskih gradova, kasniji Kup UEFA, današnju Europa ligu.

Veliku ulogu u brušenju talenata, privikavanju na natjecateljski duh, ali i u dodatnoj promociji maksimirske škole ima i tradicionalni **Memorijalni turnir Mladen Ramljak**. Prvo je izdanje turnira održano 2003. godine, a memorijal je od tada poprimio aureolu jednoga od cjenjenijih europskih turnira u juniorskoj kategoriji.

Turnir je organiziran u spomen na Dinamova proslavljenog braniča **Mladena Ramljaka** koji je s plavima osvojio najveći trofej u povijesti kluba – **Kup velesajamskih gradova 1967.**

Memorijal traje od 2003. godine i u međuvremenu je uspio u ideji koju su organizatori najavili još početkom lipnja 2003. uoči premijernoga izdanja:

*“Želja nam je da turnir postane tradicionalan i da bude jedan od najjačih nadmetanja u toj kategoriji u Europi.”*

U prethodnih 18 izdanja kroz ovaj su turnir prošli brojni veliki europski i svjetski klubovi, a u nekim su izdanjima sudjelovale i poneke juniorske reprezentacije iz različitih zemalja. Nastupili su predstavnici čak 29 svjetskih zemalja s pet kontinenata. Pravo nastupa imaju kadeti i ulazni juniori, a uz domaćina GNK Dinamo svake godine sudjeluje još sedam jakih hrvatskih i inozemnih klubova.

Dinamovi juniori osvojili su turnir ukupno 12 puta, dok su pobjednici ranijih godina bili Dynamo Kijev (2011.), Abuja Academy (2016.), Ulsan Hyundai (2017.), Feyenoord (2018. i 2019.) i Odense (2021.).

## TOURNAMENT HISTORY

*From its very beginning GNK Dinamo Zagreb has formed the clubs youth categories but The Youth Academy was officially introduced on December 27th, 1967. It happened just four months after GNK Dinamo won its most important trophy in club's history: the 1967 Inter-Cities Fairs Cup which emerged into the UEFA Cup, today's UEFA Europa League.*

*Starting from 2003 our club hosts the annual International Memorial Youth Tournament Mladen Ramljak at the Maksimir Stadium in Zagreb honouring the memory of late GNK Dinamo player. The tournament has a significant role in forming and developing young talents giving them the opportunity to compete against the tough and strong international teams in same youth level.*

*The Tournament has a 19-year long and proud history. It started back in 2003 and emerged into one of the most prestigious U-19 tournaments in Europe. Beside the host team there are seven more clubs participating in the tournament. Throughout the history, with the 2020 edition being cancelled due to the Covid-19 pandemic, there were teams from 29 countries and five continents participating in previous 18 editions.*

*Dinamo won the Tournament in total 12 times, while other winners were Dynamo Kijev (2011.), Abuja Academy (2016.), Ulsan Hyundai (2017.), Feyenoord (2018. i 2019.) i Odense (2021.).*

## MLADEN RAMLJAK

Protiv Juventusa je igrao stopera, Eintrachtove je jurišnike zaustavljao u ulozi libera, Leedsove je trenere namučio suzbijajući svaki nasrtaj Engleza prema Dinamovim vratima... Takav je bio – Mladen Ramljak! Jedan od najboljih braniča u povijesti maksimirskoga kluba. Nažalost, tragično je preminuo od posljedica prometne nesreće 13. rujna 1978. Bile su mu tek 33 godine.

U spomen na svog proslavljenog i nikad prežaljenog nogometaša Dinamo od 2003. godine organizira **tradicionalni međunarodni juniorski turnir „Mladen Ramljak“ na kojem sudjeluju ponajbolji klubovi svijeta.**

Ramljak je ponikao u maksimirskoj nogometnoj školi, a prvi je put na travnjak uskočio u studenom 1962. kad ga je trener Milan Antolković uvrstio u početnih 11. Njegov su igrački profil novinari tada opisali kao igrača koji idealno sintetizira fizičke kvalitete, inteligenciju i tehničku izrađenost.

Rođen je 1. srpnja 1945. godine u Zagrebu, afirmirao se u Dinamovu juniorskom pogonu. U maksimirskom je klubu proveo dojmljivih 12 sezona, a za to su vrijeme plavi bili finalisti Kupa velesajamskih gradova 1963., četiri godine kasnije i osvojili to natjecanje, a pritom osvajali jugoslavenski Kup 1963., 1965. i 1969. godine. **Ramljak je u Dinamovu dresu odigrao 523 utakmice da bi karijeru nastavio u Feyenoordu iz Rotterdama u kojem je proveo četiri pune sezone i pritom osvojio nizozemsko prvenstvo i Kup UEFA 1974.** Za jugoslavensku je reprezentaciju upisao je 13 nastupa.

## MLADEN RAMLJAK BIOGRAPHY

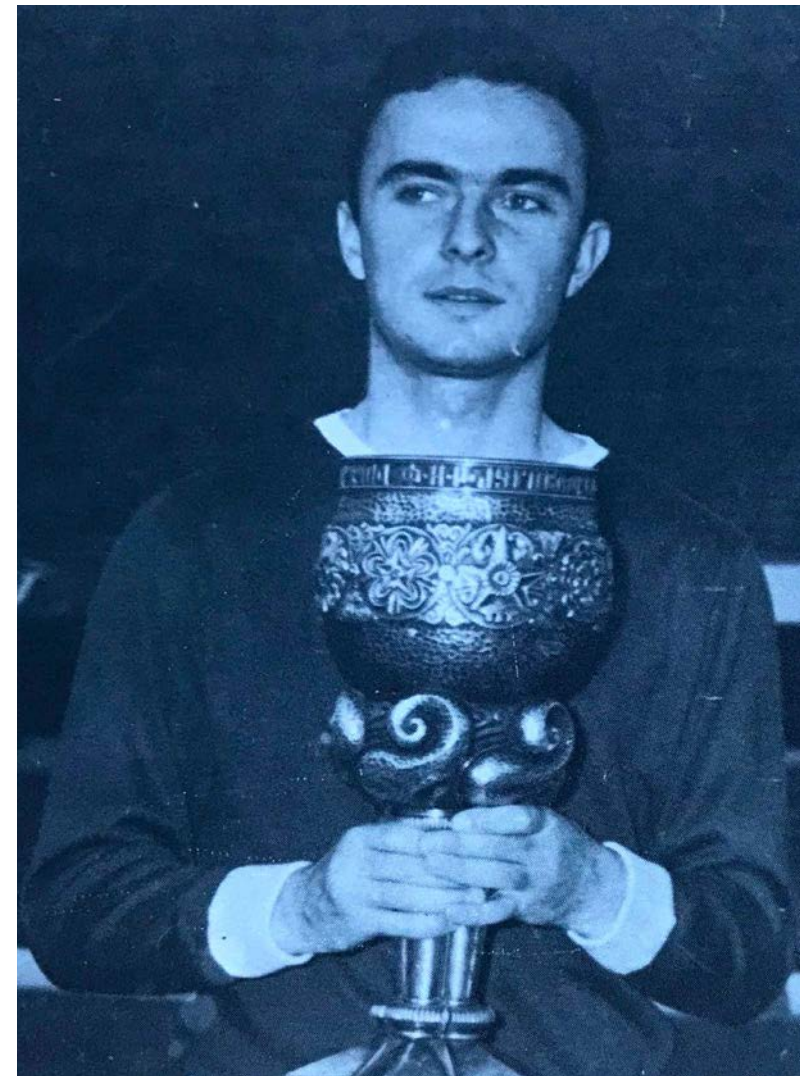

*In the game against Juventus he played as a central defender, later he was stopping the Eintracht Frankfurt strikers as a sweeper, he managed to put down every Leeds United attack in the finals... That was the style of play of former GNK Dinamo great, late Mladen Ramljak, the 1967 Inter-Cities Fairs Cup winner. He is remembered as one of the best defenders in the clubs history. Sadly, he lost his life in the tragic car accident on September 13th, 1978. He was only 33..*

*To honour our great player GNK Dinamo organizes the International Memorial Youth Tournament starting from 2003.*

*Ramljak was born on July 1st, 1945 in Zagreb. He started his career in GNK Dinamo as a 13-year-old and made his first team appearance in 1962 when*

*coach Milan Antolković placed him in starting 11. Reporters described him as a player who assembles great physical qualities, intelligence and technical skills.*

*As a central defender Ramljak spent 12 seasons within GNK Dinamo first team and played 523 games. He appeared in Inter-Cities Fairs Cup finals in 1963 when Dinamo lost to Valencia and in 1967 when they beat Leeds United and won the trophy. He also reached domestic Cup titles in 1963, 1965 and 1969. Later he played for Feyenoord Rotterdam in a four season spell winning the domestic championship title and 1974 UEFA Cup trophy. **MODRIĆ I ČORLUKA POBJEDNICI PRVOG IZDANJA**

U modernoj povijesti hrvatske nogometne reprezentacije, počevši s osamostaljenjem RH, "vatreni" su propustili samo dva od ukupno 13 završnih turnira na svjetskim i europskim prvenstvima. Veličanstvenim izvedbama Hrvatska je upisala povijesne dosege osvojivši broncu na SP 1998. u Francuskoj i potom srebro na SP 2018. u Rusiji postavši tako druga najmanja zemlja finalistica u povijesti svjetskih prvenstava. U temeljima ovih uspjeha nalaze se upravo igrači koji su poniknuli u Dinamovoj nogometnoj školi i(li) prošli kroz prvu momčadi plavih.

Na SP 1998. između ostalih su blistali brojni dinamovci kao Davor Šuker, Zvonimir Boban, Robert Prosinečki, Dražen Ladić, Zvonimir Soldo... Na putu do srebra u Rusiji sudjelovalo je 14 igrača koji su upravo u Dinamu proveli značajan dio svoje karijere, bilo da su tu još iz mlađih dobnih kategorija ili su afirmaciju stekli u našem kubu, a među njima i kapetan reprezentacije Luka Modrić, najbolji igrač svijeta 2018. u izboru Fife, osvajač Zlatne lopte. Uz njega se, među tih 14, nalaze i Mario Mandžukić, Dejan Lovren, Šime Vrsaljko, Marcelo Brozović, Domagoj Vida, Mateo Kovačić, Vedran Ćorluka, Milan Badelj, Andrej Kramarić, Josip Pivarić, Marko Pjaca, Tin Jedvaj i Dominik Livaković.

Upravo je Luka Modrić, zajedno s Vedranom Ćorlukom, predvodio Dinamove juniore na premijernom izdanju Memorijala Mladen Ramljak u lipnju 2003. godine. Na otvaranju grupne faze natjecanja pobijedio ih je Osijek, ali plavi su se ubrzo oporavili, u nastavku natjecanja svladali ukrajinsku U-19 reprezentaciju i mađarski Ferencvaros da bi naslov osvojili pobjedom u finalnom dvoboju protiv turskog Galatasaraya.

**MODRIĆ AND ČORLUKA - FIRST WINNERS**

*In the modern history of the Croatian national football team, starting from the country's independence in 1991, Croatia missed only two out of 13 World Cup and European Championship final tournaments. The magnificent performances led Croatia to the glorious record and historical success of reaching third place in 1998 World Cup in France and winning the silver medal in the 2018 WC finals in Russia. Croatia has thus become the second smallest nation by population ever to reach the World Cup final, behind Uruguay. For such a small country, a remarkable number of world class players have emerged and most of them came through GNK Dinamo Zagreb and its youth academy.*

**Jedan od najboljih bio Luka Modrić**

*The 1998 World Cup stars include former GNK Dinamo players Davor Šuker, Zvonimir Boban, Robert Prosinečki, Dražen Ladić, Zvonimir Soldo and many others.*

*In the 2018 World Cup there were 14 players who played for GNK Dinamo during their career including national team captain, FIFA Player of the World and Ballon d'Or winner Luka Modrić who came through our club's youth academy. Among those 14 are Luka Modrić, Mario Mandžukić, Dejan Lovren, Šime Vrsaljko, Marcelo Brozović, Domagoj Vida, Mateo Kovačić, Vedran Ćorluka, Milan Badelj, Andrej Kramarić, Josip Pivarić, Marko Pjaca, Tin Jedvaj and Dominik Livaković.*

*It was Luka Modrić alongside Vedran Ćorluka who led GNK Dinamo through the very first Mladen Ramljak Tournament back in 2003. In the opening group stage game they were defeated by Croatian side Osijek but soon managed to recover and beat Ukrainian U-19 National Team and Ferencvaros from Hungary. GNK Dinamo reached the trophy by defeating the Turkish side Galatasaray in the finals.*

OPTIKA ANDA

## IVAN SENZEN

Priča o „jabuci i stablu“ u ovom primjeru dobiva i dodatnu dimenziju: otac i sin dijele slične poglede, ideje i afinitete, bave se istim poslom, obojica posvećeni istoj strasti, nogometu, a zanimljivo je da su praktički i – imenjaci. Mladi Dinamov trener Ivan Senzen sin je Ivica Senzena, nekadašnjega proslavljenog desnokrilnog napadača plavih, kasnije i trenera.

Senzen mlađi u ljeto 2020. godine vratio se u maksimirski klub i ponovno uključio u rad s mladim nogometašima. Trenirao je Dinamove pionire, momčad U-15, a sad će, kao voditelj juniorskog naraštaja, predvoditi plave u novom izdanju tradicionalnog međunarodnog turnira Mladen Ramljak. U dosadašnjoj se trenerskoj karijeri orijentirao upravo na rad s mladima.

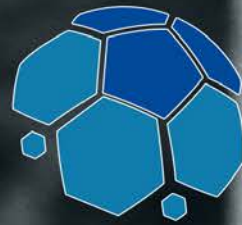

U Dinamu je bio trener u školi od 2004. do 2010. Uslijedile su tri godine u Saudijskoj Arabiji. Kad mu se rodila kći vratio se u Hrvatsku, radio u školi NK Zagreb, a od 2014. do 2020. bio u Ujedinjenim Arapskim Emiratima.

U Saudijskoj Arabiji bio je trener u Al Nassru iz Riyadha, a potom u Emiratima u Al Nasru iz Dubajja. U prvom je slučaju vodio različite uzraste do U-15, dok je u Dubajju trenirao juniorski sastav, U-19. Cijelo to iskustvo kasnije je implementirao u rad s Dinamovim pionirima i sad juniorima.

*The old expression “like father, like son” has a deeper dimension here. Father and son share similar views, ideas, affinities, they share the same passion for football, same daily work and they are almost – namesakes. The young coach of GNK Dinamo Under-19 team, Ivan Senzen, is a son of Ivica Senzen, a former great right winger from the 1970s who later also worked as a coach. Senzen jr. came back to GNK Dinamo Youth Academy in the summer of 2020, he took the charge of U-15 team and this summer in 2022 he will lead the U-19 squad during their spell in the traditional International Youth Tournament “Mladen Ramljak”. In his early days as a coach he decided to work with young players to educate them and share his experience.*

*He was within GNK Dinamo Academy from 2004 to 2010 which was followed by three years in Saudi Arabia. After his daughter was born he came back to Croatia and worked within NK Zagreb Academy. Afterwards he took the coaching job in United Arab Emirates.*

*During his spell in Saudi Arabia he worked in Al Nassr in Riyadh as the U-15 team coach and later, during his time in the UAE, he was in Al Nasr in Dubai where he led the U-19 team. Now he decided to share his experience within GNK Dinamo Youth Academy.*
