

How Is That Hate Exactly?

Our slogan is **14 Words**: "*We Must Secure The Existence Of Our People And A Future For White Children.*" **How is that hate?**

We do not identify here what (((group))) holds political power in the **once-White nations** and who has **sentenced the White race to death** through **mass-migration and forced-assimilation of non-Whites** into **each and every last White country**. **How is that hate?**

The White race is **near or less than 8% of earth's population** and are a **dwindling global minority**. Near or less than **2% of that are White females of child-bearing age or younger**, the **vital demographic for the survival** of a race as the **life of a race is in the wombs of its women**. Yet under the existing (((media, religions and governments))), the **last White women** are being **induced to mate with non-Whites wholesale**. These are demographic facts. **How is that hate?**

If Whites do not **immediately establish an exclusive White nation**, then the beauty of White woman will **soon cease to exist on earth forever**. We are taught to *dread* the **extinction of spotted owls**, so why is it a *hate crime* to **love and preserve one's race?** **How is that hate?**

The (((controlled media))) deceives the White race by calling the colored races "*minorities*" when they are more than **92% of earth's population**, thus disguising their **genocide campaign** against Whites by implying that Whites are a *secure majority*. **These lies and deceit must be exposed. How is that hate?**

We obey the first and highest **Law of Nature**, the **preservation of our own race**. *How is that hate?*

(((Those))) who control the **once-White nations** deny us **White nations, White schools, White organizations** and **everything necessary for racial survival**. We resist this **deliberate and malicious genocide**. *How is that hate?*

The last hope for the **preservation of the White race** is **massive and immediate distribution of the truth, such as this flier exposes**. Act now with the **fanaticism of desperation** and help us spread millions of copies. *How is that hate?*

They say they are "*anti-racist*". What they are is **anti-White**.

"*Anti-Racist*" is a code word for **Anti-White**. Their agenda is **White Genocide**.
