YES! PLEASE UPGRADE MY ORDER

Suburban Permaculture Online Course + eBook

Get a HUGE 70% discount on our best-selling course! This self-paced online course will give you a comprehensive overview of how permaculture principles and practice can be applied in suburban and urban environments.

Discover planting techniques for a variety of locations in suburbs and cities – from window boxes and balconies, to green roofs and courtyards, to community gardens, co-operative farms, roof gardens, green walls, energy efficiency, and much more. We'll also give you the Essential Guide to Suburban Permaculture eBook.

Make sure YES is checked above to add this special offer to your order now for just \$29. This discount offer is not available at ANY other time or place.

YES! I want to learn sustainable living skills. I have read and affirmatively consent to the above offer, the [Terms and Conditions](#), and the [Privacy Policy](#). I authorize you to bill my credit card for the course fees. Satisfaction guaranteed! I know that if I complete the course within 30 days and don't absolutely madly love it, I can ask for my money back!
