BOOKING GUIDE

SOUND SYSTEM 2 X CORDLESS MICS, CDJs, 2/4 BASS BINS, 2/4/6 TOPS

As club owners and promoters, we have come up with a great way of working together between Afri and promoters in private events (clubs) around the continent whereby promoters may Book Afri directly with their offer to perform or Dj in their clubs with agreed Offer or sharing gate entrance or Afri paid by a SPONSOR

Making an Offer: (CHOOSE A CLOSE:)

(Close 1): Where a promoter/ Club offers amount to Artist (Afri) based on the Rate Card per hourly booking. 50% is paid upfront and 50% on the date of the event before artist enter the stage. Promoter (Club) is liable of Artist safety, accommodation and ground transportation. Posters and invitations may only be done once 50% payment is made. Promoter is allowed to add other Local artist/ Djs but Afri (Artist) invited is not liable of their payments

Gate Entrance:

(Close 2): Where a promoter offers the venue and allow Artist to collect gate entrance for 4 (four) hours from fans attending and give 20% of the gate entrance to the promoter, whereby Artist make income from the gate and Promoter (Club Owner) benefit from in house sales (eg..) beer, wines, food etc. Promoter provides with security at the gate and stage. Promoter provides with sound suitable for the artist to perform else the Artist may do provide with sound to the venue, by that means the Artist will collect 100% of the gate entrance and Promoter benefit from in house sales. Afri performs for an hour at the club either **by live show or as a dj**. Promoter is liable of posters designs and allowed to add their own Artist and Djs **but** Afri (Artist) is not liable of their payments to the gig. Entering guest are given numbered tickets (Ticket count)

Sponsor:

(Close 3): If Afri (Artist) is invited by a SPONSOR to perform in any venue (club) by a promoter, Fully payment must be made before Posters are designed or any guest invitation is made. SPONSORS and Promoters are liable of the event promotion. posters designs, accommodation, road management and events security
