ABOUT US

Australian is blessed with some of the world's best natural oils. The Australian Natural Soap Company uses our own special soap making process to bring these ingredients to your bathroom. All our soaps are handmade and pH balanced.

All our products are palm oil free, cruelty free, paraben free, sulfate free, detergent free, biodegradable & vegan.

Our liquid soaps have been carefully crafted to gently cleanse the skin without the use of harsh ingredients such as sulfates or artificial fragrances. Instead we use pure Australian plant oils which we set for 8 weeks so that the soap retains the nourishing properties of the oils.
