CHARLESTOWN, MASS. PRICE 10¢ THURSDAY, AUGUST 5, 1982

Six Organizations To Sponsor Charlestown Olympics

Six Charlestown churches and organizations will sponsor a "Charlestown Olympics" on Thursday, August 19th at 10:00 a.m. at the athletic fields adjacent to Charlestown High School on Medford Street. All Charlestown youth, aged 6 to 15, are invited to test their skills in any or all of ten competitive events. Trophies and ribbons will be awarded to the winners of individual contests and trophies will be presented to the top point scorers in each age group. Boys and girls will compete separately in groups aged 6 to 9, 10 to 12, and 13 to 15.

Events scheduled as part of the day long Olympics will include a general marathon, a 50 and a 100 yard dash, hot shot and free throw competitions, a frisbie toss, a softball throw, broad jump, sack race and obstacle course. Young people may decide to compete in any number or all of the events. A free swim will follow the day's activities.

Although it is not necessary to register for the Olympics in advance, it would be wise to do so. Registration blanks and rules for the individual events can be obtained from the following people: Tom King at the Boys and Girls Club, Paul O'Brien at St. Mary's Rectory, Ron St. Pierre at St. Catherine's Rectory, Fr. Vincent Doolan at St. Frances de Sales Rectory, Michael Griffin at the Kent/Charlestown Community Schools and Cindy Boyle at the Kennedy Center.

Young people may register for the Olympics by returning the registration blank that appears on page 8 of this edition of the Patriot to any of the sponsoring groups listed above.

It is anticipated that the Olympics will be a good time for all involved and it is hoped that many parents will set aside time on the 19th to come down and cheer their children on.

The Charlestown Kiwanis Club has announced that it has given scholarship grants to four Charlestown students. All four students will be attending college in the fall.

Scholarships were awarded to Kerry Campbell of Bartlett Street. Miss Campbell graduated from Boston Latin, and plans to attend Boston College in September where she will study business management.

Joseph Evers of Pearl Street was another scholarship recipient. A graduate of Matignon High School. Mr. Evers will attend Flagler College in Florida in the fall.

Sharon McGrath, a graduate of Pope John XX-III High School, received a scholarship. A resident of Tibbets Town Way, Sharon will attend Saint Joseph College in Maine.

The fourth recipient is Dianne Brooks, a graduate

DO YOU HAVE QUESTIONS ABOUT SELLING YOUR HOME?

If you are considering selling your home, you'll have many questions:

- How to arrive at the best marketing price
- How and where to locate the Buyer
- How to screen prospective buyers to find those who can really afford the home
- Where to arrange appropriate mortgage financing
- What are the risks and advantages of "Seller-Financing"
- What are all the possible problems that can kill a sale...and how to solve them before they happen
- What are all the things that have to be done once the buyer has been found, to assure that the sale proceeds smoothly

Blowup Changes Its Style

by Maria Girvin

A new name for the business is not all that Michael Mainey, of Blowup Hair Design has done for his growing business. Recently, Mainey has moved his salon into larger quarters, at 225 Main Street, formerly Austin's Clothing Store. The old store which closed its doors several year's ago was recently renovated by Robert Kerrigan of Kerrigan's Flowers. Together, he and Michael will share the building. "Shiney" describes the new shop in one word. Newly varnished hardwood floors, large lighted mirrors, and spotless walls add to a more spacious salon which will now be able to offer its customers

additional beauty services such as European facials, manicures, pedicures, waxing, eye lash tinting and total cosmetology services in privacy. "Our salon will be more convenient for our customers," said Mainey. "Everything will be under one roof. We have customers who come here for their haircuts but have to go to Newbury Street for their facials. This way they can come here where there is plenty of parking and more convenient for those who walk." In addition to larger quarters, Michael has increased his staff. Cheryl remains, providing complete hair care and will be joined by Donna from a Hyde Park salon. Linda,

Michael's wife, also joins the team after completing her training as an aesthetician. Together, these girls and Michael will run the new quarters which have increased from four cutting stations to six stations, and has two new rooms for facials and other beauty services. Prices will remain steady for the services

Blowup has always provided, with a slight increase for wash and sets. Of course Michael is pleased with how smoothly his expansion has gone and now plans to get back into the teaching of hair care through seminars. As for Blowup's new name, he has appropriately expanded that too. It is now Blowup Hair Designers and European Skin Salon.

Irish Update

by John J. Walsh

Welcome home, Billy and Helen Kelley, from your recent trip to the old sod. Understand your daughter went along and a great time was had by all.

The Society plans to have our long awaited membership cards ready for mailing soon. Keep posted!

Remember, we have a full supply of Bunker Hill Irish Heritage Society T-Shirts available. Please call Bob Garvey at 242-4071 for your orders now. They will make a great gift and you will be showing a great interest in the Club, and for the Town, with our beautiful logo, the gold harp super-imposed on the Monument.

A great day was had at Castle Island, South Boston, on Sunday, August 1, 1982. Joe Kelley of Green Street, our esteemed Society member, got together with all the Kelley clan, his cousins the Doherty's, plus many

Society members, to throw a giant cookout bash for his visiting cousins from overseas.

Joe's mother, Bridget, all her family, grandchildren and many friends, enjoyed the festivities at the beautiful setting on the Island. Bernie Kelley, our Society President, entertained the group with his musical renditions of Irish songs and a great sing-a-long was voiced by all.

THE EMERALD BULLET
I'm in quest of the Emerald Bullet. I'll

receive it in my heart. I'll wear it like a medal and never let it part me from my search for Ireland's dream. The American and the Irish—all part of me, I shall offer as an offering. To Sinn Fein's Holy Pledge that old Ireland shall be free and may the devil flence me, should I violate the pledge. Just as the American soldier salutes the glorious silk and offers up his life for the country that put the stars upon Him...a gift from one to the other and this you bet I'll keep. God spare me truly.
Francis O'Muircheirtagh

Thank You

Mrs. Eileen Flanagan, Mrs. Rose Flanagan and Ms. Catherine Collins, wife, mother and aunt of District Attorney Newman Flanagan, wish to thank the Charlestown Women's Committee to Re-Elect Newman Flanagan District Attorney, for such an enjoyable evening given us on Friday, July 30, at the Knights of Columbus Hall.

Sailor's Diary

"Sailor's Diary," an exhibit of George S. Eisenberg's sketches of life aboard a WWII destroyer, which is open to the public, is located in the former Officers' Club in Building 5 at the Charlestown Navy Yard, Boston National Historical Park. The exhibit will run approximately three months. The sixty drawings, in color and black and white, give an excellent idea what life was like aboard a destroyer in the Pacific. Many of the drawings were done under actual combat conditions, and all are accompanied by George Eisenberg's personal recollections of the various scenes.

George Eisenberg is a professional artist now residing in Marblehead, MA. He grew up locally in Nahant, attended the Massachusetts School of Art and Boston University. After the Japanese attack on Pearl Harbor he enlisted in the Navy, serving the next four years as a

Nursing Home Ombudsman Program Seeks Older Workers

The Mayor's Commission on Affairs of the Elderly Nursing Home Ombudsman Program currently has positions funded through the Elder Service Corps, available for interested volunteers over the age of 60.

Under the Elder Service Corps, concerned senior citizens, who wish to

become involved in Nursing Home Ombudsman activities, will receive a stipend of \$110.00 per month, for a minimum of 18 hours a week's Ombudsman work. This financial remuneration does not interfere with Social Security payments.

Participants in the Nursing Home Ombudsman program receive man-

datory training, certified by the State of Massachusetts, enabling them to properly assess nursing home residents care, when visiting the assigned long term care facilities throughout the Boston area. Nursing Home Ombudsmen for the Elderly Commission should be residents of Boston.

Ombudsmen will observe living conditions, and speak with residents of the facilities in monitoring the quality of care. They will primarily be concerned with any adverse conditions involving the safety, welfare, rights, and actual

quality of life Nursing Home residents experience. In the event of violations, the Ombudsman will attempt to resolve complaints, and arbitrate to alleviate problems.

Volunteers from all background occupations can participate, but must be willing to make a commitment for at least a year. Anyone interested in additional information on becoming a Nursing Home Ombudsman should contact Program Director Nancy Wall, at the Mayor's Elderly Commission, 725-4360, or Caroline Calloway at 725-3988.

Historical Play

At USS Constitution

Emerson College presents "Glory Through the Mist," tales and songs of the U.S.S. Constitution, at the Boston National Historic Park site at the Boston Navy Yard in Charlestown from now through September 4. Performances are on Fridays and Saturdays, 4:00 p.m. and 6:00 p.m. Admission to all performances is free.

The production, performed dockside at the U.S.S. Constitution,

centers around the rich seafaring tradition symbolized by this great ship. Produced by Emerson College's divisions of Theatre Arts and Continuing Education and Summer Sessions, "Glory Through the Mist" was commissioned by the Boston National Historic Park in cooperation with the United States Navy.

For more information, call the U.S.S. Constitution at 242-5630.

15% Discount On Water Bills For Senior Citizens

Francis W. Gens, Executive Director of the Boston Water and Sewer Commission, would like to remind Boston homeowners of the 15% discount policy.

If you are a homeowner who is 65 years of age or older, or fully disabled, you may eligible for a discount on your water bill from the Boston Water and Sewer Commission. The discount is 15% of your quarterly water bill.

In order to be eligible for the discount, you must meet the following requirements:

1. Be 65 years of age or older OR fully-disabled. The Commission defines "fully-disabled" as does the Social Security: "unable to engage in substantial, gainful activity because of a physical or mental impairment which has lasted or will last for at least twelve months."
2. Live in AND own a structure of one to four dwelling units. You are not eligible if there is COMMERCIAL PROPERTY listed.

If you meet these requirements, and wish to apply for a discount on your water bill on the basis of your age, you must bring to the Customer Service Department of the Boston Water and Sewer Commission (7th floor, 10 Post Office Square) valid proof that you are at least 65 years of age. The Commission will accept as valid proof of age such things as birth certificate (or photocopy of same), a driver's license, or an MBTA senior citizen pass.

If you wish to apply for the discount on your water bill because you are fully-disabled, you (or someone you designate) must bring to the Commission's Customer Service Department either a doctor's certificate identifying the handicap and it's permanency, an award notice from Social Security, or, for Veterans, a determination from the Veterans Administration.

If you have any questions, please call 426-6046 or visit the Boston Water and Sewer Commission, 10 Post Office Square, right behind the John W. McCormack Post Office and Court House in downtown Boston.

TIPS FOR TEETH BONDING

Dr. Lewis E. Hootnick

"A new generation of composites" (white fillings that blend with tooth structure). "Esthetic dentistry" with minimal or no drilling of teeth.

Such confusing statements are seen and heard regularly in the medium (newspaper, T.V., radio). What does it all mean? Bonding is the technique of etching teeth, then using a luting agent to retain a laminate or veneer covering over the prepared surface. Furniture manufacturers have been veneering with laminates and luting agents for many decades. Sophisticated methods have now been developed in dentistry to shade these laminates and to seal the material to teeth with excellent bonding agents. Meticulous care must be used to avoid contamination, bubbles underneath the laminate, irritation to the gums and coloring of the veneer.

Some unfounded claims have been made. No doubt there is a place for this development; however, it is not a cure-all. Cases must be selected and prepared carefully. The surrounding tissues must be healthy and the teeth must have all infection removed. If the requirements of good dental preparation are met, bonding may be of advantage for some of the following conditions.

1. To cover stained or ugly colored teeth.
2. To build up fractured corners or parts of teeth.
3. To reshape after an accident.
4. To restore after an accident.
5. To close space between teeth.

The advantages over other techniques are:

1. Minimal or no drilling teeth.
2. Anesthesia is usually not required.
3. The bonding may be completed at the same visit.
4. Cost is less than other methods of esthetic dental care.
5. The procedure is reversible, meaning that the bonding can be removed and done again or another technique tried.

However, careful selection of teeth to be treated and screening of the patient is most important for success. Results may be disappointing if the patient does not cooperate by using prescribed methods to care for these restorations.

KUDOS TO GUS

Congrats go out to Augustus 'Gus' Charbonnier, a long time anti-forced busing stalwart, who recently received his associate in science degree from the Bunker Hill Community College's evening Division of Continuing Education.

Charbonnier, who is 75 years old, also received that department's special award at graduation ceremonies held at the Hynes Veterans Auditorium.

Townie Tidbits congratulations go out to Gus to mark this very significant personal achievement. It is not everyday that someone accomplishes what he has successfully done. He has proven age is no factor in wanting to receive a college degree. Never think you can't do

something. Remember the only way to succeed is to keep on keeping at it.

HOUSING PROTECTION

The fight is on at City Hall to renew all legislation providing for all housing protection. The aim of the City Council should be to establish a comprehensive housing agenda which would address housing and rental costs, sufficient rental stock and affordability.

Condominium development is already impacting on the character of our neighborhood. Conversions

have begun on a small scale to date but that will surely pick up.

The citywide vacancy rate stands at two percent and Charlestown is finding fewer and fewer apartments for more and more tenants. As available rental units are eaten up by condos, people displaced have no place to go but the streets.

I urge the City Council to renew rent control and also pass an anti-displacement ordinance before Boston becomes a haven for the very rich and very poor. Action has to be taken as soon as possible because every piece of housing protection on the

books expires on December 31.

KUDOS TO MAURA...

Kudos go out to City Councilor Maura Hennigan for getting the city to plug up those potholes throughout the Town. Good to know she listens to "Townie" constituents who call her office for action. Keep on keeping on, Maura.

AND DARTS TO...

Apparently, the heat was on too much for the Kennedy Center to hold it's July meeting. When it's too hot to handle, remember just cancel it.

RIGHT ON THE T

Most people of

Charlestown were surprised to see the Downtown Crossing buses extended to Assembly Square in Somerville.

It was a pleasant surprise for many "Townies" who now can get both to the downtown shopping area and the fairly new shopping mall. Many elderly, especially, have told me it was a blessing.

Let's hope the Downtown to Assembly Square routes remain intact because they are a necessity for many people living in the town without a car and those who just might like to let the T do the driving for a change.

Kudos to the T for this

new addition to the Charlestown bus routes!

PUBLIC DE-EDUCATION?

The Boston School Committee says the school system is caught between fiscal austerity and educational necessity. They don't have enough money to run a decent school system because of the bad economic times.

School Board members fail to give one major reason and that is Judge Garrity and his 1974 court-ordered desegregation plan. Over the last eight years, the city has been mandated to spend \$150 million to implement the court order.

Local Student

Chicago Graduate

Hilla F. White, daughter of Mrs. Griselda White of Charlestown, graduated with honors from the College of the University of Chicago in convocation ceremonies June 12. She received a B.A. degree with a major in Behavioral Science. Ms. White is a graduate of Lexington High School in Massachusetts.

Students who graduate "with honors" from the College have maintained an average of 3.25 (on a 4-point scale) in their course work.

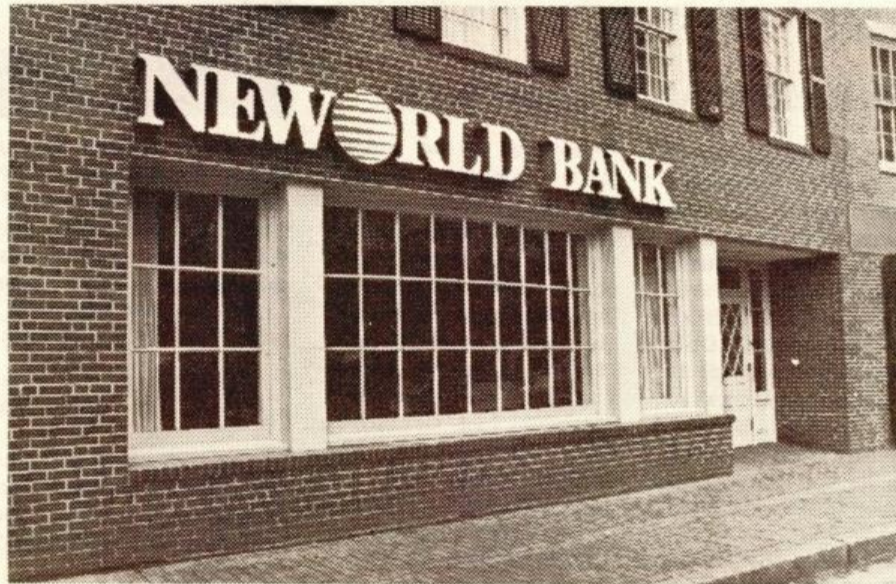

The University of Chicago is private, non-denominational, and has been coeducational since its founding in 1891.

Center News

This Friday we'll be boarding the buses for the last trip of the summer session. We'll be leaving the center at 9:30 a.m. to go to one of our most popular places, Hampton Beach, New Hampshire. There's still room on the busses and you can reserve a spot by dropping by or calling the Center at 241-8339.

Preparations are underway for our Fall Session. We need volunteers to teach a class, help with publicity, or help with the Holiday Bazaar. It's your Center, help it grow!

That's my bank?

Announcing a New World of banking.

For over 125 years, Charlestown Savings Bank has been a household name. But now, that name is changing.

Because, frankly, we've grown far beyond Charlestown. And way beyond just savings.

So now we've got a new name to reflect our new horizons: Newworld Bank.

For the new world of banking in which your money making options have never been greater.

And while you'll still find our wide range of personal banking services, you'll find we can now offer you more than ever before.

A New World of Trust Services.

We're proud to be one of the first savings banks in the country to offer our customers a professional trust department. We're now able to provide personalized service and expertise to investors who require independent investment advice and management under the supervision of a bank trust department. As well as to small and medium sized corporations in the formation and administration of corporate pension and profit-sharing plans.

A New World of Convenience

To make your banking easier and more convenient, we've harnessed the world of electronics. With our Newworld Banker Card, you'll have access to all of our new Automatic Teller Machines which allow you to conduct banking transactions any time of day or night,

seven days a week, at your convenience. So, when you need a bank, you'll always have one at your command.

A New World of Commercial Services.

We're strengthening our ties with the local business community through a broad range of new commercial banking services.

Our total corporate banking program includes commercial checking and investment opportunities, corporate lines of credit, equipment leasing, pension and profit-sharing plan management, payroll processing, extensive banking services for company employees and increased commercial lending activities.

And we're always prepared to lend our expert guidance and financial planning, as well as cash, to our business customers.

It's a new world of banking. A new world of finance. And we're ready for it. Charlestown Savings is now Newworld Bank.

And now, when you say "that's my bank," you'll have more reason than ever to point to us with pride.

Rich History Of Derby At Wonderland

Capturing the prestigious Wonderland Derby has been a stepping-stone, practically a requirement, for All-America honors in greyhound racing.

The Greyhound Racing Record has been featuring an All-America greyhound team for the past 19 years and 13 Wonderland Derby champions have gone on in the same season to become a member of the All-America Team.

In addition, four runner-ups and three third-place finishers also have become All-America, and a grand

total of 26 Wonderland Derby finalists have parlayed a Derby appearance into All-America honors.

The six Derby winners who failed to become All-America are LL's Bilko (Lowland) in 1965, OB's Private John (Oswald) in 1967, Ruth Jones (Block) in 1972, Sultry Sister (Castellani) in 1977, Corbin (Block) in 1980 and Minstrel Kid (Fulginiti) last year.

A victory by D.Q. Williams' superdog Ijusplanowinner in the 48th running of the \$150,000

Wonderland Derby, which starts Wednesday, August 11th and concludes Saturday, August 28th, would virtually insure his place on the 1982 All-America Team and push his season earnings around \$100,000 (\$40,000 to the '82 Derby champ). Williams, incidentally, had Granny's Pick, a 2-1 favorite, run sixth in the 1967 Derby.

The Wonderland Derby champ hasn't gone on to achieve All-America status the past two years, but Ijusplanowinner plans to end the drought this year.

Campers Cruise Boston Harbor

CRUISING - Sixty boys and girls from Camp Bunker Hill at 73 High Street, Charlestown, were treated to a cruise of Boston Harbor in early July by the Boston Gas Company. Among those who spent 90 minutes aboard the Massachusetts Bay Lines excursion boat NEW BOSTON were, from left: Shawn Miranda, Marc Dolosa,

Anthony Ciampa, Joey Elias, Sarah Torres and Octavio Rodriguez. The youngsters saw many waterfront points of interest, including close-ups of such historical sites as Old Ironsides, and enjoyed the salt air and sunshine. Boston Gas has sponsored the Harbor tours since 1969 for youth and senior citizens groups.

Pop Warner Corner

Practice has already started for the four Pop Warner teams, but you can still come down to the field and sign up.

There will be boosters for the kids to sell. Sell six and keep a dollar for yourself. A, B, and C teams will be practicing down at the Neck. The D team practices at the High

School field.

I would like to thank Memorial Hall for their donation and the use of the hall for sign-ups. I would also like to thank Matt Stillman, Pat Locke and Ed Nice for their help at

registration.

There will be a Coaches and Board Meeting on August 18th at 8:00 p.m. at Memorial Hall, 14 Green Street. Be there!

Thanks
The Board

There are two great Derbies in this country, and the other one's in Kentucky. So, in case you missed that one, we proudly offer you this one: the 48th annual running of the Wonderland Derby. □ It's the oldest, grandest, most prestigious greyhound racing event in America -- and the winner, by definition, will be the best greyhound in America. □ But the best part is this: While the other Derby is about a thousand miles away (and all gone, at that), this one's just around the corner -- and it's coming at you now.

48th ANNUAL \$150,000 WONDERLAND DERBY

FIRST ROUND: WEDNESDAY POST TIME: 8 P.M.

Views On Dental Health

by Jeffrey D. Cohen, D.M.D.

PREVENTING SPORTS INJURIES

No one would think of playing tackle football without wearing shoulder pads and a helmet. Yet, far too many youngsters play contact sports, without wearing protection for their mouths. This results in all too many cases of split lips, broken, chipped and knocked out teeth. For example, fifty-two percent of all football injuries occur in unprotected faces and mouths.

The best way to prevent all this mouth damage, is to wear a mouth protector. Bars across football helmets don't do the same job. They don't protect the teeth and jaws from an upward blow on the chin - only from a blow straight against the face. Dental injuries to football players wearing proper mouth protectors have been almost completely eliminated.

Most old-style mouthguards, such as those we see boxers using, are not very easy to wear because they are bulky. Talking is just about impossible. Many players prefer to talk and be comfortable and risk the chance of injury rather than wear one. However, a modern mouthguard, made to an accurate model of a boy's mouth doesn't interfere with mouth breathing, stays in place when the mouth is opened, allows clear speech and is comfortable.

A public service to promote better dental health. From the office of Jeffrey D. Cohen, D.M.D., 338 Main Street, 242-3550.

Jerry's Kids Thank The "Proud Townies"

The Muscular Dystrophy Association of Charlestown cannot thank the people of Charlestown enough for their support over the past eight years. As you know our yearly carnival, which will be held this year on Saturday, August 7, 1982, is a key part of our drive and the "kick off" event of the year.

We want to thank the Merchant's Association, the Board of Trade, the Boys Club, the Exceptional Children's Program and the other sports and local business organizations, big or small, which have continued to support our drive to cure M.D. We especially want to thank the several area radio stations for their new and valuable support this year. Of course our carnival and drive could not happen without the many individuals who have generously volunteered their time. We want to say a special thanks to all those persons who have helped us in the past, and especially to our new committee members who are doing a fantastic job this year.

It is important to point out that it is not only the big contributions but also the smaller donations that have made our drive successful. If you can only give 10¢ or \$1.00, you can be sure that every little bit helps Jerry's kids.

We are sorry that our chairman, Tom Jackson, is unable to be with us for this year's carnival. He is recovering from an illness and is in the hospital. We know he is with us in spirit and expect him home soon.

Sincerely,
The Charlestown Muscular Dystrophy Association

Appreciated Letter

July 28, 1982
Editor of the Patriot and Mr. Leo Kahian,

Dear Mr. Kahian and Patriot,

Appreciated your letter regarding the old Latin Mass and Fr. Keane (formerly of St. Catherine's). You're so right and thank God those of the Order of St. Francis at least know it and say so.

Fr. Donelin's response was obviously just an exer-

cise in personal pride. His NON answers to the points you make were an insult to one's common sense. If things were the same, there wouldn't be "Papalists", "Traditionalists" and a Society of St. Pius X.

This "Townie" is very proud of you, Mr. Kahian and our democratic newspaper.

Thank you,
Mrs. May Glidden

August 2, 1982

To the Editor:

I have been following with great interest the letters sent in by Mr. Kahian, Fr. Donelin, Fr. Wathen and Mr. Callahan.

May I offer you my congratulations for printing these letters (contrary to Mr. Callahan's views). We do not see the other side of the coin in the Archdiocesan paper or some other Catholic papers.

Although I deplore seeing the Catholic Faith

debated in print, I find myself quite in agreement with Fr. Wathen and Mr. Kahian. It seems that Fr. Donelin did not answer the facts as stated by Mr. Kahian but only told us about his intellectual standings. For shame Fr. D. How do you account for the empty churches even though we Catholics have managed to pick up 22% in the latest religious count? Just take a look at some of the shenanigans at the Paulist Church and others. That's the reason I haven't been to these churches in years.

radioman on the LAVALLETTE where he captured the war through his sketching. Following V-J Day he did mostly freelance illustrating. He is an accomplished artist winning many awards for his exhibits, which have traveled to many parts of the country.

The exhibit is particularly appropriate to the Charlestown Navy Yard where hundreds of destroyers similar to the

LAVALLETTE were built or repaired during the war and later years. The USS CASSIN YOUNG, a sister ship to the LAVALLETTE, is on permanent exhibit at the Navy Yard. Together the CASSIN YOUNG and the exhibit of Mr. Eisenberg's drawings evoke the spirit of life aboard a destroyer in a setting which was home for destroyers. The exhibit and the CASSIN YOUNG are free and open daily from 9-5 p.m. For further information please call 242-5601.
