## Product Customization

Our catalog consists of decisions in a spread of kinds, textures, and colours that can be customized made to your specifications. Most folks love the natural half silk top lace wig provides, nonetheless, there are a couple issues you should know earlier than you buy a silk prime lace wig. Silk Top Lace Wigs are probably the most realistic lace wig caps on the market today. Silk Top Wigs also referred to as Silk Base Wigs are when knots are hidden by a layer of lace, and silk fabric on the highest front of the cap. The standard Lace Front Wig offers 5.5-inches swiss lace from the brow to the crown which permits for multi-directional parting and a really pure hairline. The rest of the cap has very fine hand-tied wefts sewn to the lace cap.

In contrast to a lace front, full lace caps wouldn't have hair wefts.

Full Lace Wigs are sometimes applied with wig adhesive, tape or a wig grip.

Hand-tied wigs provide essentially the most versatility in styling.

Each strand of hair is individually hand-tied within the lace which supplies natural motion and multi-directional parting all through the entire hair system.

This cap just isn't best for updo's however lace entrance wig cap building is more durable than full hand-tied caps and simple to apply using the combs and straps. If you are seeking a pure human hair wig, then our Invisible Wigs are the right solution. Pre-styled and ready to

put on, the Invisible Lace wigs are some of the sensible human hair wigs in the market. Our natural hairline Synthetic Wigs are an inexpensive different to the Invisible Wigs and are able to ship subject to availability. We are primarily based within the UK and deliver Worldwide. 1\_ MySecret Wigs can supply custom-made hair wigs for European ladies that can particularly add to their facial magnificence.

## Glueless 360 Lace Frontal Wig Malaysian Human Hair 4x4 Silk Prime Full Lace Wig 66

Unlike silk high full lace wigs, silk prime lace front wigs can be solely parted in the front. If you don't want to part hairs on the sides and again, a silk top lace entrance wig can be the most suitable choice. 3\_ These silk high lace wigs function completely different human hair varieties, such as Brazilian hair, Indian hair, Malaysian hair and Peruvian hair. The wigs can be found in straight, wavy, curly and different kinds . Both our human hair wigs are Pre-Plucked on the front. The hairline of our human hair wigs could be very pure, you'll look very pure with our lace wigs.

They have silk high Kasher wigs which are wonderful in appearance and are also . 't soak the hand-tied human hair wigs for a long time since it'll harm the knots in the wigs.
