

Prince of Wales

Youth Activity Book

Prince of Wales Island Youth Activity Book

Numerous studies confirm the benefits of youth participating in extracurricular activities. The goal of this resource guide is to help families identify and connect their children to the opportunities available for youth on Prince of Wales Island.

It is possible that events or organizations may have been missed. Please send updates or changes to info@powhealthnetwork.org, for inclusion in the next guide.

40 Developmental Assets

Did you know that there are qualities you can give your children that increase the likelihood that they will develop into healthy, resilient adults? In 1990, the Search Institute created a list of 40 common sense, positive experiences and qualities that help influence the choices young people make and help them become caring, responsible, successful adults. We've listed the 40 developmental assets for children ages eight through twelve throughout this booklet - look for the starfish symbol above to direct you to the various assets.

For more information on Developmental Assets, visit the Search Institute's website:

www.search-institute.org/developmentalassets

*Together as young people we can serve,
volunteer, learn from our elders, respect,
and support our fellow island friends and
families.*

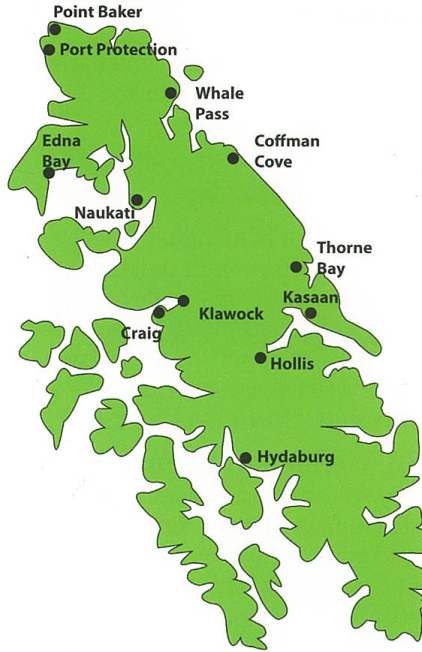

*We can build relationships, learn, listen and
strive to become future business leaders,
so we can choose to raise our families on
Prince of Wales Island.*

*Assets and building blocks make a stronger
island and stronger young people.*

We are the future leaders.

Prince of Wales Island Schools

Contact schools for school and sport team activities:

Craig Elementary and Middle School
Jackie Hanson, Principal
907.826.3274, 1 School Road, Grades K-8

Prince of Wales Health Network
Collaborating to Improve Healthcare on Prince of Wales Island
P.O. Box 812
Craig, AK 99921
Cell: 907.617.7635
Email: info@powhealthnetwork.org
Website: www.powhealthnetwork.org
www.facebook.com/powhealthnetwork

Our Mission: The mission of the Prince of Wales Health Network is to collaborate to improve healthcare on Prince of Wales Island.

Our Vision: Our vision is for a sustainable and continuing partnership between the healthcare providers and communities of POW, resulting in improved access to care and optimal health outcomes for Island residents.

Join us in making a donation to support the continuation of improving Youth, Elder, and Adult Care on POW. Donations are tax deductible, and will help with the continuation of the POW Health Network.
