<b>61-80</b>	<b>5</b>	<b>0</b>
<b>81+</b>	<b>0</b>	<b>0</b>

We want to encourage all county residents to be safe. Remember that it is more important than ever to practice physical distancing, wash your hands frequently with soap and water for at least 20 seconds, cover coughs and sneezes with a tissue or elbow/upper arm and stay at home when you are ill. Be mindful of those around you and remember that we are all in this together. Wear a mask if there is a possibility you will be within six (6) feet of someone you don't live with.

**Mills County will continue to release these numbers on a weekly basis.** For further statistical data available, in near real time, visit the Iowa Coronavirus webpage at
