The Shitcoin Dev

Marketing coming soon

Dev wallet is adding liquidity

Buy backs are starting soon, be patient

We sent funds out to KOLs, devs are not selling

Starting taxes 90/90 to protect investors

TG stickers have been added

Lowering taxes to 5/5 when the snipers are out

Price might be down but we are still building 🙏🙏

We have incorporated AI as a new bullish catalyst

Price just broke old ATH, moon inc 🚀

Website coming soon

Devs are asleep, worked hard today. Updates shortly

Muting chat, devs addressing the fud
