Wie ich bereits mehrfach erwähnt habe, ist Superdrol eine unglaublich wirksame Verbindung. Die Mehrheit der Männer, die das Medikament einnehmen, benötigt nicht mehr als 10-20 mg täglich. Sogar diese winzige Dosis reicht aus, um zu einigen der schwerwiegenden Nebenwirkungen beizutragen, die wir zuvor besprochen haben.

You're tired of being at home, you want to do some form of exercise so you buy yourself a pair of trainers to start running.
