

DEFEND THE 2ND RALLY

MARCH 23, 2019 | OREGON STATE CAPITOL BUILDING
FRONT STEPS & MALL | HOURS 12PM-5PM

Radian Weapons, along with pro 2nd Amendment companies, are standing alongside fellow Oregonians on March 23, 2019 on the front steps of the Oregon State Capitol building.

Recent legislative proposals relating to gun restrictions would make Oregon gun laws among the strictest in the country. By holding this event, we hope to show our government officials their agenda will not stand with the law abiding citizens of our State and Country.

This will be a time for those who care about their 2nd Amendment rights to come together on behalf of our constitutional liberties.

We ask those attending the event to ***only bring signs of support for the 2nd Amendment. We anticipate this will be a publicized event. The only flag we will rally behind is that of the Stars and Stripes. Hatred of any kind, violence, or destruction of public or private property will not be tolerated.***
