Tomahawk Exploration LLC

Why Tomahawkcoin ?

- ▶ We are distinct from Paycoin and other failed promises hidden behind virtual currencies in the past which had no business plan and highly priced from the gate, **Tomahawkcoin** will be priced at \$0.05, or its USD equivalency in the currently wide and most popular used digital currency, such as Dogecoin, Ethereum, Bitcoin, Litecoin and Ripple.
- ▶ With a solid business plan and business model, designed to maintain and thereby increase the initial value of the ICO.
- ▶ The Company expects more than \$500,000 USD to be generated by each well per year based on the reserve reports:
 - ▶ 10 wells x \$500,000 = \$5,000,000 a year revenue projection

Total Coin Supply and Coin Use

- ▶ The total **Tomahawkcoin** number will be set at 200,000,000 coins, and our intention is to have the coin trade on all applicable exchanges.
- ▶ The bold ICO price objective and confident time horizon goal of 18 months is based on the legitimacy of Tomahawk Exploration LLC, an oil & gas exploration company, managed by David Laurance and registered in Nevada with HQ in California.
- ▶ The time horizon of 18 months is fundamental to the initial ICO, whereas ICO capital will be used to place **Tomahawk Exploration LLC** (The Company) into a publicly traded company on the **OTC Market** and fund the cost of drilling the 10 wells available.
- ▶ The Company will transition from private to public in approximately 10 to 18 months and drilling is expected to commence in 6 to 10 months. After the 18-month holding period, all ICO owners of Tomahawkcoin are eligible to exchange Tomahawkcoin for the equivalent value in Gift Share(s) of the public Company priced at the close of market on the day of conversion.

ICO Value

- ▶ The estimated price of \$0.05 USD price per Tomahawkcoin is based on the IPO (Initial Public Offering) price expectation of the Company set to start trading on the **OTC Market** at no less than \$0.05, and 200,000,000 shares outstanding. Due to the volatility of market conditions, known fluctuations in capital markets, changes in economic variables, and risk inherent to the energy sector, there is no guarantee as to price and / or timing which is subject to change. There is no guarantee, implied, or otherwise, as far as, the price of Tomahawkcoin is concerned on any currency traded exchange, since the parity of which Tomahawkcoin will trade for, and against, such as Bitcoin, Ethereum, Litecoin or Dogecoin, have no set price, and no price guarantee in any way or form, due to the constant price volatility of these coins, known to carry their own risk of losing USD value.

Crowdsale Goal Target

- ▶ Tomahawk Exploration LLC capital requirement is \$5,000,000 to commence drilling and thereto function with ease and without restriction towards the main target of exchange listing as a public entity; therefore, only half or 50%, 100,000,000 Tomahawkcoins will be sold to potential investors, as the other half will be used for marketing, advertising, and the creation of better liquidity on the coin traded exchange and percentage ownership of the Board of Directors and employees' salaries that will work with the company towards our goal of creating value for our stakeholders and future shareholders in Tomahawk Exploration LLC or the Company.

Coin Swap and Share Exchange

- ▶ There are no conversion requirements; however, those that choose not to exchange their **Tomahawkcoins** after 18 months into shares of the Company, may continue trading their **Tomahawkcoins** freely, as they do not expire. Whereas, they have the option to make their exchange at a later date, days and / or even years later.
- ▶
- One **Tomahawkcoin** is equal to one publicly free traded share of **Tomahawk Exploration LLC** upon conversion.

Tomahawkcoin Currency Exchange Benefits

- ▶ The business plan provided by the Company is believed to increase the demand for Tomahawkcoin on digital currency exchange markets, such as Bittrex, Poloniex, and others. Pre-IPO ownership is exclusively available and may only be obtained prior to the public registration of the Company through Tomahawkcoin purchase and no other way. Coin and share equivalency: Additional Tomahawkcoins into the market may be exchanged for additional shares of the publicly traded Company.
