

**“The LIFE programme: funding opportunities & innovative solutions
on wastewater treatment”**

EIP water conference 2017.

[Alfândega Porto Congress Centre](#). Porto, Portugal.

Room D. Luís Hall (2nd floor)

26/09/2017, 14:00-18:00.

FINAL AGENDA

Time	Presentation	
14:00-14:20	The LIFE programme & water: call topics on the water sector and the focus on close-to-market dimension of LIFE Dr Solon MIAS, EASME (European Executive Agency for SMEs)	
14:20-15:50	Innovative solutions on wastewater treatment (I)	ZELDA - Brine treatment based on electro dialysis metathesis and valuable compound recovery (CANCELLED)
		PharmDegrade - Degradation of pharmaceuticals in wastewaters from nursing homes and hospitals
		ETAD - Ecological treatment of acid drainage
		ECOdigestion - Automatic control system to add organic waste in anaerobic digesters of WWTP to maximize the biogas as renewable energy
		RENEWAT - Optimised Renewable Mix for Energy Saving in Waste Water Treatment Plants
15:50-16:05	Coffee break	
16:05-17:35	Innovative solutions on wastewater treatment (II)	PHORwater - Integral Management Model for Phosphorus recovery and reuse from Urban Wastewater.
		BIOCLOC - BIOprocess Control through Online titrimetry to reduce Carbon footprint in wastewater treatment
		BRAINYMEM - Advanced-control MBR for wastewater reclamation
		BIOSUR - Rotating bioreactors for sustainable hydrogen sulphide removal in WWTP
		LIFE Lo2x - Supercritical water co-oxidation (SCWco) of urban sewage sludge and wastes
17:35-17:45	Newly funded LIFE projects on wastewater treatment Dr Solon MIAS, EASME (European Executive Agency for SMEs)	
17:45-18:00	The funding possibilities of LIFE: The annual call for projects. Ms Isabel LICO, LIFE National Contact Point for Portugal
