## Happy Holidays

This is the time of year when everyone everywhere is expecting gifts from family and friends. It is the season when being naughty or nice makes a difference. When greeting someone with a smile brings joy to someone's heart and to hear laughter everywhere you go. We should all make the holidays last forever, not for just one day. We should never stop giving gifts of laughter, cheerful smiles, caring for someone, sharing with someone, singing with or for someone. Promise yourself that you will continue this act of kindness all year long. Have a safe and Happy Holiday!

## Thank you

## From Dougs Desk...

It's decorating time! Make sure that your indoor lights do not touch drapes, furniture or carpet. Prevent tripping by placing cords and decorations in low-traffic areas where they won't be walked on. Avoid twisting, kinking or crushing cords. Stay safe during this Holiday Season!
