

VAPOR TECHNOLOGY ASSOCIATION

VAPE & THE FDA: Understand It. Manage It.

Compliance and Survival in a Post-Deeming World

June 7-8, 2016

Washington, D.C.

The Deeming Regulation is here. Deadlines are looming. Congress is moving.

VTA and its Board of Directors, with unmatched experience in operating and surviving in a heavily regulated world, know the information that you need.

Whether you are a manufacturer, supplier, distributor, importer or retailer of vapor products, this conference will provide you specific *practical* information on how you and this industry can survive.
