GP Stan 50 Profile. GP Stan 50 - stanozolol from Geneza Pharmaceuticals represents a synthetic anabolic steroid derived from testosterone, used first of all not for mass gaining, but more for acquiring hard and lean appearance and athletic speed. GP Stan 50 from Geneza Pharmaceuticals is seen as a cutting compound. Due to the lack of water retention, users with comparatively low body fat can ...

GP Stan 50 is an artificial steroid that imitates the natural steroid testosterone. The drug is often prescribed in such condition as hereditary angioedema which results in occasional swellings of extremities, throat, bowel wall, genitals, and even face. Due to the use of GP Stan 50 doctors can help reduce the severity and number of such episodes.
