Start number distribution

The start number distribution will take place in the Village from 8.30 am. Please arrive early to avoid bottlenecks. If the start material/race package is not picked up in time, there is no entitlement to participation or refund of the registration fee.

Changing rooms and showers

There are changing rooms and showers in the village.

Medical care

The entire route as well as the start and finish area will be monitored by medical services. All deployed medical forces are entitled to take you out of the race for your own safety if indications of injuries and/or signs of overexertion are shown.

Supply/Provision of drinks/food

The handover of drinks and meals to skaters is difficult during the race. Please take your own water bottle and energy bars with you (if necessary). There is no beverage station on the way. At the finish there will be drinks for all participants.

Accommodation

Please see [Swiss Skate Tour - Mittelland rollt \(swiss-skate-tour.ch\)](#) for partner hotels and book directly at the hotel. There are special prices for the Marathon.

Important Notes

Sporty and fair conduct of the participants is assumed.

Only use the marked route/track - leaving the route/track results in disqualification.

The race number must be worn on the right thigh, changes on the number also result in disqualification.

Skaters, who cross the finish line again after having finished the race will not be ranked.

During all the race the skaters have to wear a helmet.

Please note that the route is **not closed for the traffic before and after the race**. Driving on the road is allowed at your own risk. Please follow the traffic rules.

The protest fee is € 150. In case of a refusal of the protest by the chief referee the amount shall be forfeited to World Skate.
